From A Spanish Prison:

From a Spanish Prison - Eva Forest, 1975 **Spanish Prisons** Arthur Griffiths, 2021-05-19 In *Spanish Prisons* Arthur Griffiths presents a vivid and haunting exploration of the Spanish penitentiary system during the late 19th century. This work is characterized by its incisive literary style, blending personal narrative with socio-political commentary. The book is steeped in the context of Victorian attitudes towards crime and punishment, offering a critical examination of national identity and justice in Spain as seen through Griffiths' detailed firsthand accounts. Rich in descriptive imagery and poignant observations, Griffiths unveils the harsh realities of life behind bars, illuminating both the brutality of the institutions and the resilience of the human spirit. Arthur Griffiths, a British writer and prison reformer, drew upon his extensive travels and experiences in different penal systems to craft this compelling narrative. His personal encounters with inmates and prison officials provide a unique lens through which he interprets the complexities of crime, rehabilitation, and societal judgment. Griffiths' background in both journalism and literature imbues the text with an investigative rigor and emotional depth, making it a cornerstone in the discourse surrounding penal reform during the era. *Spanish Prisons* is an essential read for those interested in the interplay of literature, social justice, and historical inquiry. Scholars, historians, and general readers alike will find Griffiths' insights into the nature of confinement and human rights both pertinent and provocative, offering timeless reflections on the structure of justice and the capacity for change. *Prison Conditions in Spain* Joanna Weschler, Alejandro Miguel Garro, 1992

A Letter to the Earl of Roden Sir afterwards EARDLEY SMITH (Culling Eardley), 1863 **Ethical Issues in Prison Psychiatry** Norbert Konrad, Birgit Völlm, David N. Weisstub, 2013-08-23 Recent surveys demonstrate a high and possibly increasing prevalence of mental disorders in prisoners. They have an increased risk of suffering from a mental disorder that transcends countries and diagnoses. Ethical dilemmas in prison psychiatry arise from resource allocation and include issues of patient choice and autonomy in an inherently coercive environment. Ethical conflicts may arise from the dual role of forensic psychiatrists, giving rise to tensions between patient care and protection of the public. This book describes models and ethical issues of psychiatric healthcare in prison in several countries. Relevant issues are the professional medical role of a psychiatrist and/or psychotherapist working in prison, the involvement of psychiatrists in disciplinary or coercive measures, consent to treatment, the use of coercion in forcing a prisoner to undergo treatment, hunger strike, confidentiality. The book ends with consensus guidelines concerning good practice in Prison Psychiatry. [Europe in Prisons](#) Tom Daems, Luc Robert, 2017-11-06 This volume explores the role that European institutions have come to play in regulating national prison systems. The authors introduce and contribute to advancing a new research agenda in international penology. *Europe in prisons* which complements the conventional comparative approach to prisons in Europe. The chapters examine the impact, if any, that institutions such as the European Committee for the Prevention of Torture and Inhuman or Degrading Treatment or

Punishment and the European Court of Human Rights have had on prison policy throughout Europe With contributions from a wide range of countries such as Albania Austria Belgium Ireland Norway and Spain this edited collection offers a wide ranging and authoritative guide to the effects of European institutions on prison policy **Ghosts of Spain** Giles Tremlett,2008-03-13 An eloquent odyssey through Spain s dark history journeys into the heart of the Spanish Civil War to examine the causes and consequences of a painful recent past as well as its repercussions in terms of the discovery of mass graves containing victims of Franco s death squads and the lives of modern day Spaniards Reprint **Reports from Committees of the House of Commons** Great Britain. The Global Impact of the COVID-19 Pandemic on Institutional and Community Corrections James M. Byrne,Don Hummer,Sabrina S. Rapisarda,2021-07-07 The authors of the chapters included in this volume provide preliminary answers to questions such as How extensive were COVID 19 outbreaks in prisons jails and community corrections systems globally Which regions and countries reported the largest outbreaks Why were prisons and jails found to be hot spots for the spread of COVID 19 in most countries How did governments initially respond to COVID 19 outbreaks in their corrections systems Did the mitigation strategies used in each country reduce the spread of the infection in the corrections system both in prisons and jails and in community corrections Did the corrections focused mitigation strategies used in each country have a positive or an adverse impact on public health and public safety How likely is it that the varied short term mitigation strategies implemented by governments will result in long term changes in corrections policies and practices The book includes three chapters examining the global impact of the COVID 19 outbreaks six regional overviews and 27 country specific reviews including reviews targeting 21 of the 50 largest prison systems globally This collection will be an excellent resource for researchers policymakers practitioners and the general public interested in knowing more about the nature and extent of COVID 19 outbreaks in corrections systems globally and about the diversity of responses developed and implemented by governments from each global region The chapters in this book were originally published as a special issue of the journal *Victims Offenders* *Religion and Prison: An Overview of Contemporary Europe* Julia Martínez-Ariño,Anne-Laure Zwilling,2020-07-07 This volume offers a European overview of the management of religious diversity in prisons and provides readers with rich empirical material and a comparative perspective The chapters combine both legal and sociological approaches Coverage for each country includes historical background current penitentiary organization and recent changes or trends In their exploration of legal aspects the contributors look at such factors as the status of prison chaplains and regulations concerning religious practice and religious freedom These include meals prayers and visits The sociological analysis examines religious discrimination in prison church prison relations conversion and proselytism and more The European coverage includes countries for which such information is seldom available The book offers readers a better understanding of governance of religion in prisons This text appeals to students researchers and professionals in the field

