Healthy Life Kitchen:

Healthy Life Kitchen Marilu Henner, Lorin Henner, 2010-12-21 If you're like most people 70 percent of what's in your kitchen right now is unhealthy and has to go. Now the good news: This book will show you that there are healthy and tasty alternatives to everything in your refrigerator and pantry and the transition is easier than you think. When it comes to food most of us go through a constant tug of war between the foods we love and the foods we feel we should be eating. But what if we didn't have to give up our favourite foods? What if we could take recipes from our childhood or our favourite cookbooks and find healthier ways to enjoy them? Marilu Henner's *Healthy Life Kitchen* shows you a new way, a better way to create a health factory in your home. Out go the red meat, dairy and refined sugar products and in come the freshest fruits, vegetables, grains, soy, seafood, poultry and seasonings, imaginable and in a few easy steps you've created a *Healthy Life*. You! After inspiring legions of readers with Marilu Henner's *Total Health Makeover* and *The 30 Day Total Health Makeover*, Marilu presents the first cookbook in her bestselling series.

Kordich, Linda Kordich, 2013-02-01 After selling close to one billion dollars in juicers and writing a number one New York Times bestseller, Jay Kordich, known worldwide as The Juice Man, realized that juicers were just the first step in teaching people about vital foods and energetic living. So many people now find themselves overweight, addicted to harmful foods and unhappy with their lives. But Jay knows that a wholesome, satisfying life is within your reach if you learn the secrets to good health. In this new book, Jay Kordich and his wife Linda reveal all their personal secrets, including juice therapy, living foods and positive thinking. *Live Foods, Live Bodies* was designed to help you transform the person you are into the person you want to become. This book is divided into two parts. Part One explores the power of the living enzymes found in fruits, vegetables and especially greens, chlorella, green barley, wheatgrass and more. It explains the many benefits of becoming a vegetarian and it presents the dos and don'ts of fresh juices, the very subject that propelled Jay to fame. Part Two puts it all together by laying out what's needed in the living kitchen, offering recipes for fantastic salads, dressings, meals and drinks and providing

simple yet effective tips for using your new skills to create a better more fulfilling lifestyle Whether you are in your forties in your fifties or in your nineties you can live healthier and happier with increased vitality With Jay and Linda as your teachers you will discover a new world of great tastes and long lasting health The Healthy Life Jessica Sepel,2015-08-01 This is a specially formatted fixed layout ebook that retains the look and feel of the print book Jessica Sepel a young Sydney based nutritionist is following in the footsteps of health bloggers such as Lee Holmes Lola Berry and Sarah Wilson Jessica is a trained nutritionist with a burgeoning private practice and a hugely popular health blog Her philosophy is simple good health starts in the kitchen Her focus is on fresh produce prepared simply and with love Her work with girls and young women has taught her that the common practice of counting calories and restricting food groups is counterproductive to a healthy relationship with food Her message is get healthy rather than lose weight The Healthy Life is fully photographed and has 100 recipes meal plans and a kind approach to creating better health and stress free living **Changing Normal** Marilu Henner,2016-04-26 New York Times bestselling author memory expert radio host and beloved actor Marilu Henner delivers an intimate account of how she and her husband stood together in the face of cancer and triumphed without chemotherapy or radiation Marilu Henner was moving on with her life after a divorce when her old college classmate Michael Brown whom she had not seen in over twenty years called her out of nowhere Within days of their first meeting in 2003 they were planning a life together and soon they were inseparable as Michael became ever more integrated into Marilu s family But after only months they were thrown the ultimate curveball Michael was diagnosed with bladder cancer and then lung cancer Marilu refused to lose the love of her life so easily With the knowledge she had gained on her own health journey chronicled in several of her bestselling books Marilu set about finding a path for Michael that would use the best of Eastern and Western medicine to beat his cancers and return Michael to optimal health Michael eschewed most traditional treatments and with Marilu s help aided by knowledgeable and sympathetic doctors he forged his own path In this moving and informative book Marilu tells the story of their fast paced romance and how this contrasted with the day to day battle for Michael s life Michael tells the story from his point of view the search for the cause of his cancer the mental anguish he felt as he realized how responsible he was for his condition the physical and mental hardships that he had to overcome and the triumph of love that made it all worthwhile Not a how to book in the traditional sense Changing Normal is a book of empowerment a call for all those facing similar challenges to take responsibility for their lives to search for the causes of their illness and address them directly Written with an engaging voice a sense of humor and life changing wisdom Changing Normal is a personal and touching look at how Marilu and Michael faced down a cancer diagnosis and came out the other side happier healthier and more in love than ever **Total Memory Makeover** Marilu Henner,2013-05-07 If you could remember the confidence you felt when your prom date said yes could it embolden you to ask for a raise today Would the details of your early days with a heartbreaking ex help you recognize the potential red flags in a new romance Marilu Henner says Yes In this revolutionary

book the author and memory expert helps you develop the ability to remember more of your past to recall it more clearly and most of all to understand your memories as a blueprint for your future While most of us may prefer to keep the unhappy times buried Marilu has learned that only by remembering what happened then can we change our lives for a better now This book will help you stop turning painful memories into emotional baggage discover your personal Memory Track unlock repressed memories that are holding you back recall memories faster and stop them from fading and teach your kids to have great memories too From publisher description
