Hearing The Parables Of Jesus

Dr. Ashwin Drummond

Hearing The Parables Of Jesus:

Hear Then the Parable Bernard Brandon Scott,1989-01-01 Hear Then the Parable is an innovative literary social reading of all the parables of Jesus

Hearing the Parables of Jesus Pheme Perkins,1981-01-01 Studies of the parables have increased and flourished in the past ten years Researchers from various disciplines in the humanities have joined Scripture scholars and theologians in examining these unique stories of Jesus Much energy has been spent in exploring and defending particular points of view about the parables Yet all too often the central questions about a particular parable What is the parable saying How do I respond to this story Have been ignored in the process This book is a guide to help readers respond to these questions Each chapter of this book introduces issues in the current discussion of the parables and teachings of Jesus It then goes on to readings of specific parables which present various directions in which an interpretation might lead Also included in each chapter are study questions The format and content of this book make it suitable for use by an individual in the classroom or as part of an adult education program Back cover

The Teaching of the Parables of Jesus Christ Edwin Faxon Osborn,1908

The Parables of JESUS CHRIST Robert Gobelet,2016-05-03 Some sections of the Bible give us grand theology Some move us to grateful responses to God But The Parables of JESUS CHRIST break through mere words and make us see things more clearly as Jesus aloud his listeners to live through the eyes of the characters he spoke about In this book Robert Gobelet takes us systematically through the parables of Jesus so we all can learn these life changing and transforming truths taught by Jesus himself

The Parables Of Lord Jesus Christ Dr. Ashwin Drummond,2022-10-21 Parables are colorful stories taken from everyday life and used to teach simple yet powerful lessons Literally it means to place beside a comparison a similitude Parables have an important function in teaching and learning particularly religious teaching especially the teachings of Jesus Christ The parables enlighten the true heart and are food for spiritual thought They were easy to remember and understand and were common methods of that time It explained complicated things in simple terms They also were to fulfill the prophecies pertaining to the Kingdom of God The parables used by Jesus Christ in conveying his message to the common people have been explained in simple language for all to understand

Preaching Parables to Postmoderns Brian Stiller,2005-01-01 Preachers in their call to preach the Scriptures are not only charged with the responsibility of speaking its truth but of speaking in such a way that people of this age and culture understand To do this the preacher builds a bridge between todays people and the gospel of both testaments For some this task is more difficult than for others Preaching to those living in an inner city housing project is far removed from an outpost mission in the two thirds world Each community has its own way of thinking and attaches different values to symbols of its own making For those called preach to a generation raised on MTV and late night comedians or those rooted in various economic culturesfrom governmentsponsored jobs overseen by union bosses to entrepreneurial dot com companiesor generations stretching from high school students to freedom fifty fivers the task is enormous When one adds to that the

complexity of a radical shift in underlying intellectual and cultural assumptions the task of preaching becomes even more complicated

The Light of Truth as Revealed in the Holy Scriptures Levi Rightmyer, 1916 *Hearing the Parables of Jesus/Perkins, P.*, The Parables of Jesus Warren S. Kissinger, 1979 no researcher will be able to work efficiently on the parables without Kissinger and no serious theological library can be without it THE EXPOSITORY TIMES *Exploring Parables in Luke* Cheri L. Pierson, Will Bankston, Marilyn Lewis, 2014-11-01 It is no easy task to move from a general proficiency in English to navigating the specialized English so often used in theological resources In addition to linguistic challenges theology students with English as a second language encounter difficult concepts and different ways of thinking In response *Exploring Parables in Luke* aims to help such students engage with theological literature more effectively Chapter by chapter as students work through the theologically rich explorations of Jesus parables they will grow in their proficiency of both English and theology As a result students will not only have a greater ability to access English language theological libraries but also contribute to them

Matthew's Parables Warren Carter, John Paul Heil, 2023-11-16 This book presents a comprehensive treatment of all of the parables in the Gospel of Matthew It discusses the significance of each parable as it is heard within the progression of the narrative Rather than focusing on the intent of Jesus the parable teller or of Matthew their redactor it is concerned with what happens as the authorial audience interacts with the parables