Jihadism, Foreign Fighters and Radicalization in the EU Inmaculada Marrero Rocha, Humberto Trujillo

Mendoza, 2018-11-20 Jihadism Foreign Fighters and Radicalization in the EU addresses the organizational and strategic changes in terrorism in Europe as a result of urban jihadism and the influx of foreign fighters of European nationality or residence Examining the different types of responses to the treatment of radicalization and its consequences in the recruitment of young urban fighters and jihadists this book offers a framework for understanding the process of violent radicalization It critically analyses political and legal responses that have taken place within the European framework whilst also examining a series of functional responses from social and behavioural psychology This book then goes on to develop an explanatory model from an economic standpoint exploring the need to adapt the fight against the financing of terrorism to the changes in the sources of financing jihadist cells and foreign fighters Furthermore the volume draws on experience from the prison sector to assess the process of radicalization and the possibilities of intervention Taking an interdisciplinary approach this book will be of great interest to students of terrorism and counter terrorism radicalization European politics radical Islam and security studies

Lawfare Jaume Castan Pinos, Mark Friis Hau, 2022-09-19 This book develops a new conceptualisation of lawfare that recognises the polysemantic nature of the term Drawing on theoretical developments from legal anthropology international relations and social theory the book scrutinises the multiple dimensions of this phenomenon It illustrates the multifaceted character of lawfare with a wide range of historical and contemporary cases from across the globe and analyses the implications of actors pursuing political objectives through legal means This includes the use of lawfare by states as a legal instrument to accomplish geopolitical objectives domestic lawfare or the use of legal instruments to undermine internal opposition and state lawfare used by governments to protect the state from internal territorial secessionist challenges Finally the book shows that lawfare is not exclusively a tool for hegemonic actors as it can also be used by civil society actors that aim to uphold their rights through legal instruments in asymmetric lawfare This book contributes to new developments in lawfare without shying away from controversy acknowledging its sometimes brutal efficacy as well as its potential pitfalls The book will appeal to scholars and students of law international relations political science anthropology and sociology

Feeling Sick: The Early Years of

AIDS in Spain Dean Allbritton, 2023-04-15 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library as part of the Opening the Future project with COPIM The earliest traceable accounts of the AIDS outbreak in Spain began to emerge during its political transition to democracy with small clusters of cases appearing as early as 1981 HIV AIDS would go on to shape Spain throughout its pivotal period as a fledgling democracy underpinning the

cultural explosions of the Movida a sharp rise in intravenous drug use and the struggles of a coalescing LGBT community

Feeling Sick The Early Years of HIV AIDS in Spain examines the cultural history of these early years of HIV AIDS in Spain as it has been told through television and print media ephemeral products of visual culture fiction film and the so called risk groups that lived through the epidemic The book draws on the work of Raymond Williams to characterize this emergent period within a structure of feeling sick and thus defined by discordant voices disagreement and meaning making in a period of history in formation Through close readings of Spanish visual culture and media alongside analysis of historical and medical documents it asserts that a structure of feeling sick begins to coalesce around the emergence of HIV AIDS and traces out a distinctive sense of living through history as it unfolds By critically evaluating a selection of cultural materials this book claims that the earliest years of the HIV AIDS epidemic in Spain reveal common fears about global connectivity the proliferation of vulnerable ties to others and the potential of cultural and physical contaminations Ultimately **Feeling Sick** challenges the dominant narratives in which life and disease are seen as separate and unequal and in which illness is only destructive and devastating An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library as part of the Opening the Future project with COPIM

The Impact of Covid-19 on Prison Conditions and Penal Policy Frieder Dünkel, Stefan Harrendorf, Dirk van Zyl Smit, 2022-04-19

The Impact of COVID 19 on Prison Conditions and Penal Policy presents the results of a worldwide exchange of information on the impact of COVID 19 in prisons It also focuses on the human rights questions that have been raised during the pandemic relating to the treatment of prisoners in institutions for both juveniles and adults worldwide The first part brings together the findings and conclusions of leading prison academics and practitioners presenting national reports with information on the prison system prison population rates how COVID 19 was and is managed in prisons and its impact on living conditions inside prisons and on reintegration programmes Forty four countries are covered many in Europe but also Argentina Brazil Chile Colombia Per Costa Rica Canada the USA Kenya South Africa China India Japan Australia and New Zealand In the second part thematic chapters concentrate explicitly on the impact of the pandemic on the application of international human rights standards in prisons and on worldwide prison population rates The book concludes by drawing out the commonalities and diverging practices between jurisdictions discussing the impact of measures introduced and reflecting on what could be learnt from policies that emerged during the pandemic Particular attention is paid to whether reductionist strategies that emerged during the pandemic can be used to counteract mass incarceration and prison overcrowding in the future Although the book reflects the situation until mid 2021 after the second and during the third wave of the pandemic it is highly relevant to the current situation as the living conditions in prisons did not change significantly during the following waves which showed high infection rates in particular in the general population but increased vaccination rates too In prisons problems the pandemic raises have an even greater impact than for the general society

Revealing many notable and interesting changes in prison life and in release programmes this book is essential reading for students and scholars of penology criminology law sociology and public health It will also appeal to criminal justice practitioners and policy makers
