Friend For Washington:

Washington's Farewell Address to the People of the United States George Washington, 1909 **Dog Whistles, Walk-Backs, and Washington Handshakes** Chuck McCutcheon, David Mark, 2014-09-02 To the amusement of the pundits and the regret of the electorate our modern political jargon has become even more brazenly two faced and obfuscatory than ever Where once we had Muckrakers now we have Bed Wetters Where Blue Dogs once slept peaceably in the sun Attack Dogs now roam the land During election season a near constant these days the coded rhetoric of candidates and their spin doctors and the deliberately meaningless but toxic semiotics of the wing nuts and backbenchers reach near Orwellian levels of self satisfaction vitriol and deceit The average NPR or talk radio listener MSNBC or Fox News viewer or blameless New York Times or Wall Street Journal reader is likely to be perplexed nonplussed and lulled into a state of apathetic resignation and civic somnolence by the rapid fire incomprehensibility of political pronouncement and commentary which is frankly putting us exactly where the pundits want us Dog Whistles Walk Backs and Washington Handshakes is a tonic and a corrective It is a reference and field guide to the language of politics by two veteran observers that not only defines terms and phrases but also explains their history and etymology describes who uses them against whom and why and reveals the most telling infamous amusing and shocking examples of their recent use It is a handbook of lexicography for the Wonkette and This Town generation a sleeker more modern Safire s Political Dictionary and a concise pointed bipartisan guide to the lies obfuscations and helical constructions of modern American political language as practiced by real life versions of the characters on House of Cards **George Washington** Kevin J. Hayes, 2017 Revered as a general and trusted as America s first elected leader George Washington is considered a great many things in the contemporary imagination but an intellectual is not one of them In correcting this longstanding misconception George Washington A Life in Books offers a stimulating literary biography that traces the effects of a life spent in self improvement **The Washington Law Reporter** , 1914 Includes decisions of the District of Columbia Court of Appeals 1902 1934 the United States Court of Appeals for the District of Columbia Circuit 1934 1959 and various other courts of the District of Columbia [The Life and Letters of Washington Irving](#) Pierre Munroe Irving, 1869 **The Life and Letters of Washington Irving. Edited by ... P. M. Irving** Pierre M. IRVING, 1862 **Life of George Washington** Washington Irving, 1904 [George Washington](#) Paul Leicester Ford, 1896
House of Commons Debates, Official Report Canada. Parliament. House of Commons, 1920 **Official Reports of the Debates of the House of Commons of the Dominion of Canada** Canada. Parliament. House of Commons, 1891
People of the State of Illinois V. Callazo , 1990 **Proceedings of the Washington Academy of Sciences** Washington Academy of Sciences (Washington, D.C.), 1904 [Works of Washington Irving: Goldsmith](#) Washington Irving, 1870 [George Washington and the West](#) Charles H. Ambler, 2018-08-25 Few books about George Washington treat exclusively his western interests and activities As these interests were extensive and admittedly determining factors in his

career as a soldier the present volume offers a much needed picture of this phase of Washington's life The author offers substantial evidence to refute the charges that Washington's interests were predominantly selfish because of his large holdings in the West and calls to mind that in statesmanship Washington is seen at his best in his efforts to unite the East and West Originally published in 1936 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

The True George Washington Paul Leicester Ford, 1896 **George Washington** Henry Cabot Lodge, 1889 **Washington Irving's Critique of American Culture** J. Woodrow McCree, 2021-06-24 Washington Irving's Critique of American Culture Sketching a Vision of World Citizenship challenges long standing views of Washington Irving He has been portrayed as writing in the 18th century style of Addison and Goldsmith without having much substance of his own Irving has also been accused of being insufficiently American and adrift in an identity crisis The author argues that Irving addressed the American cultural context very extensively he was a writer of substance who articulated an ethic of world citizenship that was found in the philosophy of ancient Greek cynics and stoics This ethic was united with a love of picturesque travel which emphasized variety and texture in experience resulting in an extraordinary affirmation of the value of cultural diversity in the new Republic Irving was in fact a liminal figure straddling Romantic and neoclassical modes of writing and acting The author draws attention to Irving's success as a writer in the pictorial mode Irving also expressed a critique of cultural loss and environmental destruction like that articulated by the artist Thomas Cole The work embraces an interdisciplinary approach where insights from philosophy religion art history and social history shed light on an underestimated writer

Works: Washington Washington Irving, 1869 George Washington and the Creation of the American Republic William M. Fowler, 2025-09-02 George Washington and the Creation of the American Republic debunks the portrayal of George Washington in what is described by historians as the Critical Years 1781-1789 a time when he was deeply involved in land speculation western expansion scientific farming canal building political affairs and family matters directing the nation toward a strong central government

The Washington, D.C. of Fiction James A. Kaser, 2006 In The Washington D C of Fiction A Research Guide James A Kaser provides detailed synopses for nearly four hundred works published between 1822 and 1976 and bibliographic information for hundreds more published since Plot summaries names of major characters and location lists are also presented Although this book was written to assist researchers in locating works of fiction for analysis the plot summaries have enough detail for general readers so they can develop an understanding of the way attitudes toward Washington and what the city symbolizes have changed over the years Similarly the biographical section demonstrates the wide range of journalists politicians society women and freelance writers who were motivated to write about the city

BOOK JACKET
