**Hearts Open Wide** Pam Wellish, 1987-01-01      *Motherhood Reconceived* Lauri Umansky, 1996-08 Motherhood Reconceived reveals the emphasis on motherhood that lies at the heart of modern feminism as both a utopian frontier for countercultural ideals and a metaphorical cement for a fragmented women's movement      [This Sacred Life, Transforming Our World Through Birth...](#) Zuki Abbott, 2007-04-12 A text guide covering conception pregnancy and childbirth for Parents Birth workers and those interested in Transforming Our World through Birth      [Midwives Chronicle](#), 1989      [Last Touch](#) Marilyn R. Becker, 1992 Offers advice for coping with the death of a parent discussing handling a fatal diagnosis arranging hospital care making funeral arrangements and working through the grieving process      [The Midwife's Labour and Birth Handbook](#) Vicky Chapman, Cathy Charles, 2018-02-05 Praise for the previous edition An outstanding handbook It will be a familiar volume on most midwifery bookshelves providing an excellent guide to midwifery focused care of both woman and child in the birthing setting Nursing Times Online Providing a practical and comprehensive guide to midwifery care The Midwife's Labour and Birth Handbook continues to promote best practice and a safe satisfying birthing experience with a focus on women centred care Covering all aspects of care during labour and birth from obstetric emergencies to the practicalities of perineal repair including left hand suturing the fourth edition has been fully revised and updated to include Full colour photographs of kneeling extended breech and footling breech births New water birth and breech water birth photographs Female genital mutilation Sepsis Group B streptococcus Care of the woman with diabetes Neonatal hypoglycaemia Mental health Seeding microbirthing It also addresses important issues such as Why are the numbers of UK women giving birth in stirrups RISING rather than falling Why are so few preterm babies given bedside resuscitation with the cord intact Would the creation of midwife breech practitioners specialists enable more women to choose vaginal breech birth and is breech water birth safe What is the legal position for women who choose to free birth and their birth partners Why are midwives challenging the OASI care bundle Incorporating research evidence and anecdotal observations The Midwife's Labour and Birth Handbook remains an essential resource for both student midwives and experienced practising midwives      [Keys to the Open Gate](#) Kimberley Snow, 1994 Interest in women's spirituality has exploded Now at last there is a comprehensive collection of women's spiritual writings from a wide range of religious disciplines including Christianity Judaism Islam Wicca and Goddess Worship This anthology features more than 100 readings from such writers as Brooke Medicine Eagle and Lynn Andrews      *A History of Midwifery in the United States* Helen Varney Burst, Joyce E. Thompson, 2015-11-04 Written by two of the profession's most prominent midwifery leaders this authoritative history of midwifery in the United States from the 1600s to the present is distinguished by its vast breadth and depth The book spans the historical evolution of midwives as respected autonomous health care workers and midwifery as a profession and considers the strengths weaknesses threats and opportunities for this discipline as enduring motifs throughout the text It

surveys the roots of midwifery the beginnings of professional practice the founding of educational institutions and professional organizations and entry pathways into the profession Woven throughout the text are such themes as the close link between midwives and the communities in which they live their view of pregnancy and birth as normal life events their efforts to promote health and prevent illness and their dedication to being with women wherever they may be and in whatever health condition and circumstances they may be in The text examines the threats to midwifery past and present such as the increasing medicalization of childbearing care midwifery's lack of a common identity based on education and practice standards the mix of legal recognition and reimbursement issues for midwifery practice Illustrations and historical photos depict the many facets of midwifery and engaging stories provide cultural and spiritual content This is a must have for all midwives historians professional and educational institutions and all those who share a passion for the history of midwifery and women Key Features Encompasses the most authoritative and comprehensive information available about the history of midwifery in the United States Considers the strengths weaknesses threats and opportunities for midwifery Illustrated with historical photos and drawings Includes engaging stories filled with cultural and spiritual content introductory quotes to each chapter and plentiful chapter notes Written by two preeminent leaders in the field of midwifery

**Varney's Midwifery** Tekoa L. King, Mary C. Brucker, Jan M. Kriebs, Jenifer O. Fahey, 2013-10-21 Important Notice The digital edition of this book is missing some of the images or content found in the physical edition The gold standard for midwives and students is back with Varney's Midwifery Fifth Edition New to this edition are chapters describing the profession of midwifery reproductive physiology clinical genetics and support for women in labor Interwoven throughout is information on primary care gynecology maternity care and neonatal care With chapters written by a variety of expert midwives and an increased emphasis on reproductive anatomy and physiology this new edition assists students and clinicians in understanding not only what to do but why Updated to reflect evidence based care this edition also discusses the pathophysiology of various conditions in the context of normal changes in the reproductive cycle Also included are numerous new anatomical and clinical illustrations [Healing Our Children](#) Ramiel Nagel, 2009 Nagel reveals the actual cause of the following diseases Birth Defects Sudden Infant Death Autism Infertility Colic Tooth Decay Miscarriage Infant Mortality Morning sickness Premature Birth Scoliosis Postpartum Depression and Mental Disabilities The true cause is our toxic foods our toxic medicines our toxic environment and our toxic world In knowing this and learning to make wise choices you become empowered to prevent these conditions **How I Ended Up Here!** Pam Tomaszynski, 2025-06-06 Pam's journey from a tragic beginning to a life of fulfillment and purpose is both inspiring and thought provoking Born into a family struck by tragedy Pam lost her mother at the tender age of two in a vehicle accident This devastating event sent her birth family into a downward spiral leading to Pam becoming a ward of the state Eventually she was adopted at the age of twelve already hardened by the harsh circumstances and feelings of abandonment she had endured Despite the chaos and the void she tried

