Healthy Church Avoiding And Curing The Nine Diseases That Can Afflict A Church:

Nine Marks of a Healthy Church Mark Dever, 2004 Did you know that FROGS drink through their skin Instead of swallowing water with their mouths frogs absorb moisture through their skin Frogs can also take in oxygen through their skin which helps them breathe better in the water FROGS eat with their eyes closed The eyes help the frog swallow by lowering into its head and pushing the food down its throat FROGS can jump 20 times their own length That s like a human jumping past four school buses in one leap FROGS have sticky tongues Frogs don t use their hands to catch food they just stick out their tongues Flies mosquitoes and other yummy bugs stick to the tip and get pulled into the frog s mouth for dinner SOME FROGS wear camouflage Stripes and spots help frogs blend into their natural surroundings Some frogs can even change color depending on their location or the weather FROGS recycle Frogs shed their skin about once a week Then they eat the old skin to reuse the nutrients stored inside FROGS can live to be 40 years old Most frogs live from 4 to 15 years A FROG wasn t always a frog Every frog starts as a tiny egg that hatches into a tadpole A tadpole has a round head and a tail and lives in the water like a fish The tadpole eats a lot as its body changes and grows new parts After three to four months the tadpole has four legs and no tail and can live on land it has become a frog AWESOME Did you know that you can become a new creature too You may not have a tail and live in the water but God can give you a new life Do you sometimes do things that make you feel bad inside Maybe you were mean to someone at school or told a lie to your parents God calls those bad things sin Everyone is born knowing how to sin and everyone who sins must be punished But God who loves us doesn t want us to sin He wants us to be like Him loving kind and good Just as a tadpole changes into a frog God can help you become more like Him God sent His only Son Jesus to earth to be a human just like us except Jesus never sinned Even so He chose to die so that He could pay the death penalty for our sins Three days after He died God raised Him back to life again Do you want to have a clean new life Then just believe in what Jesus did for you Tell God that you are sorry for your sins and thank Him for sending Jesus to save you The Bible says If anyone is in Christ he is a new creation the old has gone the new has come 2 Corinthians 5 17 God will change you on the inside to make you a totally new creature just like a tadpole changes into a frog To do this you can pray something like this Dear God I am sorry for the bad things I do Thank You for sending Jesus to pay the penalty for my sins Please change me on the inside and help keep me from sin so I can live a clean new life for You Amen If you have just prayed to ask God to change you write your name and address on the lines below and send it to us We will send you a free booklet to help you grow in your new life with Christ **The Healthy Church** C. Peter Wagner, 1996 Oftentimes as we seek health and growth for our churches we overlook the very things that are our potential downfall In *The Healthy Church* renowned church growth specialist Dr C Peter Wagner examines nine diseases that infect churches and can cause spiritual death If we can detect these diseases asserts Wagner and counteract their negative effects we can grow healthy vibrant Christ directed churches If we can detect the negative forces that are operating in our churches the positive

forces tend to take care of themselves The Healthy Church gives you practical advice on how to detect such negative forces and cure the disease before it kills your Body The Facilitator Era Tom Steffen,2011-01-01 Some time ago Ralph Winter brilliantly identified three eras of modern missions Era 1 William Carey focused on the coastlands Era 2 Hudson Taylor focused on the inlands Era 3 Donald McGavran and Cameron Townsend focused on unreached peoples With all the fast and furious changes swirling around us today in twenty first century missions have we entered a Fourth Era If so who are the people primarily involved How are they selected How are they trained How long do they serve Has the Third Era ministry focus reaching the unreached changed If so to what Are there any successful case studies out there Have McGavran and Townsend passed the baton to a new leader s If so to whom This book seeks to answer these and related questions Contributors Dr Ben Beckner Dr Monroe Brewer Dr Don Finley Mike Griffis Dr Gary Hipp MD Jerry Hogshead Kaikou Maisu Judy Manna Kenn Oke Dr A Sue Russell Dr Robert Strauss Peter Swann Bryan Thomas Diane Thomas Dr Mike Wilson Dr Sherwood G Lingenfelter DEVELOPING HEALTHY CHURCHES Kieran Beville,2014-12-10 In an age obsessed with physical and psychological health the author emphasizes the importance of spiritual well being as an essential element of holistic health for the individual Christian and for Christian communities This work constitutes a template for a spiritual audit of the local church It offers an appointment with the Great Physician that no Christian can afford to ignore Developing Healthy Churches A Case Study in Revelation begins with a well researched outline of the origins and development of the church health movement With that background in mind the author aware that throughout the history of the church there have been a number of diverse views about how Revelation ought to be interpreted presents the reader with four distinct interpretive models These are the idealist preterist historicist and futurist Beville explains these interpretive approaches simply and critiques them fairly Revelation is a complex but intriguing book which presents seven letters to the churches of Asia Minor However this easy to read work will take readers to the heart of the matter by taking them to the heart of Jesus The historical and cultural background provides fascinating insights to the meaning of Christ s words to those churches then and to all churches now The author elicits essential application for the church today He presents timeless and timely truths in a fresh and forthright manner The reader is informed about issues of particular historical significance in a way that has contemporary resonance Here is a work that cautions about complacency confronts compromise and challenges the carnality of Christians in contemporary culture Beville tells us not only what Jesus desires from his disciples but also what He demands Thus this work presents uncomfortable truth for comfortable churches because it allows the voice of Jesus to be heard with clarity amongst the clamor of church activity Christians who want to restore their vision and vigor will find this book immensely profitable *How to Increase Giving in Your Church* George Barna,1997 One Body, One Spirit George Yancey,2009-09-20 When the church began an amazing diversity of people from different geographic cultural and linguistic backgrounds gathered together to confess a common faith in Jesus Christ The apostle Paul cast a vision of one body where

