## **Frog Is A Hero:**

**Frog Is a Hero (English-Chinese)** Max Velthuijs, 2000 Parallel texts in English and Chinese      **Frog Is a Hero** Max Velthuijs, 2000 Kikker is een held Wanneer tijdens een overstroming al het voedsel op is gaat Kikker er op uit om hulp te halen Vanaf circa 5 jaar      青蛙英雄 Max Velthuijs, 2000 Ages 3 and over      The Frog and the Hero George Borrow, 1803      **The Hero with a Thousand Faces** Joseph Campbell, 2008 This newly redesigned edition of Campbell's seminal 1949 work combines the insights of modern psychology with the author's revolutionary understanding of comparative mythology Illustrated      **World Folklore for Storytellers: Tales of Wonder, Wisdom, Fools, and Heroes** Howard J. Sherman, 2014-12-18 Here is a treasury of favorite and little known tales from Africa Asia Europe the Americas Australia and Oceania gracefully retold and accompanied by fascinating detailed information of their historic and cultural backgrounds The introduction provides an informative overview of folklore its purpose in world cultures and in contemporary society and popular culture Following this the main sections of the book are arranged by tale type covering wonder tales hero tales tales of kindness repaid and hope and redemption and finally tales of fools and wise people Each section begins by comparing the tales cross culturally explaining similarities and differences in the folkloric narratives Tales from diverse cultures are then presented introduced and retold in a highly readable fashion      **Baba Yaga** Andreas Johns, 2004 Baba Yaga is a well known witch from the folklore tradition of Russia Ukraine and Belarus A fascinating and colorful character she resembles witches of other traditions but is in many ways unique Living in the forest in a hut that stands and moves on chicken legs she travels in a mortar with a pestle and sweeps away her tracks with a broom In some tales she tries to harm the protagonist while in others she is helpful This book investigates the image and ambiguity of Baba Yaga in detail and considers the meanings she has for East Slavic culture Providing a broad survey of folktales and other sources it is the most thorough study of Baba Yaga yet published and will be of interest to students of anthropology comparative literature folklore and Slavic and East European studies      **Ainu Spirits Singing** Sarah M. Strong, 2011-10-31 Indigenous peoples throughout the globe are custodians of a unique priceless and increasingly imperiled legacy of oral lore Among them the Ainu a people native to northeastern Asia stand out for the exceptional scope and richness of their oral performance traditions Yet despite this cultural wealth nothing has appeared in English on the subject in over thirty years Sarah Strong's *Ainu Spirits Singing* breaks this decades long silence with a nuanced study and English translation of Chiri Yukie's *Ainu Shin yoshu* the first written transcription of Ainu oral narratives by an ethnic Ainu The thirteen narratives in Chiri's collection belong to the genre known as kamui yukar said to be the most ancient performance form in the vast Ainu repertoire In it animals and sometimes plants or other natural phenomena all regarded as spiritual beings kamui within the animate Ainu world assume the role of narrator and tell stories about themselves The first person speakers include imposing animals such as the revered orca the Hokkaido wolf and Blakiston's fish owl as well as the more humble Hokkaido brown frog snowshoe hare and pearl

mussel Each has its own story and own signature refrain Strong provides readers with an intimate and perceptive view of this extraordinary text Along with critical contextual information about traditional Ainu society and its cultural assumptions she brings forward pertinent information on the geography and natural history of the coastal southwestern Hokkaido region where the stories were originally performed The result is a rich fusion of knowledge that allows the reader to feel at home within the animistic frame of reference of the narratives Strong s study also offers the first extended biography of Chiri Yukie 1903 1922 in English The story of her life and her untimely death at age nineteen makes clear the harsh consequences for Chiri and her fellow Ainu of the Japanese colonization of Hokkaido and the Meiji and Taisho governments policies of assimilation Chiri s receipt of the narratives in the Horobetsu dialect from her grandmother and aunt both traditional performers and the fact that no native speakers of that dialect survive today make her work all the more significant The book concludes with a full integral translation of the text

*The Hero's Mask* Richard Kagan,2020-10-14 The Hero s Mask is an engaging novel about Carrie an eleven year old girl and her friends who work together to stop the bullies picking on their classmates as they unravel mysteries in their school The novel traces Carrie s discovery of strengths within herself her family and her friends despite losses and hardships in her family and how Carrie is inspired by a new teacher who helps her learn the secrets of heroes The Hero s Mask is a story about children and parents caregivers overcoming fears and healing the wounds separating a mother and daughter both scarred by traumatic grief This book is also available to purchase alongside a guidebook as part of the two component set The Hero s Mask Helping Children with Traumatic Stress This essential resource provides a resiliency focused guide for promoting trauma informed schools and child and family services to help children and families experiencing traumatic stress

