

FROM BETHLEHEM TO CALVARY

by
Alice A. Bailey

A new approach to the meaning and significance of the life of Christ in its relation to the uncertainty of the world to-day, and in the portent of the divine destiny of mankind, which He came to announce and to which He has summoned us.

The nature of divine revelation and its effect upon the changing spiritual consciousness in the whole human race—past and present, East and West—are made clear. In that long list of teachers, prophets, saints and seers who have constituted God's unbroken host of witnesses to mankind down the centuries, the supreme place of Christ is here presented with a new illumination.

The author has cited many opinions from diverse sources, indicating the synthetic nature of current spiritual trends. This book has especial value in the enrichment of the thought of the reader and answers many unspoken questionings.

You are invited to remove this jacket and inspect the handsome de luxe binding. Note the real gold stamping and the washable, fadeless Rexine cover, making the book good to handle for a lifetime and a proud addition to any bookshelf. It feels good because it is good.

Bailey, 2012-08-01 The life experience of the Master Jesus including the Crucifixion the Great Renunciation is reflected in the life experience of all human beings We can know and consciously co operate in the journey which leads from the place of spiritual birth to the place of renunciation and resurrection **Alice A. Bailey** Isobel Blackthorn, 2022-01-28 A must read for any Bailey student anyone interested in the New Age movement and for those who wonder amidst our confused and divided world where will it all end Steven Chernikeeff author of Esoteric Apprentice From tragic beginnings as an aristocratic orphan to becoming the mother of the New Age spiritual movement Alice A Bailey is one of the modern era s most misunderstood occult figures Bailey s journey is a story of faith from orthodox Christian beginnings through a protracted spiritual crisis to a newfound belief in Theosophy A mystic and a seeker a founder of global spiritual organizations and a surmounter of adversity Bailey s past is rife with injustices myths and misconceptions including that she was an anti Semite and a racist with a dark agenda With scandals and controversies laid bare Bailey s extraordinary life is revealed as a powerful remarkable legacy *The Christ and Jesus* Don MacGregor, 2023-04-28 Is Jesus the Christ If so what does that mean How can a human person be a Cosmic Principle Don MacGregor hopes to make Christianity more relevant for the twenty first century in his reflection into the difference between the Universal or Cosmic Christ principle and the human figure of Jesus of Nazareth He takes a deep dive into reincarnation mysticism and the message of transformation that Jesus taught contrasting that with the transaction that the institutional Church taught This is the third book in the Wisdom Series in which the author seeks to reframe Christianity within a larger sphere that of the Perennial Philosophy **Frankincense & Myrrh** Martin Watt, Wanda Sellar, 2012-05-31 The story of frankincense and myrrh runs in tandem with man s evolution Their use in so many varied ways has accompanied man and woman through the uncertain and often stormy path of life Once prized as highly as gold frankincense and myrrh s use in perfumery suggested an exclusivity as do the celebrated perfumes of today But they offered much more than mere aesthetic delight At times they were a life line to spiritual and physical health and well being Over many centuries the use of frankincense and myrrh pervaded a wide range of societies and religions The caravan trails for this valuable cargo have disappeared but these aromatics continue to be valuable commodities both in the East as well as in the West Frankincense and Myrrh continue to excite the imagination and are probably the most famous aromatics of all time Their appeal and magic will never die and this book explains why **Secrets of the Light** Flora Paul, 2001-08 Secrets of the Light Provides the Bible student with fresh insight into the many levels of truth encoded in the Bible Provides the Biblical scholar with an abundance of references on Bible interpretation Provides everyone with an

understanding of how light has been used in the Bible as a metaphor to pass wisdom down through generations who have often not understood its deeper meaning In *Secrets of the Light* author Flora E Paul first relates how her own evolution of religious understanding brought greater personal peace and fulfillment She then explores the meaning she has discovered hidden in plain sight within the symbolism used by the Bible She explains how the same profound truths are being provided to us through many different sources *Secrets of the Light* also provides an introduction to Theosophy an ancient blending of science and religion that gained wide attention early this century as the controversial Madame Blavatsky promoted it around the world As one of few books examining Theosophy that is not published by the Theosophical Society it speaks truthfully about differing biblical interpretations within the movement and how they compare with both modern scientific fact and mainstream Christian teachings
