**From Left Communism to Post-modernism** Chamsy El-Ojeili, 2003      **From Left Communism to Post-modernism**

Chamsy El-Ojeili, 2003 From Left Communism to Post modernism addresses issues of the shape and future of the socialist movement and the politics of post modernism The author identifies a tradition of socialist thought left communism that is separate from socialist orthodoxy seeking to stage a conversation between this marginalized tradition and post modernism

Beyond Post-Socialism C. el-Ojeili, 2015-04-28 The return of interest in socialism and the critique of capitalism make

Beyond Post Socialism a timely work The book explores the critical theoretical and utopian contribution of a number of far Left socialist currents including anarchism situationism and post Marxism and thinkers such as Castoriadis Wallerstein and Badiou

*Social Movements and Democracy in the 21st Century* Dylan Taylor, 2017-01-16 This book contends that the impasse of the Left today is in part a result of an anarchist common sense among activists The author argues that the vital dynamics of anarchism and social movements need to be combined with a reappraisal of the Communist party and state While cynicism towards capitalism and existing political institutions is plentiful this book argues that the Left appears mired in a reactive politics of resistance unable to formulate programmes for substantive social change Drawing insights from the history of the Left political economy contemporary critical theory and an in depth study of Occupy the author provides concrete suggestions as to how the Left might claim the twenty first century and realise a more equitable social order *Social Movements and Democracy in the 21st Century* challenges activists and scholars to rethink social movements and political organisation and to actively work towards enduring social change The book will be of interest to students and scholars of social movement studies Left theory critical theory political sociology and Marxism as well as anyone with an interest in political change

**Utopia as Method** R. Levitas, 2013-07-25 Utopia should be understood as a method rather than a goal This book rehabilitates utopia as a repressed dimension of the sociological and in the process produces the Imaginary Reconstitution of Society a provisional reflexive and dialogic method for exploring alternative possible futures

**Politics, Social Theory, Utopia and the World-System** C. el-Ojeili, 2012-01-25 It is common to hear that we live in unique turbulent and crisis ridden times and this turbulence transformation and crisis are said to be deeply significant perhaps threatening for the human sciences Responding to such claims this book provides an accessible engagement with pressing contemporary topics such as violence social movements equality identity and democracy Foregrounding the imagination of possibilities utopia the mapping of the present theory and the transformation of the world system historical and global questions the book surveys central issues and paradigms in contemporary political sociology urging a recommitment to certain concepts and traditions for guidance in thinking and acting in the world

**Critical Theories of Globalization** C. el-Ojeili, P. Hayden, 2006-07-28 This accessible text provides a comprehensive overview of globalization and its consequences from the perspective of social and political critical theory Thematic chapters provoke student inquiry and the book shows how the

views of critical theorists are crucial to understanding the global processes shaping the world today Confronting Globalization P. Hayden, C. el-Ojeili, 2005-06-01 Informed by critical theory the essays in this collection examine the complex dynamics of globalization the challenges that confront democracy justice and rights under globalization and new approaches that seek to contest the excesses of globalization and promote the struggle for global justice They form a challenging and timely volume that will be essential reading for anyone interested in the normative dimensions of globalization

Globalization and Utopia P. Hayden, C. el-Ojeili, 2009-03-12 Taking aim at the belief in utopia's demise this collection of original essays offers a new look at the vibrant renewal of utopianism emerging in response to the challenges of globalization It considers questions of hope and transformation associated with the utopian desire for social change *Bibliographisch repertorium van de wijsbegeerte*, 2006 **Bibliografisch Repertorium Van de Wijsbegeerte**, 2006 International Postmodernism Johannes Willem Bertens, Hans Bertens, Douwe Fokkema, 1997 Containing more than fifty essays by major literary scholars International Postmodernism divides into four main sections The volume starts off with a section of eight introductory studies dealing with the subject from different points of view followed by a section that deals with postmodernism in other arts than literature while a third section discusses renovations of narrative genres and other strategies and devices in postmodernist writing The final and fourth section deals with the reception and processing of postmodernism in different parts of the world Three important aspects add to the special character of International Postmodernism The consistent distinction between postmodernity and postmodernism equal attention to the making and diffusion of postmodernism and the workings of literature in general and the focus on the text and the reader i.e. the reader's knowledge experience interests and competence as crucial factors in text interpretation This comprehensive study does not expressly focus on American postmodernism although American interpretations of postmodernism are a major point of reference The recognition that varying literary and cultural conditions in this world are bound to produce endless varieties of postmodernism made the editors Hans Bertens and Douwe Fokkema opt for the title International Postmodernism

**Rethinking Democracy for Post-Utopian Worlds** Jorge León Casero, Julia Urabayan, 2024-06-06 This book is both a conceptualization and detailed analysis of the current crisis in which modern utopian categories of political institutions find themselves as well as a reflection and clarification of the new dangers and opportunities facing post-utopian politics in the making Met with those who believe that no more utopian political projects are possible the post-utopian movement maintains a non-fantastic or illusory character of being able to apply new great discourses and radically democratic historical narratives while respecting both the autonomy and emancipation of individuals as plurality and the socio-cultural differences of communities With this purpose in mind the book is divided into five thematically differentiated sections the new utopian categories beyond modern epistemes the possibility of liberal utopian democracies without neoliberalism the opportunities of socialist empowerments and insurgencies the necessity of thinking in the space between two ages and the urgency to create

eco political post utopias      **American Book Publishing Record** ,2003      **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur** ,2004      □□□□□□□□ □□□,2007 21      Agnes Heller Simon Tormey,2001 This thorough examination of Agnes Heller s political thought covers a range of subjects from Marxian anthropology through aesthetics the philosophy of history ethical socialism postmodernism and the political forms of the modern state Simon Tormey treats Heller s work historically and thematically placing it in a postmodern 21st century context      *América Latina en el nuevo (des) orden mundial* Marc Zimmerman,2006      *Worlds of Difference* Peter Pericles Trifonas,2015-12-22 The varying interests of competing minority groups often part company with regard to how to achieve an equitable community Worlds of Difference rethinks the traditional interpretation of the principle of educational equity in light of this difficulty Theorists and educational practitioners influenced by many disparate schools of thought reflect upon the possibilities of a curriculum of difference in relation to questions of language culture and media at the forefront of global education issues today Collectively the authors argue that education in theory and practice must reawaken an ethical consciousness that affirms the negative values of difference but still recognizes the uniqueness and particularity of each group      **Radical Philosophy** ,1991
