Heart Of The Scorpion:

A Scorpion's Heart: Four Twisted Tales of Love and Lust Tammy Salyer, 2012-03-12 Be warned Inside these pages the darker seamier side of human relationships is laid bare and raw Prepare to discover what lengths a struggling writer is willing to go to experience the thrill of success and who he will sacrifice that the heart can be a deadly plaything even to a squeamish cut throat pirate whether the indulgences of lust are strong enough to overcome a woman's horror at her lover's gruesome and grisly secret and that even a cold and calculating predator cannot help but fall prey to her own emotions These twisted and chilling tales of romance will leave you lying rigid next to your soul mate at night wondering what their heart conceals

Heart of the Scorpion Janice Gray, 1979-01-01 *Mirror of Fortune* Dr. A. Shanker, 2021-11-29 Mirror of Fortune Journey of Dr A Shanker by Dr A Shanker Embark on a captivating journey through the inspiring life of Dr A Shanker as he shares his personal memoir offering profound insights into his achievements challenges personal growth and reflections that serve as a motivating story of overcoming obstacles and pursuing success This book Mirror of Fortune is such an instrument to know the circumstances and conditions of life through astrology that leads to recognizing the signs of favorable and unfavorable circumstances Those who believe in and practice Jyotish need it at every step Yet sometimes when a person with dexterity in this sphere is not found people have to face serious problems In today's life those having insufficient knowledge and who have traveled frequently and stayed in jungles and deserts too face difficulties The sphere of astrology is very wide One should have mastery over its different aspects to comprehend satisfactorily Unless and until one attains deep knowledge and expertise his sincerity and honesty remain dubious Meanwhile whatever I could gain through my study and experience I have put together in this book I take no pride in doing so as I am not an erudite scholar who is presenting his views to impress readers of his merits and accomplishments To me there is no difference between fame and the sun on a rainy day
