Heart Of The Enlightened:

Heart of the Enlightened Anthony De Mello, 2012-10-24 Said the river to the seeker Does one really have to fret about enlightenment No matter which way I turn I m homeward bound Anthony de Mello We are like bears pacing in a cage Anthony de Mello says Even if the cage is removed we keep pacing in the same timid limits We are afraid to get out And we think that the only way out is by endless striving and thinking But this profound healer and spiritual master shows us another way The Heart of the Enlightened the sequel to the highly successful Taking Flight contains more than two hundred of de Mello s favorite stories Whether Buddhist tales Hindu fables Islamic sayings or Christian parables the stories de Mello has chosen are sure to seep through to the heart They touch on relationships human nature service spirituality and enlightenment These are stories to be read slowly and savored They are the key to liberating us from all that would pen us in

The Heart of the Enlightened Anthony De Mello, 1997 The Heart Treasure of the Enlightened Ones Patrul Rinpoche, 1993-01-26 In this book two great Tibetan Buddhist masters of the nineteenth and twentieth centuries challenge us to critically examine our materialistic preoccupations and think carefully about how we want to spend the rest of our lives At the same time they provide practical guidance in following the Buddhist path starting from the most basic motivation and culminating in the direct experience of reality beyond the reach of conceptual mind The root text is a teaching in verse written in the nineteenth century by Patrul Rinpoche one of the outstanding teachers of his day In the accompanying commentary Dilgo Khyentse Rinpoche 1910 1991 lineage holder of the Nyingma school and one of the great expounders of the Dharma in Europe and North America expands upon the text with his characteristic compassion and uncompromising thoroughness Patrul Rinpoche s fresh and piercing verses combined with Khyentse Rinpoche s down to earth comments offer a concise yet complete examination of the Buddhist path **The Enlightened Heart** Stephen Mitchell, 1989-11 **The Heart of Prajñā Pāramitā Sūtra** Hsuan Hua, Often cited as perhaps the best known Mahayana Buddhist sutra the Heart Sutra has been chanted daily in Buddhist monasteries in Asia for more than a thousand years This sutra the heart of the larger Prajna Paramita Perfection of Wisdom Sutra describes the experience of the liberation of the bodhisattva of compassion Avalokite vara through the insight gained from deep meditation into the fundamental emptiness of all phenomena With commentary by the Tripitaka Master Hsuan Hua one of the foremost Tripitaka and Chan masters of Chinese Buddhism in the United States Translated by Ronald Epstein PhD Ocean of Dharma Chogyam Trungpa, 2008-04-08 Here is an inspiring collection of short teachings from the writings of the renowned Tibetan meditation master Ch gyam Trungpa Pithy and immediate these teachings can be contemplated and practiced every day or any day of the year Drawn from a wide variety of sources including never before published writings Ocean of Dharma addresses a range of topics including fear and fearlessness accepting our imperfections developing confidence helping others appreciating our basic goodness and everyday life as a spiritual path Book 14 Mysticism HC Kurt Jurgensmeier, 2012-08-22 Does God speak to us apart from Scripture

The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of parakl te in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways

The Heart Treasure of the Enlightened Ones Dilgo Khyentse, Patrul Rinpoche, 1993-01-26 In this book two great Tibetan Buddhist masters of the nineteenth and twentieth centuries challenge us to critically examine our materialistic preoccupations and think carefully about how we want to spend the rest of our lives At the same time they provide practical guidance in following the Buddhist path starting from the most basic motivation and culminating in the direct experience of reality beyond the reach of conceptual mind The root text is a teaching in verse written in the nineteenth century by Patrul Rinpoche one of the outstanding teachers of his day In the accompanying commentary Dilgo Khyentse Rinpoche 1910 1991 lineage holder of the Nyingma school and one of the great expounders of the Dharma in Europe and North America expands upon the text with his characteristic compassion and uncompromising thoroughness Patrul Rinpoche s fresh and piercing verses combined with Khyentse Rinpoche s down to earth comments offer a concise yet complete examination of the Buddhist path

You're Breaking My Heart Brian Grogan,2016-05-07 Most of us puzzle all our lives over suffering Why should this happen to me Why should that happen to someone whom I love Is God out to punish me What have I done to deserve this The problem of suffering and evil tortures the human mind Each of us develops our little philosophy of suffering I deserved it God punishes those he loves Darkness is the shadow of God s outstretched hand etc From the beginning we can presume humankind puzzled over the things that went wrong injury death famine Only when we meet God face to face will our complaints and queries be fully set at rest In the meantime we can be comforted and comfort others by the glow of light that the Christian tradition offers On a dark night even a small candle is a help until the big light is switched on Divine light shines in the darkness of suffering which the darkness cannot overcome **The Bodhisattva Path of Wisdom and Compassion**