Jew and Gentile would worship together in unity The Revelation to John likewise foreshadows an eternal future where all nations will join together at the throne of the Lamb Sadly Christianity has not often lived up to this ideal The history of the church has been marked by continued segregation ethnic strife and racial division But at the dawn of a new millennium hopeful signs of change are emerging As society diversifies local churches find themselves interacting with people from every tribe and tongue But not every church is equipped to handle the realities of ethnic and racial diversity in their congregational life Sociologist George Yancey s groundbreaking research on multiracial churches offers key principles for church leaders who want to minister to people from a variety of racial and cultural backgrounds Insights from real life congregations provide concrete examples of how churches can welcome those who have been marginalized giving people of all heritages a sense of ownership and partnership in the life of the church Based on data from a landmark Lilly Endowment study of multiracial churches across America this volume offers insights and implications for church leadership worship styles conflict resolution and much more Here is an essential resource for pastors and church leaders committed to cultural ethnic and racial reconciliation in their congregations

United by Faith Curtiss Paul DeYoung, Michael O. Emerson, George A. Yancey, 2004 Presents an argument for multiracial Christian congregations in breaking down racial barriers in the United States

A Mosaic of Believers Gerardo Marti, 2009-10-26 Mosaic in southern California is one of the largest and most innovative multiethnic congregations in America Gerardo Marti shows us how this unusual church has achieved multiethnicity not by targeting specific groups but by providing multiple havens of inclusion that play down ethnic differences He reveals a congregation aiming to reconstruct evangelical theology personal identity member involvement and church governance to create an institution with greater relevance to the social reality of a new generation

Transcending Racial Barriers Michael O. Emerson, George A. Yancey, 2011 Despite recent progress against racial inequalities American society continues to produce attitudes and outcomes that reinforce the racial divide In *Transcending Racial Barriers* Michael Emerson and George Yancey offer a fresh perspective on how to combat racial division They document the historical move from white supremacy to institutional racism then look at modern efforts to overcome the racialized nature of our society The authors argue that both conservative and progressive approaches have failed as they continually fall victim to forces of ethnocentrism and group interest They then explore group interest and possible ways to account for the perspectives of both majority and minority group members They look to multiracial congregations multiracial families the military and sports teams all situations in which group interests have been overcome before In each context they find the development of a core set of values that binds together different racial groups along with the flexibility to express racially based cultural uniqueness that does not conflict with this critical core *Transcending Racial Barriers* offers what is at once a balanced approach towards dealing with racial alienation and a bold step forward in the debate about the steps necessary to overcome present day racism

Being Missional in Times of Crisis Augusto Rodriguez, 2023-06-13 This book was written with three purposes

in mind First is the ministry that is pastors and church leaders facing crises for the church in mission This book will help them guide and mentor people through being missional in times of crisis It will help pastors leaders and students in developing mission strategies for ministry in times of crisis Second this book was written to provide a better understanding of the early church as a model for overcoming crises It matures the concept of the church and its mission in the present contributing to new mission strategies for the contemporary church in mission facing crises The third purpose is personal This book was written because of Augusto Rodriguez's experience as a pastor during the crisis of the COVID 19 pandemic of 2020 something unlike anything he had faced in thirty years in the ministry He also wrote this book to coach mentor other pastors and leaders going through an experience like his and to present the insights learned from the study of the early church in Acts of the Apostles examining the ways they overcame different crises that could apply to the contemporary church in mission

Subject Guide to Books in Print ,1997 *Crossing the Ethnic Divide* Kathleen

Garces-Foley,2007-02-22 While religious communities often stress the universal nature of their beliefs it remains true that people choose to worship alongside those they identify with most easily Multiethnic churches are rare in the United States but as American attitudes toward diversity change so too does the appeal of a church that offers diversity Joining such a community however is uncomfortable worshippers must literally cross the barriers of ethnic difference by entering the religious space of the ethnically other Through the story of one multiethnic congregation in Southern California Kathleen Garces Foley examines what it means to confront the challenges in forming a religious community across ethnic divisions and attracting a more varied membership

The Soul Search Gary R. Collins,1998 Gary Collins examines the more personal side of authentic spirituality looking at ways to find inner peace and grow spiritually in this age of stress and instability while avoiding the dead end traps of contemporary non biblical competing spiritualities

Built by the Spirit Jack W.

Hayford,1997 Pastor Jack Hayford presents a passionate articulate plan to rebuild the brokenness in your life and overcome the obstacles that hinder you from fulfilling your promise in God

Praying with Power C. Peter Wagner,1997 The groundbreaking Prayer Warrior Series culminates with C Peter Wagner's most personal insights yet into the dynamics of prayer and spiritual warfare Wagner provides steps for deepening and strengthening your own prayer life
