From Heroin To Heresy The Making Of An American Social Thinker:

From Heroin to Heresy James E. Palombo, Phil Pisani, 2000 **Criminal Justice in America** Randall G. Sheldon, William Bud Brown, 2003 Finally an alternative critical approach to introductory criminal justice Criminal Justice in America A Critical View paves the way for discussions on controversial issues of racial and economic inequities found in our criminal justice system This text helps students understand the perspective of the typical subjects of the criminal justice system the poor the minorities women and the young all of whom comprise the majority of both victims and victimizers In the words of one reviewer Nowhere have I read an introductory text that simply tells it like it is A text of this kind is long overdue Another reviewer describes Criminal Justice in America A Critical View as a well written introductory criminal justice text that clearly delineates itself from the other leading texts Most important the critical perspective taken by the authors is an excellent depiction of crime and justice in America **Woodstock Revisited** Susan Reynolds, 2009-05-18 This collection contains fifty stories written by people who attended the original Woodstock Festival in 1969 Since all the books that preceded it have focused on the musicians promoters and staff this book will be the first one that chronicles the audience's experience in an up close and personal way This book documents the event itself but also provides a mesmerizing portrait of America as that tumultuous decade came to a close It is nostalgic historical and a fascinating read that will appeal to all Baby Boomers their offspring and anyone who wonders what it was really like and what became of all those hippies
