Ecstatic Almanac:

Almanacs Alan S. Weber, 2017-03-02 Almanacs were highly influential on popular opinion during the early modern period. They were the least expensive kinds of books and had a practical use as a calendar, literary miscellany, weather guide, and advertising medium. The almanacs in this volume contribute to our understanding of women's participation in popular culture, astrology, medicine, and prophecy. Sarah Jinner's almanacs for the years 1658, 1659, and 1664, and Mary Holden's almanacs for 1688 and 1689 show a conscious effort to distance themselves from other female religious prophets of the period by relying on the status of astrology as a rational science. The other works in the volume are all attributed to writers who were probably pseudonymous. Dorothy Partridge's *The Woman's Almanack for the Year 1694* includes several short articles on chiromancy. The *Prophecie of Mother Shipton* concerns the prediction of the deaths of Cardinal Wolsey and Thomas Cromwell. The final works in the volume comprise two texts by Shinkin ap Shone which satirize the Welsh people and language, and *The Woman's Alamanack* by Sarah Ginnor which uses sexual humour to parody the medical advice offered in Jinner's almanacs.

[The Witches' Almanac 2024-2025 Standard Edition Issue 43](#) Andrew Theitic, 2023-11 The *Witches Almanac* is a sophisticated publication appealing to general readers as well as hard core Wiccans. At one level it is a pop reference that will fascinate anyone interested in folklore, mythology, and culture, but at another it is the most sophisticated annual guide available today for the mystic enthusiast. Founded in 1971 by Elizabeth Pepper, the art director of *Gourmet* magazine for many years, *The Witches Almanac* is a witty, literate, and sophisticated publication that appeals to general readers as well as hard core Wiccans. At one level it is a pop reference that will fascinate anyone interested in folklore, mythology, and culture, but at another it is the most sophisticated and wide-ranging annual guide available today for the mystic enthusiast. Modeled after the *Old Farmers Almanac*, it includes information related to the annual Moon Calendar, weather forecasts, and horoscopes, as well as legends, rituals, herbal secrets, mystic incantations, interviews, and many a curious tale of good and evil. Although it is an annual publication, much of the content is both current and timeless, not specific to the date range of each issue. The theme of Issue 43, Spring 2024-Spring 2025, is *Fire Forging Freedom*. Also included are articles on Geomancy, The Lunar Nodes, Azorean Folklore, Kitchen Magic, Soul Cakes, The Trickiest Toad, The Orisha Obatala, and much more.

[Bodies in a Broken World](#) Ann Folwell Stanford, 2004-07-21 In this multidisciplinary study, Ann Folwell Stanford reads literature written by U.S. women of color to propose a rethinking of modern medical practice, arguing that personal health and social justice are inextricably linked. Drawing on feminist ethics to explore the work of eleven novelists, Stanford challenges medicine to position itself more deeply within the communities it serves, especially the poor and marginalized. However, she also argues that medicine must recognize its limits and join forces with the nonmedical community in the struggle for social justice. In literary representations of physical and emotional states of illness and health, Stanford identifies issues related to public health, medical ethics, institutionalized racism, women's health, domestic abuse, and social justice that are important to

discussions about how to improve health and health care She argues that in either direct or indirect ways the eleven novelists considered here push us to see health not only as an individual condition but also as a complex network of individual institutional and social changes in which wellness can be a possibility for the majority rather than a privileged few The novelists whose works are discussed are Toni Cade Bambara Paule Marshall Gloria Naylor Leslie Marmon Silko Toni Morrison Louise Erdrich Sandra Cisneros Bebe Moore Campbell Sapphire Ana Castillo and Octavia Butler *The Ecstatic World of John Cowper Powys* Harald William Fawcner,1986 **Public Ledger Almanacs**,1870 **Catholic Almanac's Guide to the Church** Matthew Bunson,2001-10-31 Your Concise Guide to All Things Catholic No matter what you want to know about the Catholic Church you ll find the answer in this one volume guide From the composition of the Curia to contemporary saints from major doctrines to the Third Secret of Fatima if it s part of the Catholic world it s here The Original Dr. Steve's Almanac of Christian Trivia Steve Wilkens,2007-01-01 Why isn t Easter on the same day every year Where did the song Kum Ba Yah come from and what exactly does it mean Why don t we know exactly how to pronounce God s name What s the definition of those theological words like eschatology hermeneutics supralapsarianism Can I join the Fellowship of Christian Cowboys Who was St Patrick and is it true he wasn t Irish How is it that nearly every hotel room has a Gideon s Bible Steve Wilkens offers answers and reflections on these and scores of other questions in this thoroughly instructional and often amusing almanac of things you should have learned in Sunday School but somehow didn t Also offered are quizzes on famous biblical phrases and definitions of theological terms This volume is thoroughly instructional and totally fun A great gift Market Audience Gift buyers Humour readers Laypeople Endorsements Almanacs are a wonderful American tradition From Benjamin Franklin s Poor Richard s Almanac to The Farmer s Almanac people have been able to count on them to provide useful information helpful hints about everything under the sun and occasional heart warming stories Year after year they enrich our lives Dr Steve s Almanac is not like that GARY W MOON Ph D vice president and chair of integration Psychological Studies Institute and author of Falling for God I kept telling his dad that lead based paint wasn t a very good idea when we repainted his bedroom DR STEVE S MOM Features and Benefits A great gift book Instructional Humorous Packaged in bite sized nibbles **The Ecstasy of Defeat** Editors of The Onion,2011-12-20 The Sports Page As You ve Never Seen It Before From painfully obvious steroid revelations to sex scandals and superstars who announce trades in over the top TV specials the wide world of sports can often seem too ridiculous for words Well attention sports fans In The Ecstasy of Defeat the editors of The Onion offer the laugh out loud funny and long overdue lampoon of sports culture you ve been waiting for Filled with the very best of The Onion s bench clearing sports coverage this book includes such classics as Lip Reading BCS Computer Kills Officials Who Want To Shut It Down Barry Bonds Took Steroids Reports Everyone Who Has Ever Watched Baseball Report Cheap Chinese NBA Players Falling Apart After A Few Seasons Barbaro s Doctors A Horse This Good You Don t Eat All At Once Lance Armstrong Wants To Tell Nation Something But Nation Has To Promise Not To

