Youngblood, 2011 Traces nine key theological strands through the Hebrew Scriptures and shows how they link to the New Testament Highly accessible profoundly insightful **40 Questions About Biblical Theology** Jason S. DeRouchie, Oren R. Martin, Andrew David Naselli, 2020-11-24 An accessible survey of the meaning methodologies themes and applications of biblical theology To understand what the entire Bible teaches about any given subject we must practice biblical theology By surveying the whole canon of Scripture we can best discern what God has revealed about any particular issue But doing so requires answering a number of important questions What type of biblical theology will we choose What overall story does the Bible tell How should we understand the relationship between the Old and New Testaments How does our topic fit within salvation history How do we apply the truths we discover 40 Questions About Biblical Theology provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology Other vital topics the authors address include how to understand typology key themes in biblical theology and how Christians should relate to Old Testament promises Ideal for courses on biblical theology for pastors and for anyone who teaches or interprets Scripture 40 Questions on Biblical Theology will deepen your understanding and application of the whole counsel of God **Understanding Old Testament Theology** Brittany Kim, Charlie Trimm, 2020-12-22 The discipline of Old Testament theology seeks to provide us with a picture of YHWH and his relationship to the world as described in the Old Testament But within this discipline there are many disagreements about the key issues and methodologies Is the Old Testament unified in some way Should the context of the theologian play a role in interpretation Should Old Testament theology merely describe what ancient Israel believed or should it offer guidance for the church today What is the relationship between history and theology All these considerations and more result in so many different kinds of Old Testament theologies and so many publications that it s difficult for students pastors and laity to productively study this already complex field In Understanding Old Testament Theology professors Brittany Kim and Charlie Trimm provide an overview of the contemporary approaches to Old Testament theology In three main sections they explore various approaches Part I examines approaches that ground Old Testament theology in history Part II surveys approaches that foreground Old Testament theme s Part III considers approaches that highlight different contexts for doing Old Testament theology Each main chapter describes both common features of the approach and points of tension and then offers a test case illuminating how it has been applied to the book of Exodus Through reading this book you ll hopefully come to see the Old Testament in a fresh light as something that s alive and active continually drawing us into deeper encounters with the living God *The Heartbeat of Old Testament Theology (Acadia Studies in Bible and Theology)* Mark J. Boda, 2017-04-18 This volume explores

the theological heartbeat of the Old Testament by examining three big ideas that communicate the Old Testament's redemptive theology. Highly respected scholar Mark Boda shows how three creedal expressions the narrative character and relational creeds recur throughout the Old Testament and express its core redemptive theology in turn revealing how the redemptive pulse of God expands to all of creation. He also traces these redemptive and creational pulses into the New Testament and shows their relevance for today's Christian community.

The Gospel of Our King Bruce Riley Ashford, Heath A. Thomas, 2019-04-16 This accessible overview shows how the Bible with its 66 books, dozens of authors and multiple genres comes together to provide an overarching story about God the King and explains how the Christian gospel and mission address the totality of human life. Written by a biblical scholar and a theologian, *The Gospel of Our King* shows how any account of gospel and mission can only be understood in light of the whole biblical testimony. The authors help us understand the Bible's overarching narrative as the story that encompasses everything. This story, revealed by God and centered on Jesus the King, enables us to know and love God and to fulfill his purpose for our lives. It is the framework within which we come to understand the Christian worldview, the Christian gospel, and the Christian mission. When we understand how the whole Bible fits together to shape the totality of a Christian's life, we will be prepared to show the goodness of Christ and the gospel to others in our personal, social, cultural, and global contexts.

The Self-Donation of God Jack D. Kilcrease, 2013-03-20 In *The Self-Donation of God*, Jack Kilcrease argues that the speech act of promise is always an act of self-donation. A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise. Being that creation is grounded in God's promising speech, the divine-human relationship is fundamentally one of divine self-donation and human receptivity. Sin disrupts this relationship, and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law (Gen 3:15). As a new and effective word of grace, the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation. In this new narrative, God gives himself in an even deeper manner to humanity. By donating himself through a promise first to the protological humanity and then to Israel, he binds himself to them. At the end of this history of self-binding, God in Christ enters into the condemnation of the law, neutralizes it in the cross, and brings about a new creation through his omnipotent word of promise actualized in the resurrection.

Who Am I, Lord? Finding Your Identity in Christ Joe Heschmeyer, 2020-03-06 The question "Who am I?" is on the minds and hearts of people of all ages. And for good reason. The answer is important. Who we are or who we think we are drives our actions and shapes our relationships. While we are asking the right questions about identity, the world is busy feeding us the wrong answers. We are our political party, job title, sexual orientation, race, ethnicity, and the list goes on. But until we know why we were created by whom and for what purpose, we can never be truly satisfied. In *Who Am I, Lord?*, author and speaker Joe Heschmeyer tackles the question of identity by asking two even more important questions: "Who is Jesus?" and "Who does he say you are?" Only when we understand who Christ really is can he show us who we are. Our identity in Christ opens us

to the promises he has made us and leads us to the freedom to be who we were created to be Who Am I Lord will answer the question of your identity in a way that will transform your life Click here to register for the related webcast ABOUT THE AUTHOR Previously a litigator in Washington D C and a seminarian for the Archdiocese of Kansas City Joe Heschmeyer now works as an instructor for the Holy Family School of Faith Institute helping people to grow in friendship with Jesus Christ and with one another through ongoing one on one discipleship small gatherings and large group formation His writing has appeared in Catholic Answers Magazine the Washington Times Word on Fire First Things and Strange Notions In 2014 he was named one of FOCUS 30 Under 30 He cohosts The Catholic Podcast weekly and has run the blog Shameless Popery since 2009
