*Something Unbelievable* Maria Kuznetsova, 2021-04-13 An overwhelmed new mom discovers unexpected parallels between life in twenty-first century America and her grandmother's account of their family's escape from the Nazis in this sharp heartfelt novel A fresh perspective one that's both haunting and hilarious on dual timeline war stories a feat that only a writer of Kuznetsova's caliber could pull off Fiona Davis New York Times bestselling author of *The Lions of Fifth Avenue* Larissa is a stubborn brutally honest woman in her eighties tired of her home in Kiev Ukraine tired of everything really except for her beloved granddaughter Natasha Natasha is tired as well but that's because she just had a baby and she's struggling to balance her roles as a new mother a wife a struggling actress and a host to her husband's slacker best friend Stas who has been staying with them in their cramped one bedroom apartment in upper Manhattan When Natasha asks Larissa to tell the story of her family's Soviet wartime escape from the Nazis in Kiev she reluctantly agrees Maybe Natasha is just looking for distraction from her own life but Larissa is desperate to make her happy even though telling the story makes her heart ache Larissa

recounts the nearly three year period when she fled with her self absorbed sister parents and grandmother to a factory town in the Ural Mountains where they faced starvation a cholera outbreak a tragic suicide and where she was torn in her affections for two brothers from a wealthy family But neither Larissa nor Natasha can anticipate how loudly these lessons of the past will echo in their present moments Something Unbelievable explores with piercing wit and tender feeling just how much our circumstances shape our lives and what we pass on to the younger generations willingly or not

**The Book of Affinitive Life** Lee Arnold Green, 2022-10-12 The Book of Affinitive Life and in conjunction The Book of Life Part 2 are mainly about life on the earth concerning hate as an affinitive life of unprovoked attacks by raw signals of hate uninvited As a consequence of a shock attack of trauma terror or horror respectively in your conscious mind at the threshold level you are thereby forced to run into your subconscious mind of darkness just below the threshold of consciousness of light for psychological cover safety or protection characterized by your emotions In conjunction you are involuntarily forced to express a hate gene that is a bad gene that becomes a bad spirit principal part grudge hate or hatchet of hatred and its bad spirit constituent part grudge hate or hatchet of hatred For that reason the name of this book is The Book of Affinitive Life and in conjunction the Book of Life It is The Book of Affinitive Life to the Natural Side of Life and the Book of Life to the Spirit Side of Life It is called The Book of Affinitive Life as it refers to and relates to the natural side of life first and then to the same degree it relates to the spirit side of life second which characterizes the Book of Life Affinitive life is not one life you live but rather many individual lives as an integral part of your natural life by its acquired spirit grafted into your natural spirit By means of which addictive life is distinguished as not having roots in your natural spirit and for that reason it is just a natural process of cleanliness of addiction out of the brain as genotypic addiction in response to phenotypic addiction Your spiritual life is no exception to the rule of the process of affinitive lives because it too like affinitive life is an integral part of your natural life On the contrary your spiritual life centers on spiritual love for the Father Son and the Holy Spirit whereas affinitive life of invited signals from a particular person place thing activity event experienced in the environment centers on affinitive love for whom or what it derived This is what The Book of Affinitive Life and in conjunction The Book of Life Part 1 is all about Otherwise affinitive life centers on hatred of an unprovoked attack by a raw signal of hate uninvited from a particular person place thing activity or event experienced or witnessed The Book of Affinitive Life Part 2 brings to light the impact affinitive lives of hatred have on our natural life and society in general as a hate spirit Its only aim is violence death and or destruction against you and or whom or what your principal part bad spirit hatred is for Therefore nature s principal remedy for hatred is to bury your entire bad spirit principal part grudge or hatred All affinitive lives are lived out optionally in conjunction with natural life as an integral part as a habitual lifestyle or habit in natural life of affinitive life This book is to show you how hate functions in your life as a living spirit in response to Satan the devil as the prince of the air influences on it and homogeneous people places things activities or events experienced or witnessed So as to evoke awareness in you and

thereby give you a conscious effect in your subconscious mind to remind you of your unprovoked attack and by which stir up hatred within you      *Ghetto Blues II* Stacey P.