The Culture of Yellow Sabine Doran, 2013-09-26 This is the first book to explore the cultural significance of the color yellow showing how its psychological and aesthetic value marked and shaped many of the intellectual political and artistic currents of late modernity It contends that yellow functions during this period primarily as a color of stigma and scandal Yellow stigmatization has had a long history it goes back to the Middle Ages when Jews and prostitutes were forced to wear yellow signs to emphasize their

marginal status Although scholars have commented on these associations in particular contexts Sabine Doran offers the first overarching account of how yellow connects disparate cultural phenomena such as turn of the century decadence the yellow nineties the rise of mass media yellow journalism mass immigration from Asia the yellow peril and mass stigmatization the yellow star that Jews were forced to wear in Nazi Germany The Culture of Yellow combines cultural history with innovative readings of literary texts and visual artworks providing a multilayered account of the unique role played by the color yellow in late nineteenth and twentieth century American and European culture *The Secret History of the Jersey Devil* Brian Regal, Frank J. Esposito, 2019-07-30 A provocative look at the mystery surrounding the Jersey Devil a beast born of colonial times that haunts the corners of the Pine Barrens and the American imagination to this day Legend has it that in 1735 a witch named Mother Leeds gave birth to a horrifying monster a deformed flying horse with glowing red eyes that flew up the chimney of her New Jersey home and disappeared into the Pine Barrens Ever since this nightmarish beast has haunted those woods presaging catastrophe and frightening innocent passersby or so the story goes In *The Secret History of the Jersey Devil* Brian Regal and Frank J. Esposito examine the genesis of this popular myth which is one of the oldest monster legends in the United States According to Regal and Esposito everything you think you know about the Jersey Devil is wrong The real story of the Jersey Devil's birth is far more interesting complex and important than most people believers and skeptics alike realize Leaving the Pine Barrens Regal and Esposito turn instead to the varied political and cultural roots of the Devil's creation Fascinating and lively this book finds the origins of New Jersey's favorite monster not in witchcraft or an unnatural liaison between woman and devil but in the bare knuckled political fights and religious upheavals of colonial America A product of innuendo and rumor as well as scandal and media hype the Jersey Devil enjoys a rich history involving land grabs astrological predictions mermaids and dinosaur bones sideshows Napoleon Bonaparte's brother a cross dressing royal governor and Founding Father Benjamin Franklin **Undaunted Mind** EMERITUS PROFESSOR OF ENGLISH KEVIN J. HAYES, Kevin J. Hayes, 2025-05-14 An exploration of the mind of one of America's most beloved Founding Fathers and most brilliant minds through the books he read and his social circles in the United States and Europe Arguably the most intellectual creative cosmopolitan and curious of the Founding Fathers Benjamin Franklin is the only top tier Founder not to have served as president Despite not becoming the Chief Executive Franklin played an active role in American politics and served the aspiring and young United States in the key European capitals His prodigious reading and appetite for learning are epic As he did in works about Thomas Jefferson and George Washington Kevin J. Hayes interprets the life and mind of Franklin through what he read *Undaunted Mind* tells the story of the development of Franklin's intellect starting with the earliest books he read as a child before examining his formal schooling and his independent study after his father pulled him from school As an apprentice in his brother's printing house Franklin's intellectual life developed through his contact with the Couranteers the group of his brother's friends who contributed to his newspaper and through his attention to his brother

Jeoffry
Oliver Soden, 2020-10-06 An inspired and original tale Jeoffry is the greatest cat in the English language Hilary Mantel Simply unforgettable one of the most beautiful and haunting books of recent times Alexander McCall Smith A heart lifting delight I absolutely loved it A triumph Alexandra Harris Jeoffry was a real cat who lived 250 years ago confined to an asylum with Christopher Smart one of the most visionary poets of the age In exchange for love and companionship Smart rewarded Jeoffry with the greatest tribute to a feline ever written Prize winning biographer Oliver Soden combines meticulous research with passages of dazzling invention to recount the life of the cat praised as a mixture of gravity and waggery The narrative roams from the theatres and bordellos of Covent Garden to the cell where Smart was imprisoned for mania At once whimsical and profound witty and deeply moving Soden s biography plays with the genre like a cat with a toy It tells the story of a poet and a poem while setting Jeoffry s life and adventures against the roaring backdrop of eighteenth century London