But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ Stephen Buttafuoco, 2019-03-24 In this volume *But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ* tenders a brand new outlook on the ministry of Jesus as a human being and as eternal God and serves a biblical interpretation of the spiritual language of parables This gospel commentary was taken from the Book of Matthew that harmonizes teachings of the other New Testament books and from that point on offers a cultural and political background of the times when Jesus was living in Israel with dates and historical fact and analysis of everything written in his three and a half year ministry on earth Since this is a resource that interprets all the gospel parables spoken by Jesus from Matthew Mark and Luke and in addition makes clear his plan of salvation created from the foundation of the world *But Without a Parable Jesus Did Not Speak Interpretation of All the Parables* puts forward a detailed description at the time of the cross while Jesus was alive and knew that all things at that moment had been accomplished and the scriptures had been fulfilled He cries out it is finished and that moment in time ensures the payment for sin was fully paid for while Jesus was still alive on the cross And another aspect of the book explains the controversy of divorcement and the NT Sabbath day which are all included as part of the new covenant that comprises the doctrines of the Christian churches

The Parables of the Kingdom George Campbell Morgan, 1907 **In the Footsteps of Judas and Other Defectors** B. J. Oropeza, 2011-11-10 In this three volume set B J Oropeza offers the most thorough examination in recent times on the subject of apostasy in the New Testament The study examines each book of the New Testament and identifies the emerging Christian community in danger

the nature of apostasy that threatens the congregations and the consequences of defection Oropeza compares the various perspectives of the New Testament communities to arrive at the idea that the earliest followers of Christ did not believe and teach alike on the issue *The Life of Jesus Christ* Walter Elliott,1901 *The New Testament of Our Lord and Saviour Jesus Christ, Tr. Out of the Latin Vulgate; Diligently Compared with the Original Greek, and First Published by the English College of Rheims, Anno 1582* Richard Challoner,1885 *The New Testament of Our Lord and Savior Jesus Christ* ,1882

The Gospel of Luke I. Howard Marshall,1978-11-14 The Gospel of Luke was written says its author as an historical account of the ministry of Jesus Not only would it serve as the basis for a sound faith on the part of professing Christians but it would also claim a place for Christianity in history Christ s ministry as Luke shows is realized prophecy it is that time during which God s promise of salvation was fulfilled His teachings healing and acts of compassion are all part of the good news In Luke s Gospel Christ s message of salvation is directed to the weak poor and needy with an emphasis on the importance of self denial and of whole hearted discipleship Thus while Luke is the most conscious historian of the Gospel writers his history is a vehicle of theological interpretation in which the significance of Jesus is expressed In this commentary I Howard Marshall calls attention to the theological message of Luke the Evangelist His primary purpose is to exegete the text as it was written by Luke so that the distinctiveness of Luke s Gospel may be seen Basing his commentary on the third edition of *The Greek New Testament* Dr Marshall also refers to many variant readings which are significant in this study He provides fairly full information on the meanings of the Greek words used by Luke and shows which words and constructions occur frequently and are therefore characteristic of his style It is by this meticulous analysis of the Greek that Luke s theological intentions can be objectively determined *Hell No* S. L. Miller,2021-08-24 If we believe the Bible is the inerrant divinely inspired word of God from Genesis to Revelation what is said within its pages about God and his unchangeable character must be consistent and never contradictory Furthermore in order to love God with all our heart believing him to be a just merciful and loving God what we believe from the Scriptures must adhere to the three Cs Context Consistency and Character For centuries people have formulated doctrine by taking passages out of context They have made conclusions about God s character in an inconsistent fashion and often in ways that malign our righteous and holy Creator When Jesus came to earth he did not form a new religion he was a Jew and knew that God had given the sacred pronouncements of truth to the nation of Israel What he taught about hell death resurrection and judgment is entirely consistent with what God taught his people through the Mosaic Law the prophets and the psalms In *Hell No The Surprising Truths the Bible Teaches about Death Resurrection and Judgment* you will see that the Bible is clear humans never have and never will go to heaven they are not inherently immortal God will never torture souls in a hellfire and all those who died and have paid the price for their sin death will be resurrected on earth during the judgment period with a clean slate and an opportunity to truly know God as they learn war no more under Christ s millennial reign *Hell No* is a serious deep dive into Scripture but also a conversational

foray into truth written by a layperson for laypeople serious about searching the deep things of God to uncover the Bible's truths in order to better know and love their Creator *The Life and Teachings of Jesus Christ*, 1898
