From Israel To Damascus The Painful Road Of Blood Betrayal And Deception:

From Israel to Damascus Robert M. Hatem, 1999 **Rise and Kill First** Ronen Bergman, 2019-07-09 NEW YORK TIMES BESTSELLER The first definitive history of Israel's targeted killing programs which have shaped the Israeli nation the Middle East and the larger world from the man hailed by David Remnick as arguably Israel's best investigative reporter An exceptional work a humane book about an incendiary subject full of shocking moments surprising disturbances in a narrative full of fateful twists and unintended consequences The New York Times WINNER OF THE NATIONAL JEWISH BOOK AWARD IN HISTORY ONE OF THE TEN BEST BOOKS OF THE YEAR Jennifer Szalai The New York Times A BEST BOOK OF THE YEAR The Economist The New York Times Book Review BBC History Magazine Mother Jones The Talmud says If someone comes to kill you rise up and kill him first This instinct to take every measure even the most aggressive to defend the Jewish people is hardwired into Israel's DNA From the very beginning of its statehood in 1948 protecting the nation from harm has been the responsibility of its intelligence community and armed services and there is one weapon in their vast arsenal that they have relied upon to thwart the most serious threats Targeted assassinations have been used countless times on enemies large and small sometimes in response to attacks against the Israeli people and sometimes preemptively In this page turning eye opening book journalist and military analyst Ronen Bergman praised by David Remnick as arguably Israel's best investigative reporter offers a riveting inside account of the targeted killing programs their successes their failures and the moral and political price exacted on the men and women who approved and carried out the missions Bergman has gained the exceedingly rare cooperation of many current and former members of the Israeli government including Prime Ministers Shimon Peres Ehud Barak Ariel Sharon and Benjamin Netanyahu as well as high level figures in the country's military and intelligence services the IDF Israel Defense Forces the Mossad the world's most feared intelligence agency Caesarea a Mossad within the Mossad that carries out attacks on the highest value targets and the Shin Bet an internal security service that implemented the largest targeted assassination campaign ever in order to stop what had once appeared to be unstoppable suicide terrorism Including never before reported behind the curtain accounts of key operations and based on hundreds of on the record interviews and thousands of files to which Bergman has gotten exclusive access over his decades of reporting Rise and Kill First brings us deep into the heart of Israel's most secret activities Bergman traces from statehood to the present the gripping events and thorny ethical questions underlying Israel's targeted killing campaign which has shaped the Israeli nation the Middle East and the larger world **The Conscience of Lebanon** Mordechai Nisan, 2004-08-02 This work is a combination of an account of Lebanese personality Etienne Sakr with a penetrating analysis of the historical and religious contours of Lebanon **The Secret War with Iran** Ronen Bergman, 2008-09-09 For twenty six years Iran has waged an international terrorist war while the intelligence services of the West led by Mossad and the CIA have waged a relentless mostly clandestine counter jihad in return Though Iran has become a quietly looming threat little has been

revealed about this intelligence based war Now Ronen Bergman Israel s leading reporter and analyst of intelligence affairs has written a full account of this secret war He connected the dots of the long history of Iranian backed terrorist attacks and revealed for the first time many classified operations against the Iranian terrorist network including details about collaborations between Israel s Mossad and the CIA and FBI thrilling Mossad operations the successful recruitment of top insiders of Iranian intelligence who have disclosed a wealth of information about Iran s nuclear program as well as its terrorist activities and the use of ultra sophisticated surveillance equipment to penetrate and damage Iranian targets From the Iranian proxy Hizbollah s planning of terrorists attacks from apartments in New York City to Iran s training of an army of work Iraqi insurgents in the techniques of suicide bombing and the making of improvised explosive devises he showed Iran has steadily waged war against the West **Syria's Terrorist War on Lebanon and the Peace Process M.**

