Dr. Martin Luther King Jr. and the Poor People's Campaign of 1968 Robert Hamilton,2020-12 This book introduces new audiences to Dr Martin Luther King Jr s final initiative the multiracial Poor People s Campaign PPC of 1968 Robert Hamilton depicts the experience of poor people who traveled to Washington in May 1968 to dramatize the issue of poverty by building a temporary city Resurrection City His narrative allows us to hear their voices and understand the strategies objectives and organization of the campaign In addition he highlights the campaign s educational aspect showing that significant social movements are a means by which societies learn about themselves and framing the PPC as an initiative whose example can teach and inspire current and future generations The study thus situates Dr Martin Luther King Jr s legacy and teachings in relation to current events and further solidifies Dr King s cultural and sociopolitical relevance In the decades since 1968 we have seen increasing global inequality leading to greater social polarization including in the United States Hamilton offers the insight that the radical politics of Dr King as represented in the civil rights and human rights agendas of the PPC can help us understand and address the challenges of this polarization Hamilton highlights Dr King s commitment to ending poverty and explains why Dr King s ideas on this and related issues should be brought to the attention of a wider public who often view him almost exclusively as a civil rights but not a human rights leader *Calm the Chaos* Dayna Abraham,2023-08-15 A simple fail proof road map for parents raising even the most challenging children including those with ADHD autism sensory processing challenges or big emotions from the founder of the life changing Calm the Chaos methodology and the popular parenting blog Lemon Lime Adventures Strong willed spirited explosive defiant and highly sensitive are just a few of the most common labels for children with challenging behavior or emotional regulation difficulties

Whether your child has been diagnosed with a behavioral condition struggles with executive functioning or is just harder than other children you've met, you are in luck. Parenting expert Dayna Abraham is here to help. *Calm the Chaos* offers a clearly organized, trauma-informed, science-backed and positive parenting approach for raising neurodivergent children, children with sensory needs, or those who don't respond to traditional discipline methods. Dayna has created a road map to help parents find peace, build emotional connection, and meet kids where they are, especially when conventional parenting books, punishment-based discipline, or behavior charts have failed. There are five steps to calming the chaos: Getting to Safety, Restoring Trust and Energy, Finding Calm in the Moment, Getting Ahead of the Moment, and Defining Family Success. Each step employs a framework that is easy to remember, even when emotions run high: you ground yourself, you connect with your kid, you work with them to understand the catalyst and the issue at the heart, and then together you get curious about finding an empowered solution. Backed by science and tested by hundreds of thousands of families, *Calm the Chaos* is a revolutionary, gentle parenting guide perfect for families navigating ADHD, autism spectrum disorder, anxiety in children, or emotional outbursts.
