Friends For Life Featuring Amy Wilson:

Friends for Life Barbara Aiello, Jeffrey Shulman, 1988-01-01 When the members of the fifth grade video club find out their club sponsor has AIDS they have a variety of reactions before learning more about the disease and deciding to stick by her

AIDS Narratives Steven F. Kruger, 2013-10-28 This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual's bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it

Hans Kommers,2020-11-17 This scientific historical biography explores the influences that shaped the spirituality of Amy Carmichael of Dohnavur J Hans Kommers investigates the historical background of Amy's childhood in Millisle and Belfast and provides new and more scholarly information than existing biographies He researched a variety of Keswick related literature in order to provide a fuller picture of Amy's connection with the Keswick Convention and their teaching The descriptions of the life of the millworkers in Belfast the happenings on the worldwide stage and Victorian missionary work and methods round out the picture to give the reader a greater understanding of Amy Carmichael These new facts are most enlightening Dr Jackuelin Woolcock MB BChir MRCP Lond Director Dohnavur Fellowship Corporation Shoreham by Sea UK and Doctor in Dohnavur India 1969 1987 **Triumphant Love** The Contextual Creative and Strategic Missionary Work of Amy Beatrice Carmichael in South India provides the most extensive biography thus far of Amy Carmichael 1867 1951 a major figure on the missionary landscape of the late 19th and the first half of the 20th century She is seen by some as the Protestant mother Teresa both women worked in India and devoted all of their time and energy to the poor The book is very well researched The author states that the

purpose of the extensive research he undertook was to get a closer and clearer picture of Amy Carmichael as the founder of the Dohnavur Fellowship. Also he wanted to give a balanced account of her dealings with people and especially her life with God. He does this. It provides the most comprehensive picture of this remarkable woman. It is the definitive source of reference. J. Hans Kommers's view of the life of Amy Carmichael is that of a fellow evangelical. He explains that not only Amy but many missionaries of her time were inspired by the ideal that all people should have the opportunity to hear of Christ's salvation. According to him, her inspirational work is still relevant today. Prof. Dr. Gijsbert van den Brink, URC Professor for Theology and Science, Faculty of Theology, Free University Amsterdam, the Netherlands. *This Shining Life* Harriet Kline, 2021-06-22. A boy struggling to process an unexpected loss believes he has been given a series of clues to the biggest puzzle of all: the meaning of life. In this deeply felt debut novel, an exquisitely beautiful and compelling novel about love, loss, and life, Rachel Joyce, New York Times bestselling author of *Miss Benson's Beetle*, meets Ollie. He's eleven years old. He hasn't yet met a Killer Sudoku he can't solve, but he finds the world around him difficult. People don't say what they mean, and he hates being wrong. And now a sudden tragedy teaches him there is no easy answer to the problem of grief. When Ollie's happy-go-lucky father, Rich, dies of brain cancer, his mother, Ruth, has no idea how to keep living, and the entire family is thrown into disarray. The only thing that makes sense to Ollie is the puzzle he's convinced his father left behind: one gift for each member of the family. If Ollie can find the connection between a pink vase and an old pair of binoculars, then somehow he'll discover the secret he believes Rich wanted to share with them all: what it means to be alive. Interweaving the voices of each character in turn, this deeply felt novel paints a portrait of a family learning to come together through the darkest times. *This Shining Life* is a poignant yet ultimately uplifting meditation on grief, healing, and love. *No Ordinary Lady* Heather Boyd, 2024-03-05. She's nothing but a common thief, and her next target is the Earl of Scarsdale's heart. Orphaned as a child and left in her uncle's care, Marian Trill has known only a life of crime. Crisscrossing the countryside, she aids her uncle and his small troupe of thieves in conning well-to-do travelers until one handsome mark catches her eye. Marian has no business betraying her only family for this gentleman's safety, just as she has no business following Danny all the way to his country estate to return a valuable ring he left behind. Daniel Earl of Scarsdale is returning home after years of avoiding the inevitable: marrying his neighbor's daughter. He'd hoped to wed for love, but having failed at that venture, it's time he took his duties seriously, even if it means settling for a woman more to his mother's liking than his own. He didn't count on the beguiling thief he met on the road following him home, nor on his scheming granny inviting her to stay as her companion. *No Ordinary Lady* is a full-length regency historical romance novel. It is another book in the steamy *Distinguished Rogues* series, but can be read as a stand-alone. *Distinguished Rogues* Series Book 1: Chills, Jack and Constance; Book 2: Broken Giles and Lillian; Book 3: Charity, Oscar, and Agatha; Book 4: An Accidental Affair, Merrick and Arabella; Book 5: Keepsake, Kit and Miranda; Book 6: An Improper Proposal, Martin and Iris; Book 7: Reason to Wed, Richard and Esme; Book 8: The Trouble with Love, Everett.
