Economics Of James Steuart:

The Economics of James Steuart Ramon Tortajada,1999 Addressing all aspects of Steuart s contribution to economics this book reveals the particular importance of his work on monetary issues and highlights ways in which he prepared the ground for a new conception of economic relations

The Economic Thought of Sir James Steuart José M. Menudo,2019-10-11 James Steuart published *An Inquiry into the Principles of Political conomy* in 1767 the first systematic treatise on economics nine years before Adam Smith s *Wealth of Nations* Traditional historiography has tended to disregard and even deny Steuart s oeuvre categorizing him as the last outdated advocate of mercantilist policies in Britain A clear portrait of a modernizing and enlightened Steuart emerges from this book opening up an alternative approach to many key developments in economic theory This book brings together a diverse international team of experts to overturn the advocate of mercantilism myth and explore different interpretations of Steuart s work within the context of the writings of other contemporary authors A diverse range of specialists historians economists political scientist and sociologists reflecting the diversity of James Steuart s work explore various aspects of the life works and influence of James Steuart including his links to other authors who conceive as Steuart did the economic system of natural liberty as an artificial creation The portrait of a demarginalized modernizing and enlightened Steuart emerges clearly in this book This book is not reduced to old authors whose ideas would be at the Museum of Dead Ideas it has a very contemporary resonance The subjects and the way Steuart tackles them could have a big influence on future authors who recognized some advantages of an alternative approach to many key developments in economic theory This will also be of interest to scholars of history of economic thought intellectual history and 18th century history
