**Down Clearbrook Road** Anne Konrad, 2019-03-18 From Alberta a young Mennonite girl arrives in BC a promised land of fruit and relatives The fruit it turns out needs pickers and relatives want kids to work Even her imagined fabulous States is across a border Her parents buy a farm on Clearbrook Road and she is in a village where everyone attends church and knows things Pastures with huge stumps turn into berry patches and farmyards grow chicken barns There is a Fraser River flood a death in her school She makes new friends at the MEI high school She keeps a five year journal champions justice and rebels against female male stereotypes She discovers roller skating group dating and the secular world For the Mennonite village it is a time of creeping modernity where kids explore choices and parents are consumed with relief work with post WWII refugees arriving from Europe Her parents were refugees from Soviet Russia The many photographs in the book taken by amateurs with inexpensive cameras mostly from family albums reflect the late 1940s and early 1950s where teenage views and the community too were often still emerging

When Tish Happens Frank Davey, 2011-04 In the early 1960s a group of students at UBC started a magazine called Tish The name was purposefully an anagram of shit in order to demonstrate their youthful and iconoclastic attitude In many ways Tish and its editors became the clear break from older Canadian poets and styles At the heart of the magazine and the movement was Frank Davey And it is Davey who has written this definitive history Davey has organized the material as a memoir starting from his own early days in Abbotsford B C and gradually introducing the other poets including George Bowering Daphne Marlatt and Fred Wah despite the fact that Davey doesn't meet them until they all arrive at UBC Much of the theory of the Tish poets derives from the Black Mountain poets an American movement that incorporated the writings of Charles Olson Robert Creeley and Robert Duncan who suggested the name itself The Black Mountain poets believed that writing should be locally based and should grow out of the author's own breathing patterns The more specific to a locale the better The poets are introduced as characters in a play and when Fred Wah says Let's start a magazine things happen The first 19 issues became the calling card for a new type of poetry but inevitably the writers began to go their own way It is Davey's commitment that holds the

group together despite their geographical separation The Tish movement provided the impetus to create a new more contemporary Canadian poetry And here Frank Davey reveals how it started grew and became a lasting force *Memory* Philippe Tortell, Mark Turin, Margot Young, 2018-10-01 November 11 2018 is the 100th anniversary of the end of the First World War a time of remembering and memorial of linking past events to the world we live in today Taking this particular moment as a catalyst this book examines the character and relevance of memory more broadly The essays in this collection ask readers to think creatively and deeply about notions of memory its composition and practices and the ways that memory is transmitted recorded and distorted through time and space Memory navigates a broad terrain with essays drawn from a diverse group of contributors who capture different perspectives on the idea of memory in fields ranging from molecular genetics astrophysics and engineering to law Indigenous oral histories and the natural world This book challenges readers to think critically about memory offering an engaging and interdisciplinary roadmap for exploring how why and when we remember **The Heart of the Fraser Valley : Memories of an Era Past : an Illustrated Historical Account of the Matsqui** Loretta R. Village of Unsettled Yearnings Leonard Neufeldt,Lora Jean Sawatsky,Robert Martens,2002 Concensus and dissent persistence and rapid change were at the heart of Yarrow s rich cultural life These tensions especially the inevitability of assimilation walked hand in hand with the young pioneer settlers born in Russia and the next generation born in Canada There was no possibility that the new generation would be absorbed into a Russian colony ethos or would move elsewhere in order to perpetuate it Those who grew up in the early years of this community cannot go home again save in memory the memories of a way of life and its webs of relationships and their meanings will probably die with that generation or those just a few years younger Village of Unsettled Yearnings harnesses these memories to the surviving records and gives words to them
