From My Heart to Yours Bertha Badgett, 2015-05-28 A collection of poems written from the heart Inspired by thoughts feelings and prompting from the Holy Spirit A look inside the heart of one given to the heart of many **From My Heart to Yours** Rose Marie Rideout, 2005 From My Heart To Yours was written as an inspiration of all who were a part of my life and how we came to understand and love each other My words have helped me through some tough times and I hope they are encouraging to others as well These words were written from my heart and I offer them to you today I have spent countless hours putting my love understanding and care into this special book of poetry The love has been shared not only with family but with so many wonderful friends on my journey through life The hurt that I have felt when I've had to leave them behind and the ones I have come to cherish so much in my life I believe that true understanding and love have to start deep within the heart It has to be felt and I am sure as you read my words that come from my heart that you will feel it too **From My Heart to Yours** Janet E.