**Mythology and Values** Katherine Spencer,2014-11-11 In this book Katherine Spencer examines Navaho cultural values by studying a specific subset of Navaho mythology chantway myths part of ceremonies performed to cure illness She begins with a summary of the general plot construction of chantway myths and the value themes presented in these plots then discusses explanatory elements inserted by the narrators of the myths She continues with a deeper analysis of the cultural value judgements conveyed by these myths At the end of the book Spencer includes abstracts of the myths she discusses

**100 Ideas for Primary Teachers: Questioning** Peter Worley,2019-01-10 No matter what you teach there is a 100 Ideas title for you The 100 Ideas series offers teachers practical easy to implement strategies and activities for the classroom Each author is an expert in their field and is passionate about sharing best practice with their peers Each title includes at least ten additional extra creative Bonus Ideas that won t fail to inspire and engage all learners Questioning is key to effective teaching and learning yet practical questioning strategies that are immediately useable in the classroom can be hard to come by 100 Ideas for Primary Teachers Questioning presents practical strategies games and activities not only to help teachers improve their own questioning in the classroom but also to allow pupils to develop an understanding of how they too can ask effective questions to develop their learning Using philosophical

approaches including ownership authenticity balance and Socratic principles Peter Worley co founder of The Philosophy Foundation provides guidance and ideas on how questioning can help pupils reach the next step and activate their own thinking He also encourages teachers to reflect on their practice and the effect of questioning on children s progress The ideas in this book are applicable to all subjects in a primary teacher s curriculum and are ideal for establishing good questioning strategies and a solid understanding of this core element of teaching      **From Fairy Tale to Film Screenplay** Terence Patrick Murphy,2015-09-15 In Screenplay The Foundations of Screenwriting 1979 Syd Field first popularized the Three Act Paradigm of Setup Confrontation and Resolution for conceptualizing and creating the Hollywood screenplay For Field the budding screenwriter needs a clear screenplay structure one which includes two well crafted plot points the first at the end of Act I the second at the end of Act II By focusing on the importance of the four essentials of beginning and end and the two pivotal plot points Field did the Hollywood film industry an enormous service Nonetheless although he handles the issue of overall structure expertly Field falls down when offering the screenwriter advice on how to successfully build each of the three individual Acts This is because Field did not recognize the importance of another layer of analysis that underpins the existence of plot points This is the level of the plot genotype This book will offer you a richer theory of plot structure than the one Field outlines It will do this not by contradicting anything Field has to say about the Hollywood paradigm but by complementing it with a deeper level of analysis Plot genotypes are the compositional schemas of particular stories They are sets of instructions written in the language of the plot function for executing particular plots This book outlines the plot genotypes for The Frog Prince The Robber Bridegroom Puss in Boots and Little Red Riding Hood and then shows how these genotypes provide the underpinnings for the film screenplays of Pretty Woman Wrong Turn The Mask and Psycho By means of a detailed study of these four Hollywood screenplays you will be able to offer a much richer description of what is going on at any particular point in a screenplay In this way you will become much sharper at understanding how screenplays work And you will become much better at learning how to write coherent screenplays yourself      **ABA Journal** ,1984-07 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association      **Tibetan Folktales** Haiwang Yuan, Awang Kunga, Bo Li,2014-11-25 This collection of folktales provides readers with an extensive overview of the breadth of Tibetan culture revealing the character of the region and its people as well as their traditional customs and values Most Westerners are unlikely to travel to the mountainous region of East Asia and experience the Tibetan people and their culture directly This book provides a way to experience and learn about this remote nation through carefully selected Tibetan folktales that provide readers with a unique glimpse into Tibet s culture its people and the land itself through the window of folklore Providing a unique resource that can serve both as a storytime aid for educators who work with primary school students and a valuable reference for Eastern folklorists Tibetan Folktales contains more than 30 traditional Tibetan stories that give readers a taste of the land people

culture history religion and psyche of this remote country The tales are gathered from contemporary Tibetan storytellers and translated from written sources to represent the rich oral and written literary tradition of Tibet's culture In addition the book supplies tutorials for Tibetan crafts and games a sample of recipes and photographs and illustrations that create a multidimensional experience of Tibetan culture      Status of Conservation and Decline of Amphibians Harold Heatwole, Jodi

Rowley, 2018-06-01 Amphibians are among the most threatened groups of animals on earth In part due to their highly permeable skin amphibians are highly sensitive to environmental changes and pollution and provide an early warning system of deteriorating environmental conditions The more we learn about the impact of environmental changes on amphibians the better we as humans will be able to arrest their demise and our own Status of Conservation and Decline of Amphibians brings together the current knowledge on the status of the unique frogs of Australia New Zealand and the Pacific Although geographically proximate each region presents unique challenges and opportunities in amphibian research and conservation This book contributes to an understanding of the current conservation status of the amphibians of each region aims to stimulate research into halting amphibian declines and provides a better foundation for making conservation decisions It is an invaluable reference for environmental and governmental agencies researchers policy makers involved with biodiversity conservation and the interested public      **The Hero's Mask: Helping Children with Traumatic Stress** Richard
