From Different Shores Perspectives On Race And Ethnicity In America:

From Different Shores Ronald T. Takaki, 1994 Now featuring a new section on public policy and a wide range of new essays by many of the liveliest and most exciting figures in ethnic studies this updated edition of a remarkably successful text introduces students to the diverse points of view on race and ethnicity in the U S Arranged in debate format the essays address vital questions How have the experiences of racial minorities in the United States been similar to and different from each other Is race the same as ethnicity How has culture shaped race and ethnic relations What has been the relationship between race and class How can race and gender be compared Moreover how can racial inequality be explained and what public policies or strategies are needed to address it One third of the selections are new examining affirmative action welfare dependency and the Los Angeles riots and including a debate between Arthur Schlesinger Jr and the editor on multicultural curricula and the campus culture wars Providing a fresh new look at America s complex and unique ethnic heritage this text makes an invaluable contribution to any course on race ethnicity or social stratification *Debating Diversity* Ronald T. Takaki, 2002 In the nineteenth century Herman Melville wrote America was settled by peoples of all nations You cannot spill a drop of American blood without spilling the blood of the whole world We are not a narrow tribe At the beginning of the twenty first century America is more ethnically diverse than ever before Will we fear this expanding diversity as the disuniting of America or will we embrace a more inclusive re definition of our national identity As the nation s preeminent scholar of multicultural studies Ronald Takaki invites us to address this question by debating diversity The overarching theme of his new anthology is the clash of perspectives over the master narrative of American history the powerful but mistaken story that this country was settled by European immigrants and that Americans are white The collection opens with the lively intellectual exchange between Nathan Glazer and Ronald Takaki on ethnicity versus race it then turns to the contrasting interpretations of the frontier by Frederick Jackson Turner and Takaki Other debates include Samuel P Huntington and Elizabeth Martinez on the diversity of civilizations Irving Kristol and William Julius Wilson on inner city blacks Robert J Samuelson and Gregory Defreitas on Mexican immigration Governor Pete Wilson and Chancellor Chang lin Tien on affirmative action and James Q Wilson and Elliott Currie on crime and punishment The anthology closes with a debate between Arthur Schlesinger Jr and Takaki on whether we as Americans should pursue a vision of our society as a melting pot or as a multicultural democracy Embedded in all of the essays is the question Originating from different shores can we become one people of the United States of America An ideal text for diversity courses in Ethnic Studies Political Science American Studies History Sociology Anthropology and Education *Debating Diversity* will stir students to think critically about who we have been and who we are as Americans *Encyclopedia of Diversity and Social Justice* Sherwood Thompson, 2014-12-18 The Encyclopedia of Diversity and Social Justice contains over 300 entries alphabetically arranged for straightforward and convenient use by scholars and general readers alike This reference is a comprehensive and systematic

collection of designated entries that describe in detail important diversity and social justice themes Thompson assisted by a network of contributors and consultants provides a centralized source and convenient way to discover the modern meaning richness and significance of diversity and social justice language while offering a balanced viewpoint This book reveals the unique nature of the language of diversity and social justice and makes the connection between how this language influences negatively and positively institutions and society The terms have been carefully chosen in order to present the common usage of words and themes that dominate our daily conversations about these topics Entries range from original research to synopses of existing scholarship These discussions provide alternative views to popular doctrines and philosophical truths and include many of the most popular terms used in current conversations on the topic from ageism to xenophobia This reference covers cultural social and political vernacular to offer an historical perspective as well With contributions from experts in various fields the entries consist of topics that represent a wider context among a diverse community of people from every walk of life

Worlds Apart Scott Sernau, 2006 The Second Edition of *Worlds Apart Social Inequalities in a Global Economy* focuses primarily on social inequalities in the American context It is the only undergraduate text that provides a sociological framework for analyzing inequality within U S society as well as analyzing the relationship between global stratification systems and internal systems of inequality Author Scott Sernau places each issue and dimension of inequality in the context of a changing global economy

Crime, Violence and Minority Youths Becky Tatum, 2017-11-22 This title was first published in 2000 Mainstream criminology has devoted little attention to minority perspectives in crime and violence Criminologists who have examined minority perspectives have addressed the issue in a cursory manner providing only brief summaries of the propositions of the perspective This book provides a comprehensive examination of one minority perspective on crime the colonial model Specifically the book discusses how the colonial model applies to African and Hispanic Americans and what the perspective adds to mainstream theorizing It further discusses the limitations of the perspective revises the perspective to improve theoretical validity and subjects the revised perspective to empirical validation Preliminary findings suggest that the colonial model is more effective in explaining African American delinquency

After the Fall Richard Gray, 2011-05-06 *After the Fall* A common refrain heard since the collapse of the World Trade Center towers on September 11 2001 is that everything has changed *After the Fall* presents a timely and provocative examination of the impact and implications of 9 11 and the war on terror on American culture and literature Author Richard Gray widely regarded as the leading European scholar in American literature reveals the widespread belief among novelists dramatists and poets as well as the American public at large that in the post 9 11 world they are all somehow living after the

fall He carefully considers how many writers faced with what they see as the end of their world have retreated into the seductive pieties of home hearth and family and how their works are informed by the equally seductive myth of American exceptionalism As a counterbalance Gray also discusses in depth the many writings that get it right transnational and genuinely crossbred works that resist the oppositional and simplistic us and them Christian and Muslim language that has dominated mainstream commentary These imaginative works Gray believes choose instead to respond to the heterogeneous character of the United States as well as its necessary positioning in a transnational context After the Fall offers illuminating insights into the relationships of such issues as nationalism trauma culture and literature during a time of profound crisis

Reducing Prejudice and Discrimination Stuart Oskamp, 2013-05-13 Finding ways to reduce prejudice and discrimination is the central issue in attacking racism in our society Yet this book is almost unique among scientific volumes in its focus on that goal This important book combines critical analysis of theories about how to reduce prejudice and discrimination with cutting edge empirical research conducted in real world settings as well as in controlled laboratory situations This book's outstanding contributors focus on a common set of questions about ways to reduce intergroup conflict prejudice and stereotyping They summarize their own research as well as others interpret the conclusions and suggest implications concerning the practical methods that have been or could be used in programs aimed at reducing intergroup conflict The chapters present solidly based critical analyses and research findings in clear reader friendly prose This book evolved from the Sixteenth Annual Claremont Symposium on Applied Social Psychology Each Symposium in the series concentrates on a single area in which social psychological knowledge is being applied to the resolution of a current social problem Ideal for teachers social workers administrators managers and other social practitioners who are concerned about prejudice and discrimination this book will also serve as a valuable foundation of knowledge in courses that examine this topic
