From Baal To Ashtoreth

Aldret Benjamin Sykke

From Baal To Ashtoreth:

Love Poems Paul Raboff, Yitzchak Greenfield, 1998 In this collection Paul Raboff pleads as an advocate for mankind against the sufferings and humiliations found in the great injustice of love yet at the same time celebrates its joys and hilarities Partly modeled on the Latin classical love poets Catullus and Propertius and partly on adversarial biblical commentary the events are transcribed to the moral and physical landscape of contemporary Israel From Baal to Ashtoreth evokes the clashing of egos in the love experience two very earthly Gods as models of predatory human behavior With imagery strongly identified with the Jewish Bible and the classical world ironically set against modern values the author interweaves the idea of physical love with the anguish of emotional love **Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature** John McClintock, 1872 The Struggles of Unloved Women Linda K. Colbert, 2016-10-19

Sometimes the overwhelming pressures of your life will cause you to believe that you are the only one who is being pushed knocked down and defeated by one dreadful event after another Nevertheless no one is exempt from hurt Women from their earliest existence to the present time have experienced some of the most distressing heartbreaking devastating and traumatizing events imaginable Yet they survived and came through stronger more determined more capable and more productive than ever What was their secret *The Struggles of Unloved Women* tells the stories of ten extraordinary biblical women who triumphed and even failed through life's circumstances Each of them have their own unique personalities and experiences However their stories are not uncommon Many women have struggled through similar if not the same life events Still when the struggles are over the questions we must ask are What lessons did we learn Did we emerge from our trials better or bitter *The Old Testament History, from the Creation to the Return of the Jews from Captivity* William

Demonic Cord Sandie Freed, 2008-01-01 God has a divine plan to release his people from the curse of desolation and barrenness Satan also has a strategy however which is to lock us to our past He uses a threefold cord of the demonic spirits of Jezebel Athaliah and Delilah strongholds that seek to destroy not only us but also generations to follow to block us from victorious Christian living But by exposing the plans of the enemy God's people can be released from barrenness and launched into expansion growth and multiplication Sandie Freed takes readers through a close study of each of these demonic forces in order to prepare them to break the threefold demonic cord Conducting a biblical exploration of the everyday tactics of each spirit Freed lays bare their strategies and helps readers defeat them through prayer *The Old Testament History* Sir William Smith, 1868 *Out of Time* D.
