Hearing Gods Voice Biblical Authority And Christian Faith:

Hearing God's Voice Richard Shelley Taylor, 2000 *Christian Faith as Religion* Paul E. Capetz, 2011-05-26 Christian Faith as Religion investigates the theologies of John Calvin and Friedrich Schleiermacher with respect to the questions What is Religion and What is Christian Religion The author argues that the classical and liberal exemplars of Protestant theology are best compared when these two questions are thoroughly examined and calls into question the contention of neo orthodox theologians Karl Barth and Emil Brunner that Schleiermacher's theological use of the category religion signifies a departure from the tradition of the Reformation He offers a revised comparative framework that discloses the material and formal similarities between Calvin and Schleiermacher with respect to their employment of the categories religion and revelation and allows the historical theologian to delineate the trajectory that accounts for both continuity and discontinuity in the transition from classical to modern Protestant theology This allows the systematic hermeneutical question of a contemporary Protestant theology informed by the historical and philosophical study of religion to be taken up anew God, Revelation and Authority: God Who Speaks and Shows (Vol. 4) Carl F. H. Henry, 1999-01-25 Part 4 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done *The Inspiration and Interpretation of Scripture* Michael Graves, 2014-02-15 Introduction Usefulness The Spiritual and supernatural dimension Mode of expression Historicity and factuality Agreement with truth Conclusions Notes Index of ancient authors works and figures Index of modern authors Index of Scripture references *50 Core Truths of the Christian Faith* Gregg R. H. Henry, 1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done **Called to Believe: A Brief Introduction to Christian Doctrine** Steven P. Mueller, 2006-11-15 Called to Believe is an abridgment and condensation of the more comprehensive text Called to Believe Teach and Confess It offers an accessible introductory overview of the major doctrines of Christianity Written from a Lutheran Christian perspective this book is a helpful resource for those within that tradition and to others who seek a deeper and broader understanding of Christian teaching Firmly rooted in Scripture this book directs the reader back to the Bible It emphasizes the interrelatedness of all Christian teachings with its central teaching being the doctrine of justification by grace through faith in Jesus Christ It also includes the text of the three ecumenical creeds accompanied by a

brief introduction to their historical background This book is ideal as an introductory text for university or advanced high school students and for other Christian adults who seek to expand their knowledge of God's revelation and its application in human lives It introduces and uses classic theological vocabulary and terminology while offering clear definitions and application Key terms study questions and a glossary help make this a valuable resource Suggested readings from Scripture and secondary sources guide the reader into deeper study **Pictures at a Theological Exhibition** Kevin J.

Vanhoozer,2016-03-30 Kevin Vanhoozer calls the church to a picture of theology that sees every person thing and event in the light of God's act of reconciliation Through essays on the church's worship witness and wisdom he shows us how a poetic imagination can answer the questions of life's meaning by drawing our attention to what really matters the God of the gospel

Holy Scripture John Webster,2003-10-23 May we speak in the present age of holy scripture And what validation of that claim can be offered robust enough to hold good for both religious practice and intellectual enquiry John Webster argues that while any understanding of scripture must subject it to proper textual and historical interrogation it is necessary at the same time to acknowledge the special character of scriptural writing His 2003 book is an exercise in Christian dogmatics a loud reaffirmation of the triune God at the heart of a scripture based Christianity But it is written with intellectual rigour by a theologian who understands the currents of modern secular thought and is able to work from them towards a constructive position on biblical authority It will resonate with anyone who has wondered or worried about the grounds on which we may validly regard the Bible as God's direct communication with humanity *Athlete's Bible: Strong Edition* Fellowship of

Christian Athletes,Holman Bible Staff,2018-06 The Athlete's Bible Strong Edition features the NLT translation and includes study notes and tools provided by Fellowship of Christian Athletes to help equip encourage and empower athletes in any sport to study God's Word **Christian Faith and Life** ,1910 Emerging Prophet Kyle A. Kierkegaard was a prophet who critiqued Christendom the perversion of authentic New Testament Christianity into the institutionalized materialistic triumphalist and flabby religion of modernism Emergent Christianity is attempting to carve out a more authentic way of being Christian and doing church within and beyond the ineffectual institutionalized church of modernity In many ways Kierkegaard's critiques concerns and goals overlap with emergent Christianity and the emerging church For the first time this book brings Kierkegaard into a dialogue with various postmodern forms of Christianity on topics like revelation and the Bible the atonement and moralism and the church as an apologetic of witness In conversation with postmodern philosophers contemporary theologians and emergent leaders Kierkegaard is offered as a prophetic voice for those who are carving out an alternative expression of the New Testament today and attempting to follow Christ through works of love **Hearing and Doing the Word** Daniel J. Pilgrim's Process David R. Peel,2021-08-31 This book traces the intellectual journey of a Christian minister and theologian Starting with his discovery of God through a love of the natural world David Peel s encounter with thinkers from his Reformed tradition and extensive ecumenical involvement takes him to a revisionary theology which meets his attempt to integrate a scientific background with the Christian faith Essays written during his career illustrate the path he has taken The topics covered include theological method the centrality of theology for the church s life and work a sacramental view of ministry the missional church biblical authority nonconformity s gifts to the contemporary church and theological education Peel s theological approach is as critical of inadequate theologies inherited from the past as it is determined to construct a Christian narrative which satisfies twin requirements first being congruent with the Jesus tradition and secondly convincing the minds reaching the hearts and driving the commitments of contemporary people Both ministers and church members are challenged to view their own theological journeys as God given vocations
