Rethinking Economic Policy for Social Justice Radhika Balakrishnan, James Heintz, Diane Elson, 2016-03-31 The dominant approach to economic policy has so far failed to adequately address the pressing challenges the world faces today extreme poverty widespread joblessness and precarious employment burgeoning inequality and large scale environmental threats This message was brought home forcibly by the 2008 global economic crisis Rethinking Economic Policy for Social Justice shows how human rights have the potential to transform economic thinking and policy making with far reaching consequences for social justice The authors make the case for a new normative and analytical framework based on a broader range of objectives which have the potential to increase the substantive freedoms and choices people enjoy in the course of their lives and not on narrow goals such as the growth of gross domestic product The book covers a range of issues including inequality fiscal and monetary policy international development assistance financial markets globalization and economic instability This new approach allows for a complex interaction between individual rights collective rights and collective action as well as

encompassing a legal framework which offers formal mechanisms through which unjust policy can be protested This highly original and accessible book will be essential reading for human rights advocates economists policy makers and those working on questions of social justice *Research Handbook on International Law and Social Rights* Christina Binder, Jane A. Hofbauer, Flávia Piovesan, Amaya Úbeda de Torres, 2020-08-28 This comprehensive Research Handbook offers a comparative overview of the history nature and current status of social rights at the universal and regional level Tracing their evolution from rather modest beginnings to becoming the category of rights responding most accurately to the 21st century's policy objectives of poverty eradication and equitable resource allocation this Research Handbook assesses the mechanisms used to enhance the implementation and enforcement of social rights *Chinese Yearbook of Human Rights, Volume 4* (2006) Sun Shiyan, Bi Xiaoqing, 2023-12-14 The Chinese Yearbook of Human Rights is co sponsored by the United Nations Office of the High Commissioner for Human Rights the Raoul Wallenberg Institute of Human Rights and Humanitarian Law and three institutes under the Chinese Academy of Social Sciences the Institute of Law the Centre for Human Rights Studies and the Centre for International Law Studies The purpose of the Chinese Yearbook of Human Rights is to create a forum for the academic exchange between China and the international community in the field of human rights Accordingly the Yearbook will aim to publish high quality academic articles written by scholars from both China and other countries on human rights issues from perspectives of law philosophy political science history and international relations *Globalization Development and Social Justice* Ann El Khoury, 2015-03-27 Are there existing alternatives to corporate globalization What are the prospects for and commonalities between communities and movements such as Occupy the World Social Forum and alternative economies Globalization Development and Social Justice advances the proposition that another globalization is not only possible but already exists It demonstrates that there are multiple pathways towards development with social justice and argues that enabling propositional agency rather than oppositional agency such as resistance is a more effective alternative to neoliberal globalization El Khoury develops a theory of infraglobalization that emphasizes creative constitution not just contestation of global and local processes The book features case studies and examples of diverse economic practice and innovative emergent political forms from the Global South and North These case studies are located in the informal social economy and community development as well as everyday practices from prefigurative politics to community cooperatives and participatory planning This book makes an important contribution to debates about the prospects for and practices of a transformative grassroots globalization and to critical debates about globalization and development strategies It will be of interest to students and scholars of international relations globalization social movement studies political and economic geography sociology anthropology and development studies *Human Rights: Chinese and Dutch Perspectives* Liu Nanlai, Tao Zhenghua, Fried van Hoof, Jacqueline Smith, Peter R. Baehr, 2023-08-28 This volume contains the papers which were presented at a symposium on human rights held in September 1994 in Beijing and organized within the framework of

an academic programme of co operation between the Chinese Academy of Social Sciences and the Royal Netherlands Academy of Sciences The focal point of most of the papers is the Vienna Declaration and Programme of Action adopted during the 1993 Vienna World Conference on Human Rights which from the perspective of particularly the Chinese participants is considered as marking a new beginning in the field of human rights Taking the Vienna Declaration and Programme of Action as a point of departure the following main themes were the subject of discussion at the symposium and are more or less similarly reflected in the present volume universality versus particularity individual rights versus collective rights national sovereignty and matters of international concern ratification of international treaties **Need-Based**

Distributive Justice Stefan Traub, Bernhard Kittel, 2020-04-29 This book explores the foundations and potential of a theory of need based distributive justice supported by experimental evidence The core idea is that need based distributive justice may have some legitimacy advantages over other important principles of distribution like equality and equity and therefore involves less dispute over the distribution and redistribution of scarce resources In seven chapters eleven scholars from the fields of philosophy psychology sociology political science and economics outline the normative and positive building blocks of such a theory by critically reviewing the literature on distributive justice from their respective disciplinary perspectives They address important theoretical and practical issues concerning the rationality of needs identification at the individual level and the recognition of needs at the societal level They also investigate whether and how the dynamics of distribution procedures that allocate resources according to the need principle leads to social stability focusing on the economic incentives that arise from need based redistribution The final chapter provides a synthesis and outlines a framework for a theory of justice based on ten hypotheses derived from the insights presented The Human Right to Water Malcolm

Langford, Anna F. S. Russell, 2017-10-05 The first book to engage in a comprehensive examination of the human right to water in theory and in practice **Human Rights and Federalism** Luan-Vu N. Tran, 2021-10-25 Deeply rooted in liberal

philosophy of the seventeenth and eighteenth centuries fundamental rights have been traditionally conceived as prohibitions of state interference with the private affairs of citizens Classic liberalism views human freedom generally as the absence of governmental restrictions maintaining that happiness prosperity and progress can be achieved only by limiting government In an increasingly complex world this raises the question as to whether and to what extent laissez faire ideology in particular negative freedom is correct Is the enjoyment of rights possible without state intervention And if not what kinds of positive responsibility does the State have toward its citizens This volume challenges these traditional assumptions by showing that the protection of fundamental rights depends on both restraint and intervention of the State Moreover federalism as the institutional embodiment of cultural diversity apparently stands in opposition to human rights which constitute normative responses to universal moral claims to freedom and well being The common perception views decentralization of power as a threat to the rights of individuals and minority groups because it allegedly makes uniform and equal treatment impossible

this undermines national unity and collides with the concept of universal citizenship The general issue discussed in the book is whether the pursuit of liberty and happiness necessarily excludes the commitment to cultural diversity and local autonomy The study examines the three federated countries Canada Switzerland and the United States with a particular focus on human rights protection and federalism in Canada

The Top Books of the Year Economic And Social Justice A Human Rights Perspective Vol 1 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Economic And Social Justice A Human Rights Perspective Vol 1 : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Economic And Social Justice A Human Rights Perspective Vol 1 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