Deeb,2003-07-03 This study demonstrates that Syria s role in the Middle East has been since 1974 an unabated terrorist war against all attempts to resolve peacefully the Arab Israeli conflict Marius Deeb provides evidence that Syria s role in Lebanon since 1975 has been to perpetuate the conflict among the various Lebanese communities in order to keep its domination of Lebanon The Ghosts of Martyrs Square Michael Young,2010-04-13 Not since Thomas Friedman s From Beirut to Jerusalem in 1989 has a journalist offered such a poignant and passionate portrait of Lebanon a uniquely pluralist Arab country struggling to defend its viability in a turbulent and treacherous Middle East Michael Young who was taken to Lebanon at age seven by his Lebanese mother after the death of his American father and who has worked most of his career as a journalist there for American publications brings to life a country in the crossfire of invasions war domestic division incessant sectarian scheming and often living in fear of its neighbors Young knows or has known many of the players politicians writers and religious leaders A country riven by domestic tensions that have often resulted in assassinations under the considerable sway of Hezbollah in alliance with Iran and Syria frequently set upon by Israel and Syria nearly destroyed by civil war Lebanon remains an exception among Arab countries because it is a place where liberal instincts and tolerance struggle to stay alive An important and enduring symbol Lebanon was once the outstanding example of an almost democratic society in an inhospitable dangerous region a laboratory both for modernity and violence as a Lebanese intellectual who was later assassinated once put it Young relates the growing tension between a domineering Syria and a Lebanese opposition in which charismatic leader and politician Rafiq al Hariri was assassinated and the Independence Intifada the Cedar Revolution broke out His searing account of his country s confrontation with its domestic and regional demons is one of hope found and possibly lost In this stunning narrative Young tells us what might have been his country s history and what it may yet be

The Fate of Third Worldism in the Middle East Rasmus C. Elling,Sune Haugbolle,2024-01-04 In the latter half of the twentieth century a revolutionary idea promised to upend the global order Anti imperialist militancy bolstered by international solidarity would lead to not only the national liberation of oppressed peoples but universal emancipation

shattering the division between the prosperous nations of the capitalist West and the poorer countries of the Global South. The idea was Third Worldism and among others it inspired struggles in Iran and Palestine. By the early 1980s however progressive visions of independence and freedom had fallen to the reality of an oppressive Islamic theocracy in Iran while the Palestinian Revolution had been eclipsed by civil war in Lebanon, Israeli aggression and intra Arab conflict. This thought provoking volume explores the dramatic decline of Third Worldism in the Middle East. It reveals the lived realities of the time by focusing on the key protagonists from student activists to guerrilla fighters and from volunteer nurses to militant intellectuals and juxtaposes the Iranian and Palestinian cases to offer a riveting re examination of this defining era. Ultimately it challenges us to reassess how we view the end of the long 1960s prompting us to reconsider perennial questions concerning self determination, emancipation, change and solidarity.

Memorials and Martyrs in Modern Lebanon Lucia Volk, 2010-10-21

Lebanese history is often associated with sectarianism and hostility between religious communities but by examining public memorials and historical accounts Lucia Volk finds evidence for a sustained politics of Muslim and Christian co existence. Lebanese Muslim and Christian civilians were jointly commemorated as martyrs for the nation after various episodes of violence in Lebanese history. Sites of memory sponsored by Maronite, Sunni, Shiite and Druze elites have shared the goal of creating cross community solidarity by honoring the joint sacrifice of civilians of different religious communities. This compelling and lucid study enhances our understanding of culture and politics in the Middle East and the politics of memory in situations of ongoing conflict.

Civil War and Narrative Karine Deslandes, Fabrice Murlon, Bruno Tribout, 2017-10-24

This book explores the representation of intra state conflicts. It offers a

distinctive approach by looking at narrative forms and strategies associated with civil war testimony historiography and memory The volume seeks to reflect current research in civil war in a number of disciplines and covers a range of geographical areas from the advent of modern forms of testimonies history writing and public remembering in the early modern period to the present day In focusing on narrative broadly defined the contributors not only explore civil war testimonies historiography and memory as separate fields of inquiry but also highlight the interplay between these areas which are shown to share porous boundaries Chapters look at the ways in which various narrative forms feed off each other be they oral written or visual narratives personal or collective accounts or testimonies from victims or perpetrators

Iran's Shadow Weapons Jonathan W. Hackett, 2025-07-01 Surveillance assassination and war by proxy all ingredients for an unending disaster that never seems to end for those exposed to the wrath of the Islamic Republic of Iran Despite the prevalence of these and other malign acts few observers understand why and how the regime chooses these tools of fear and disruption Even fewer can foil them In this first work of its kind the author draws upon two decades of experience to lay bare the calculus structure and execution of Iran's foreign intelligence activities covert actions and unconventional warfare operations This book reveals how the regime's shadowy work is driven by a warring mixture of rampant paranoia unshakable greed and cold rationality He meticulously reveals a policy toolkit wielded for self interest and survival supported by strategies to eliminate opposition figures stifle dissent and promote defense in depth around Iran Before any others the Iranian people are simultaneously the regime's greatest source of insecurity and its chief target in a series of policies taking hold since 1979 Pax Syriana Rola El-Husseini, 2012-12-05 Pax Syriana provides readers with a broad picture of what has changed and what has failed to change in the Lebanese political system after the end of the civil war

