journalism Raines brings to light a conspiracy that sought to undermine the accomplishments of these renegade southerners a key component of the Lost Cause effort to restore glory to white southerners after the war even at the cost of the truth In this important new contribution to our understanding of the Civil War and its legacy Raines tells the thrilling tale of the formation of the First Alabama while exposing the tangled web of how its wartime accomplishments were silenced implicating everyone from a former Confederate general to a gaggle of Lost Cause historians in the Ivy League and a sanctimonious former keeper of the Alabama state archives By reversing the erasure of the First Alabama Silent Cavalry is a testament to the immense power of historians to destroy as well as to redeem     The Literary World ,1881     *American Almanac and Treasury of Facts, Statistical, Financial, and Political, for ... 1878-89* Ainsworth Rand Spofford,1883     Literary News ,1883
