Forthcoming Books Rose Army,1990

For the Souls of Black Folks Cari Jackson,2013-05-21 For the Souls of Black Folks examines the impact of black religious culture in shaping the ethical values and sociopolitical condition of U S blacks The book reviews the nexus of theological traditions and historical factors that have formed black churches as environments where preachers serve as the moral compass for black churchgoers For the Souls of Black Folks builds upon the work of sociologist W E B Du Bois who highlighted the presence of a double consciousness in the collective psyche of blacks stemming from racial oppression The book explores the ways in which that double consciousness often reflected in black preaching socializes black Christians to subjugate their own moral authority to that of black preachers The central argument is that this socialization to submit to preachers greatly underserves black churchgoers in developing and exercising their own power and authority as social agents and thus significantly impedes the full sociopolitical liberation of all blacks The book offers important new preaching strategies that more effectively facilitate the empowerment of blacks as critical agents of social transformation and healing in the twenty first century

Monsters, Sorcerers, and Witches of Northwestern Europe Letizia Vezzosi ,2025-04-30 This volume presents the first results of the PRIN 2022 research project involving the universities of Siena Turin Naples L Orientale and Florence It examines how otherness was constructed in non canonical vernacular texts addressed to popular audiences in Northwestern Europe from the late Middle Ages to the early modern period The essays explore how theological

and demonological ideas were absorbed and reshaped through exempla street literature chronicles and sermons often featuring magical wondrous or witch like figures Special attention is given to the gendered portrayal of women and to the interplay between elite and popular discourses in shaping perceptions of marginality *Publishers Trade List Annual, 1992*,1992 **Super Easy Sermons** Dr. Katrina Jordan,2016-02-25 Thank you for your purchase of this book which is the fulfilment of a dream I have had for many years More importantly thank you for your interest in sharing the Word with little ones Not everyone can minister to children it is a calling and is not for the faint of heart As an educator and a person who has ministered to the youngest of us for many years I can tell you that there is also no age group that will give you more joy or more fulfilment Mark 10 15 tells us Truly I tell you anyone who will not receive the kingdom of God like a little child will never enter it NIV There is a reason for that no one believes to the extent that a child does They have not been jaded by life and they dont know that all is not right with the world It is this faith and belief that makes working with them so meaningful Remember they might not remember what you say but they will always remember how you made them feel Make them feel the love of God **The Skeptic's Defense Against All Christian Or Other Priests** Caleb Marshall Landers,1895 **Subject Guide to Books in Print** ,1993 *The Works of Saint Augustine: v. 1.
