**Hagar's reparation** Edith Cornforth,1886      **Construction of Gender and Identity in Genesis** Karalina Matskevich,2019-01-24 Karalina Matskevich examines the structures that map out the construction of gendered and national identities in Genesis 2 3 and 12 36 Matskevich shows how the dominant Subject the androcentric ha adam and the ethnocentric Israel is perceived in relation to and over against the Other represented respectively as female and foreign Using the tools of narratology semiotics and psychoanalysis Matskevich highlights the contradiction inherent in the project of dominance through which the Subject seeks to suppress the transforming power of difference it relies on for its signification Thus in Genesis 2 3 ha adam can only emerge as a complex Subject in possession of knowledge with the help of woman the transforming Other to whom the narrator and Yahweh attributes both the agency and the blame Similarly the narratives of Genesis 12 36 show a conflicted attitude to places of alterity Egypt the fertile and seductive space that threatens annihilation and Haran the mother s land a complex metaphor for the feminine The construction of identity in these narratives largely relies on the symbolic fecundity of the Other      **The Minor Prophets** John Gifford Bellett,2015-02-14 The Minor Prophets Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah Malachi Other BooksShort Meditations on the Psalms The Son of God Notes from meditations on Luke Showers on the Grass      **Changing Perspectives 1** John Van Seters,2014-10-03 The volume brings together forty years of agenda setting scholarship in Israelite and Judean history The historical essays gathered here were among the first to raise serious questions about the patriarchal age the exodus from Egypt and the conquest of Canaan and the temple of Solomon The literary essays on the Pentateuch challenged both the classical Documentary Hypothesis and the more recent modifications that support the notion of an extensive Deuteronomistic redaction of the Pentateuch The final set of essays examines biblical notions of patriarchal religion myths of human origin and the legendary origins of Passover within a broad comparative context      Racial, Ethnic, Gender and Class Representations in Margaret Laurence's Writings Andreea Topor-Constantin,2013-07-26 Racial Ethnic Gender and Class Representations in Margaret Laurence s Writings is a study on Canada Canadian literature and Margaret Laurence s works in particular thus addressing various kinds of readership This book avoids the danger of limiting the approach to solely focusing attention on Canada by presenting a thorough analysis of various literary genres allowing the book to be of interest to all literature lovers Furthermore the book explores the parallelism between life and fiction emphasising Laurence s biographic and realist elements and their influence on the writer s fictional writing revealing real and imaginary worlds which would appeal to anybody s literary needs This major contribution to the already existent criticism of Margaret Laurence s works lies in the analysis of her work as an entity balancing both terms of the common binary oppositions fiction versus non fiction Africa versus Canada white versus Black or Metis In spite of critical comments which might be raised

Andreea Topor Constantin comments on how the voice of the marginal makes itself heard throughout the author's books underlying Laurence's emphasis on characterisation and her genuine concern for people This book covers all aspects of Laurence's life and fiction from the African to the writer's Canadian background from adults to children's literature from novels to short stories from essays to letters in order to challenge readers' perceptions of race ethnicity gender and class

**Margaret Laurence's Epic Imagination** Paul Comeau, 2005-12-23 Although at times painfully insecure about her creative ability and achievement Margaret Laurence nevertheless remained fiercely loyal to her artistic vision an archetypal vision of loss exile and redemption that sought comprehensive expression in the epic mode that shapes the Bible Dante's Divine Comedy Milton's Paradise Lost and ultimately the Manawaka world of Hagar Shipley Rachel Cameron Stacey MacAindra and Morag Gunn Paul Comeau traces the development of Margaret Laurence's epic voice from its tentative beginnings in her African fiction to its culmination in the epic Manawaka Cycle a Dantesque journey through an infernal state of self-destructive pride out of a purgatorial paralysis of self-doubt and on to a kind of paradisaic fulfillment in self-knowledge Laurence discovered in epic a fitting mode at once to requite her debt to the ancestors and to break free of their influence to portray the world through the sight of her own eyes In so doing she became the enduring epic voice of a country and a generation

*The Birth Report Genre in the Hebrew Bible* Timothy D. Finlay, 2005 Timothy D. Finlay conducts a comprehensive analysis of all birth reports in the Hebrew Bible These passages include genealogies stories of annunciation to barren women and prophetic narratives The birth reports may be short but they contribute greatly to the plot

**JACKET** The Logic of Incest Seth Daniel Kunin, 1995-01-01 *Rape Culture, Purity Culture, and Coercive Control in Teen Girl Bibles* Caroline Blyth, 2021-02-10 In this fascinating book Caroline Blyth takes a close look at Bibles marketed to teen girls and asks how these might perpetuate harmful gender stereotypes that lie at the heart of rape culture The author considers the devotionals commentaries and advice sections placed throughout these Bibles which offer teen girl readers life advice on topics such as friendships body image and how to navigate romantic relationships Within these discussions there is a strong emphasis on modesty purity and sexual passivity as markers of young women's godliness Yet as the author argues these gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control

Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest to those studying the Bible religion gender and theology as well as the general reader

*Encyclopedia of Judaism* Sara E. Karesh, Mitchell M. Hurvitz, 2005 An illustrated A to Z reference containing over 800 entries providing information on the theology people historical events institutions and movements related to the religion of Judaism Legal Friction Gershon Hepner, 2010 *Legal Friction* Law Narrative and Identity Politics in Biblical Israel tracks the mystery of

narratives in the Hebrew Bible and their allusions to Sinai laws by highlighting intertextual allusions created by verbal resonances While the second and the third parts of the volume illustrate allusions to Sinai narratives made by some narratives occurring in the post Sinaitic era twenty three Genesis narratives are analyzed to show that the protagonists were bound by Sinai Laws before God supposedly gave them to Moses anticipating the Book of Jubilees Legal Friction suggests that most of Genesis was composed during or after the Babylonian exile after the codification of most Sinai laws which Genesis protagonists consistently violate The fact that they are not punished for these violations implies to the exiles that the Sinai Covenant was unconditional In addition the author proposes that Genesis contains a hidden polemic encouraging the Judean exiles to follow the revisions of laws of the Covenant Code by the Holiness Code and Deuteronomy Genesis narratives like those describing post Sinai events often cannot be understood properly without recognition of their allusions to biblical laws
