Heart For The World:

Heart for the Gospel, Heart for the World Paul J. Visser, 2003-10-28 In this study one finds the missiological inheritance of the first Reformed missiologist Johan Herman Bavinck in an organized and systematic form The following topics are discussed theology of religion biblical theology of missions elenctics mission apologetics and practical subjects such as inculturation ecumenism and the race issue The context in which Bavinck developed his vision is discussed in an explicit way Special attention is given to the influence of Hendrik Kramer on Bavinck s development as well as the psychological dimension in his theologizing The author evaluates the relevancy of Bavinck s missiology for the development of a Reformed missiology The above is made complete by an extensive biographical sketch shedding light on the background and way of life of this Johan Herman Bavinck The Heart at the Heart of the World Frohlich, Mary, 2024-04-17 Reflection on the meaning of devotion to the Sacred Heart in light of ecological challenges **The Heart of the World** Ian Baker, 2006-05-02 The myth of Shangri la originates in Tibetan Buddhist beliefs in beyul or hidden lands sacred sanctuaries that reveal themselves to devout pilgrims and in times of crisis The more remote and inaccessible the beyul the vaster its reputed qualities Ancient Tibetan prophecies declare that the greatest of all hidden lands lies at the heart of the forbidding Tsangpo Gorge deep in the Himalayas and veiled by a colossal waterfall Nineteenth century accounts of this fabled waterfall inspired a series of ill fated European expeditions that ended prematurely in 1925 when the intrepid British plant collector Frank Kingdon Ward penetrated all but a five mile section of the Tsangpo s innermost gorge and declared that the falls were no more than a religious myth and a romance of geography The heart of the Tsangpo Gorge remained a blank spot on the map of world exploration until world class climber and Buddhist scholar Ian Baker delved into the legends Whatever cryptic Tibetan scrolls or past explorers had said about the Tsangpo s innermost gorge Baker determined could be verified only by exploring the uncharted five mile gap After several years of encountering sheer cliffs maelstroms of impassable white water and dense leech infested jungles on the last of a series of extraordinary expeditions Baker and his National Geographic sponsored team reached the depths of the Tsangpo Gorge They made news worldwide by finding there a 108 foot high waterfall the legendary grail of Western explorers and Tibetan seekers alike The Heart of the World is one of the most captivating stories of exploration and discovery in recent memory an extraordinary journey to one of the wildest and most inaccessible places on earth and a pilgrimage to the heart of the Tibetan Buddhist faith Healing the Heart of the World Dawson Church, 2010 This book takes the viewpoint that personal health and earth s health are one In this mindset it examines powerful new trends shaping individual wellness and planetary health A wide spectrum of factors are considered as the book includes sections by 40 prominent educators scientists ecologists psychologists doctors entrepreneurs and spiritual leaders Their goal To offer visionary ideas that point the way to a sane hopeful and sustainable future **The Sacred Heart of the World** David Richo, 2007 *The Heart of the World* Amie Kaufman, 2024-09-17 Magic and sacrifice will collide as

lovers and gods enemies and allies vie for the fate of the world in this heart pounding sequel to THE ISLES OF THE GODS which Stephanie Garber called deliciously diabolical and full of heart When Selly and Leander began their treacherous voyage to the Isles of the Gods the captain s daughter and the playboy prince were strangers But amid talk of war and a deadly attack on their ship the unthinkable happened They fell in love Leander s ritual at the island temple was meant to prevent a war between the gods Instead it nearly cost him his life and drew the goddess Barrica back from exile Now as her Messenger Leander is imbued with her deadly magic and only Selly s presence can stop it from consuming him But Barrica wasn t the only immortal roused from sleep The God of Risk Macean was awakened by an enemy all thought dead and across the sea he s calling for war The fight to save their world will take Selly and Leander from the gilded ballroom of the royal palace to the hallowed halls of an ancient library Battle lines will be drawn and bonds will break With the wrath of gods and the machinations of power hungry rulers straining their loyalties can their love withstand the trials that await them

scholars in philosophy and the history of religious thought Thomas A Carlson here traces this question through Christian theology twentieth century phenomenological and deconstructive philosophy and nineteenth century individualism Revising Augustine's insight that when we love a place we dwell there in the heart Carlson also pointedly resists lines of thought that seek to transcend loss and its grief by loving all things within the realm of the eternal Through masterful readings of Heidegger Derrida Marion Nancy Emerson and Nietzsche Carlson shows that the fragility and sorrow of mortal existence in its transience do not in fact contradict love but instead empower love to create a world
