Plundering the Egyptians John J. Yeo, 2009-11-16 *Plundering the Egyptians* focuses on the study of the Old Testament at Westminster Theological Seminary from 1929 to 1998. More specifically, it presents the lives and academic labors of Robert Dick Wilson (1929-1930), Edward Joseph Young (1936-1968), Raymond Bryan Dillard (1969-1993), and Tremper Longman III (1981-1998). These featured scholars were highly influential in changing the shape of Old Testament studies at Westminster through the introduction of novel scholarly tools and ideas that reveal methodological and theological development. Their individual historical contexts, scholarly contributions, and interactions with historical critical scholarship are presented and analyzed. Modifications in their respective methodologies are highlighted and often indicate significant shifts within the Old Princeton Westminster trajectory from an anti-critical stance toward a position of openness toward historical critical methodology and its conclusions. The implications of these shifts within Westminster are important because they mirror the current changes and challenges in evangelicalism today.

*Foundations of the Gospel* Kuldip Singh Gangar, 2018-01-15 In *Foundations of the Gospel*, Kuldip Singh Gangar challenges prevailing nonliteral readings of Genesis 1:3. Against various old earth views of world origins, Gangar argues that believers can read the Bible at face value and trust the historical accuracy of its account of creation. As the author says, "If at the beginning we cannot take God's Word at face value, then we are left wondering whether other passages should also be read that way or not." Gangar's apologetic commentary provides a defense of young earth creationism, showing how modern concerns are most reliably addressed with traditional biblical interpretation.

**The Wisdom Compass to Eternal Life** Abel Gashe, 2011-07-14 This book is about how the living soul can attain eternal peace and hence eternal life as a living soul would yield it when abiding in the Lord Jesus Christ. Tapping the Lord's Prayer as the authorized spiritual vehicle to communicate with God, this book attests that the name of the Lord Jesus Christ is the foundation, the seal of salvation, and the bearing point to overcome the world. By showing the intrinsic relationship of the invisible with the manifested world, the heavenly and the earthly, this book lucidly defines why the soul should glorify God as an end to life's purpose while seeking righteousness and fulfilling the commandments. By presenting ground-breaking revelations about the spiritual realm and hence the living God through the spiritual compass, this book would help the reader to discern wisdom about how to worship the Lord in truth and spirit, to see the glimpse of eternal life and enjoy eternal peace not as the world offers it but as the Lord Jesus confers it on the living soul.

**The Way of Jesus Christ** Jürgen Moltmann, 1995-08-21 *The Way of Jesus Christ* discusses the following topics: 1. The symbol of the way embodies the aspect of process and brings out Christology's alignment towards its goal. This symbol can comprehend Christ's way from his birth in the Spirit and his baptism in the Spirit to his self-surrender on Golgotha. It also makes it possible to understand the path of Christ as the way leading from his resurrection to his parousia, the way he takes in the Spirit to Israel, to the nations, and into the breadth and depth of the cosmos. 2. The symbol of the way makes us aware that every human Christology is historically

conditioned and limited Every human christology is a christology of the way not yet a christology of the home country a christology of faith not yet a christology of sight So christology is no more than the beginning of eschatology and eschatology as the Christian faith understands it is always the consummation of christology 3 Finally but not least important every way is an invitation A way is something to be followed The way of Jesus Christ is not merely a christological category It is an ethical category too Anyone who enters upon Christ s way will discover who Jesus really is and anyone who really believes in Jesus and the Christ of God will follow him along the way he himself took Christology and christopraxis find one another in the full and completed knowledge of Christ This christology links dogmatics and ethics in closer detail than in the previous volumes

Leithart,2023-12-05 Discussion about God s work of creation are often overwhelmed by questions such as the age of the earth and the relationship between divine creation and evolution Without completely ignoring these issues this rigorously grounded theological interpretation of Genesis 1 engages thinkers like Plato Martin Luther and Karl Barth **Washington News Letter** ,1905 **The Seventh-Day Sabbath and the Christian Doctrine of Redemption** A. M. Simataa,2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore 101 Myths of the Bible Gary Greenberg,2002-09 The truth behind the biblical stories of the Old Testament My Meditation All the Day Adam Springsteen,2023-10-31 The importance of the Word of God cannot be diminished We often fall into a casual state when dealing with the Bible Life gets busy and we live in a world
