Frogs Other Plays

Gregory W. Dobrov

Frogs Other Plays:

Aristophanes: Frogs and Other Plays Aristophanes, 2018-11-10 Aristophanes is the only surviving representative of Greek Old Comedy an exuberant form of festival drama which flourished in Athens during the fifth century BC One of the most original playwrights in the entire Western tradition his comedies are remarkable for their brilliant combination of fantasy and satire their constantly inventive manipulation of language and their use of absurd characters and plots to expose his society's institutions and values to the bracing challenge of laughter This vibrant collection of verse translations of Aristophanes works combines historical accuracy with a sensitive attempt to capture the rich dramatic and literary qualities of Aristophanic comedy The volume presents *Clouds* with its famous caricature of the philosopher Socrates *Women at the Thesmophoria* or *Thesmophoriazousae* a work which mixes elaborate parody of tragedy with a great deal of transvestite burlesque and *Frogs* in which the dead tragedians Aeschylus and Euripides engage in a vituperative contest of literary criticism of each other's plays Featuring expansive introductions to each play and detailed explanatory notes the volume also includes an illuminating appendix which provides information and selected fragments from the lost plays of Aristophanes

Frogs and Other Plays Aristophanes, 2007-03-01 The master of ancient Greek comic drama Aristophanes combined slapstick humour and cheerful vulgarity with acute political observations In *The Frogs* written during the Peloponnesian War Dionysus descends to the Underworld to bring back a poet who can help Athens in its darkest hour and stages a great debate to help him decide between the traditional wisdom of Aeschylus and the brilliant modernity of Euripides The clash of generations and values is also the object of Aristophanes satire in *The Wasps* in which an old fashioned father and his loose living son come to blows and end up in court And in *The Poet and the Women* Euripides accused of misogyny persuades a relative to infiltrate an all women festival to find out whether revenge is being plotted against him *Electra and Other Plays* Euripides, 1999-01-01 Euripides wrote Aristotle is the most intensely tragic of all the poets In his questioning attitude to traditional pieties disconcerting shifts of sympathy disturbingly eloquent evil characters and acute insight into destructive passion he is also the most strikingly modern of ancient authors Written in the period from 426 to 415 BC during the fierce struggle for supremacy between Athens and Sparta these five plays are haunted by the horrors of war and its particular impact on women Only the *Suppliants* with its extended debate on democracy and monarchy can be seen as a patriotic piece The *Trojan Women* is perhaps the greatest of all anti war dramas *Andromache* shows the ferocious clash between the wife and concubine of Achilles son Neoptolemos while *Hecabe* reveals how hatred can drive a victim to an appalling act of cruelty *Electra* develops and parodies Aeschylus treatment of the same story in which the heroine and her brother Orestes commit matricide to avenge their father Agamemnon As always Euripides presents the heroic figures of mythology as recognizable often very fallible human beings Some of his greatest achievements appear in this volume *The Bacchae and Other Plays* Euripides, 2006-01-26 Through their sheer range daring innovation flawed but eloquent characters and intriguing plots the

plays of Euripides have shocked and stimulated audiences since the fifth century BC *Phoenician Women* portrays the rival sons of King Oedipus and their mother's doomed attempts at reconciliation while *Orestes* shows a son ravaged with guilt after the vengeful murder of his mother In the *Bacchae* a king mistreats a newcomer to his land little knowing that he is the god Dionysus disguised as a mortal while in *Iphigenia at Aulis* the Greek leaders take the horrific decision to sacrifice a princess to gain favour from the gods in their mission to Troy Finally the *Rhesus* depicts a world of espionage between the warring Greek and Trojan camps

Medea and Other Plays Euripides, 2003-03-27 *Alcestis* *Medea* *The Children of Heracles* *Hippolytus* One of the best prose translations of Euripides I have seen Robert Fagles This selection of plays shows Euripides transforming the titanic figures of Greek myths into recognizable fallible human beings *Medea* in which a spurned woman takes revenge upon her lover by killing her children is one of the most shocking of all the Greek tragedies *Medea* is a towering figure who demonstrates Euripides' unusual willingness to give voice to a woman's case *Alcestis* is based on a magical myth in which Death is overcome and *The Children of Heracles* examines conflict between might and right while *Hippolytus* deals with self-destructive integrity Translated by JOHN DAVIE

The Frogs and Other Plays Aristophanes, 1966

Wasps and Other Plays Aristophanes, 2024-03-14 This is the third and final volume of a new verse translation of the complete plays of Aristophanes by Stephen Halliwell The translations combine accuracy with an attempt to capture the rich dramatic and literary qualities of Aristophanic comedy

Frogs and Other Plays Aristophanes, 2016 This vibrant collection of verse translations of Aristophanes' works featuring *Clouds* *Women at the Thesmophoria* or *Thesmophoriazusae* and *Frogs* combines historical accuracy with a sensitive attempt to capture the rich dramatic and literary qualities of Aristophanic comedy Including expansive introductions to each play as well as detailed explanatory notes and an illuminating appendix this volume presents fresh interpretations of three key works from one of the most original playwrights in the entire Western tradition

[Lysistrata and Other Plays](#) Aristophanes, 2003-01-30 *The Acharnians* *The Clouds* *Lysistrata* We women have the salvation of Greece in our hands Writing at a time of political and social crisis in Athens the ancient Greek comic playwright Aristophanes was an eloquent yet bawdy challenger to the demagogue and the sophist In *Lysistrata* and *The Acharnians* two pleas for an end to the long war between Athens and Sparta a band of women on a sex strike and a lone peasant respectively defeat the political establishment The darker comedy of *The Clouds* satirizes Athenian philosophers Socrates in particular and reflects the uncertainties of a generation in which all traditional religious and ethical beliefs were being challenged Translated with an Introduction and Notes by Alan H Sommerstein

The Origin of Attic Comedy ,

[LSAT For Dummies \(with Free Online Practice Tests\)](#) Lisa Zimmer Hatch, Scott A. Hatch, Amy Hackney Blackwell, 2014-08-26 Increase your score on the LSAT If you're preparing for law school your single biggest hurdle is the Law School Admission Test or LSAT This three and a half hour exam consisting of five multiple choice sections and one timed writing sample can make or break your legal aspirations Fortunately *LSAT For Dummies Premier PLUS 2nd Edition* now with