Sharon Anita Miller, Jordan Miller, Sigalit Zetouni, 2005-08-01 Ariel Sharon Israel's former Prime Minister was perhaps one of the most controversial public figures in the Mideast He was born in 1928 in a moshav an agricultural community in which unlike a kibbutz residents own their own property and was raised by parents who were not only ardent Zionists but also rugged individualists His father especially was contemptuous of socialism and believed in individual enterprise raising his son to be self reliant and physically strong in order to prepare him for the inevitable struggle to establish a Jewish state Sharon was perhaps best known as the organizer of what was called Commando Unit 101 and for his original ideas for the training of commando forces which he later adapted to the training of larger more traditional armies During his military career he personally led many raids into Arab territory and has been criticized for his role in the destruction in 1953 of some forty Arab homes which he insisted he thought were empty and in which sixty nine Arabs died Later in 1982 he was blamed also for allowing the Lebanese Christian Militia into a Palestinian refugee camp in which hundreds were killed His political career was of course indelibly colored by his military exploits What made Sharon tick What kind of a man was he How did his childhood and early life condition him to become a brilliant commander controversial soldier and an as yet untested leader of

a small democracy which is divided both within and without This first biography in English frank but balanced will perhaps answer some of the questions raised by his career both as a soldier and politician Examining Political Violence David Lowe, Austin Turk, Dilip K. Das, 2013-12-13 A collection of works some previously published as articles in the journal *Police Practice and Research* this book provides both conceptual analysis and case studies exploring historical and sociopolitical contexts of conflicts in order to help readers better understand these themes The book defines the concepts of terrorism and radicalization discusses countering terrorism through intelligence gathering and examines different policing models The conclusions drawn from these findings may assist in combating terrorism and political violence around the world This book is a co publication with the International Police Executive Symposium IPES The Nation ,1999-07 **Der Schattenkrieg** Ronen Bergman, 2018-01-22 Von der Staatsgründung Israels bis heute die erste umfassende Geschichte der geheimen T tungskommandos des Mossad Mordanschläge die dem israelischen Geheimdienst Mossad zugeschrieben werden sorgen immer wieder für Aufsehen Doch der Hintergrund dieser Aktionen war bislang kaum etwas bekannt In seinem packend geschriebenen Enthüllungsbuch deckt der israelische Geheimdienstexperte Ronen Bergman nun erstmals die ganze Dimension eines Schattenkriegs auf der seit Jahrzehnten im Geheimen ausgetragen wird Er beschreibt die Erfolge und Misserfolge der zum Teil unbekannten Attentate benennt Opfer Täter und Verantwortliche und fragt welchen Preis Staat und Gesellschaft in Israel für ihre Sicherheit bezahlen Covertaction Quarterly ,2002 *Восстань и убей первым. terrorist attacks on American soil and renewed violence in the West Bank and elsewhere in the Middle East In *The High Cost of Peace* terrorism expert Yossef Bodansky uncovers the bitter legacy of a peace process that has cost tens of thousands of lives emboldened such outlaw countries as Iran and Iraq enriched Arab militaries with billions of U S dollars and mobilized an underground network of terror cells around the globe He reveals in engrossing detail the political undercurrents and secret deals that have shaped and destabilized the region the confluence of events leading up to September 11 and the inside story of a dangerous quest for peace that has led to a war unlike any the Middle East has seen before the details of which rarely make the anti Israeli tinged evening news You will discover Why Arafat said in 1972 of the Palestinian aggression against Israel Peace for us means the destruction of Israel and nothing else How President Clinton s zeal for peace was motivated by his desire to divert national attention away from his domestic scandals and why his administration completely ignored the growing threat of militant Islamism What secret preparations and military build up Saddam Hussein ordered for the next war with and terrorist strikes against the United States and Israel And many more shocking revelations At the heart of the failed peace negotiations is the utopian notion that Israel s militant enemies even want peace This book proves once and for all how the United States is put in perpetual danger of terrorist attack because of its repeated blunders in dealing with the Arab world and the vital contributions of Israel America s staunchest ally in this turbulent region to U S security interests Meanwhile as many Arab leaders play to American and European news cameras with empty promises of peace they are secretly conspiring with terrorists to fulfill their ultimate goal the complete annihilation of the Israeli state
