Hear My Testimony:

I Can Hear Your Face Joan L. Brumble, 2014-01-08 ABOUT THE BOOK God has spoken to me on numerous occasions in reference to the title of the book I even shared the concept with a visiting pastor perhaps making it a sermon but to no avail I had felt it had fallen on deaf ears But later I knew that was part of Gods plan When the idea of ICHYF I Can Hear Your Face was conceived in my heart and spirit it became alive and burned within my soul and then it came my Heavenly Father spoke to me I choose you I am the one who inspired and planted the seed in your heart I am the one keeping this concept alive I nourished it continually Write it down my daughter I will give you the inspiration to write the words as coming from me Live through them my daughter make my words come alive It pleases me that you are willing to obey me Remember my words when I said that I know you have little strength youve tried your best to keep my word and you have not denied my name These words will be my testimony of the truth I cannot deny my own name That which was first conceived in my spirit and my heart ICHYF really isnt anything new but it is speaking to a new audience perhaps because of a generational gap in coming from a solid Christian home All the trials heartaches much pain in my life God has worked out for good What he has and is doing in my life he will do for you Listen for God to whisper how much he loves you at the turn of every page All through the writing process I prayed for each one of you my readers that you will be truly be blessed by our Abba Father **My Sheep Hear My Voice** Consuella Canada, 2007-12 In her memoir My Sheep Hear My Voice Consuella Canada takes readers deep into the pits of sorrow and pain with a life reflecting the losses and faith of Job the need for open heart surgery a six week coma paralysis shattered family dreams and an undying confidence in God and the power of prayer **Report of the Senate Impeachment Trial Committee on the Articles Against Judge Alcee L. Trauma recovery and healing get a lot of attention these days but in situations of war and violence trauma is also a social experience set within the larger conflict context The authors examine an ancient biblical story full of violence and trauma that makes most readers turn the page quickly The reader is invited instead to sit with the story listen to the voices of the characters and feel the full range of their emotions There is much to be learned through the story that offers insight for trauma healing and reconciliation and motivation for deep and abiding social change The biblical story becomes a doorway into a journey of discovery about traumatized people specifically women who choose not to remain as victims Instead they rise up in transformative nonviolent action The authors lift up the Rizpah story and contemporary stories of Daughters of Rizpah from around the world to inspire hope amid the traumatizing turmoil of the twenty first century
