**Hearing God's Voice Clearly** Kelvin Armstrong, 2017-08-21 This book is written to help Christians discern between the voice of God amidst other voices There are basically three major voices in the universe the voice of man the voice of the devil and the voice of God The importance of recognizing God's voice as a Christian when we yearn to hear from Him cannot be overemphasized The question now is it possible for God to speak without you recognizing His voice The answer is a resounding yes God can actually speak and you won't recognize His voice or hear Him speak We hear different voices within us most of the times our mind speaking the devil speaking or God speaking It is very important that we recognize God's voice when He speaks so that we will not deviate from his plans for us It was that voice that allows us to come through the darkest hours of our life That is what this book is about It is about going from hearing a barely discernible voice to hearing a clear voice It is about going from I think God is saying to I know God is saying because when you know what really happened and what is really available to you you will find a renewed sense of faith an insatiable new inspiration and a new path to a deeper relationship with God This book also reveals what causes us to vacillate in our hearing experience You will come away from this book knowing how to hear God clearly and what it means when you don't **Foundations of Spiritual Formation** Paul Pettit, This textbook for introductory spiritual formation courses presents the fundamentals and practices of the discipline This collection includes presentations by several well known evangelical scholars including Gordon Johnston Darrell Bock Richard Averbeck Klaus Issler and others *Hearing*

**Book 14 Mysticism HC** Kurt Jurgensmeier, 2012-08-22 Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of paraklete in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways

**A Simple Guide to Experience Miracles** J. P. Moreland, 2021-11-16 Does God Still Do Miracles Today A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry Internationally renowned philosopher J P Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God's miraculous acts is a crucial feature of a mature Jesus follower He also shows how to distinguish a real miracle from a mere coincidence Miracles bring comfort to believers strengthening faith in God and creating boldness in our lives While miraculous healings have

occurred frequently throughout church history Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity Today he argues the church should humbly expect to see more of these miraculous works of God than we do Moreland looks at topics like The relationship between sickness and suffering along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives how they appear to us and how to combat demonic influence The biblical basis for most Near Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus Filled with inspiring credible motivating accounts of miracles he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic *The Theology of Dallas Willard* Gary Black,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

**Imitating Christ** Luke Timothy Johnson,2024-08-06 Is discipleship about personal sanctification or social reform Believers are divided on a question central to Christian identity what does it mean to follow Jesus For centuries imitating Christ meant the pursuit of holiness conforming the self to Jesus through self sacrifice in order to join him in eternal life But some Christians today consider this model to be self centered Instead they say true disciples ought to imitate Jesus in confronting corrupt social systems on behalf of the oppressed In *Imitating Christ* esteemed New Testament scholar Luke Timothy Johnson seeks the origin of this fissure Surveying the New Testament medieval mysticism modern theology and more Johnson shows how twentieth century social gospel and liberation theologies created a new model of discipleship He then evaluates the theological implications of the two models and asks what we can learn from each Inspired by Dietrich Bonhoeffer and Thomas Merton Johnson puts forward a vision of discipleship that can revitalize Christian witness in the world today Replete with keen exegesis and spiritual insight *Imitating Christ* reorients Christian living toward pursuing sainthood Pastors and interested lay readers alike will rediscover a rich heritage in these pages