to fill with a partying lifestyle Pam began to question whether there was another way to live She wondered if different choices could lead to different outcomes In her search for truth she embraced ideas and concepts that were often considered unconventional Her commitment to learning and applying these principles guided her to graduate with a doctorate degree Pam s dedication didn t stop there she integrated these truths into her own life and raised her children with these same principles Her story challenges the adage The apple does not fall far from the tree In her book *How I Ended Up Here My Wellness Journey* Pam shares how she defied this saying in many areas of her life She now watches with gratitude as her three children benefit from the many unconventional decisions she made Her experiences show that going against the grain can yield positive results For many women fear surrounding their bodies and a lack of trust in their Creator can lead to decisions imposed by family media and the medical community that may not align with their inner feelings Pam encourages women to trust their instincts and explore different ways of thinking and living If you re ready to discover whether different choices can lead to different outcomes in your life too then Pam s story is a compelling and hopeful read Happy reading

**Feminist Bookstore News** ,1986      **Spiritual Midwifery** Ina May Gaskin,2002 Shares the birthing stories of women who chose to have their babies at home with the help of a midwife provides information about the safety of techniques used in the hospital before and after birth discusses postpartum depression and maternal death and includes resources for doulas birth centers and other organizations      **Doulas and Intimate Labour: Boundaries, Bodies and Birth** Angela N. Casaneda,2015-12-01 Scholars turn to reproduction for its ability to illuminate the practices involved with negotiating personhood for the unborn the newborn and the already existing family members community members and the nation The scholarship in this volume draws attention to doula work as intimate and relational while highlighting the way boundaries are created maintained challenged and transformed Intimate labour as a theoretical construct provides a way to think about the kind of care doulas offer women across the reproductive spectrum Doulas negotiate boundaries and often blur the divisions between communities and across public and private spheres in their practice of intimate labour This book weaves together three main threads doulas and mothers doulas and their community and finally doulas and institutions The lived experience of doulas illustrates the interlacing relationships among all three of these threads The essays in this collection offer a unique perspective on doulas by bringing together voices that represent the full spectrum of doula work including the viewpoints of birth postpartum abortion community based adoption prison and radical doulas We privilege this broad representation of doula experiences to emphasize the importance of a multi vocal framing of the doula experience As doulas move between worlds and learn to live in liminal spaces they occupy space that allows them to generate new cultural narratives about birthing bodies      The Birthright of Mary Magdalene Joan Riise,2015-09-01 Who was Mary Magdalene Before she was the target of the early church fathers she was a child full of innocence curiosity grace and hope The Mary you will meet within the pages of Birthright is just seven years old Seven the magical age when children begin to unfold eager to find their place

in the world It is the age at which reason begins to blossom and the flame of understanding is ignited Drawing from the mystical spark of inspiration that comes from nowhere and everywhere this story moves back in time through seven generations of women Marys foremothers back into the age when God was a woman Gifted with her story Mary fearlessly accepts her birthright of creativity freedom integrity and unconditional love The stories are told by her grandmother Sakinah around the evenings campfires Both Sakinah and Marys mother Hannah are midwives assisting Mary of Nazareth as she nears the birth of Jesus on the journey to Bethlehem Following her familys tradition this is Marys first opportunity to serve as apprentice at a birth So close your eyes and unlock the gates of your own imagination to travel through an historic time of ancient prophecy and future promise This is a not a Mary youve known before but one who like the babe she holds in the first moments of his life has come to share a searing mission of divine dimension The Birthright of Mary Magdalene is a meaningful gift for the tween teen or anyone drawn to a spirituality that includes the nourishing balance of the divine feminine Share this story and your own with the next generation our culture is created from its stories Julie Cuccia Watts creator of Ancestral Path Tarot Blue Moon Tarot MAAT Tarot and Journey into Egypt Tarot From start to finish I was captivated by the spirited seven year old Mary Her journey through seven generations of ancient mother healing wisdom leads her to a future of penetrating accord with her twin flame a future that will demand her willing sacrifice to preserve the sacred truth at all costs Dawn Silver author of Jewels of the Lotus Gemstone Oracle
