art sticos **12 Pasos Para Vencer la Adicción y el Pecado** Richard Lehman, 2025-03-07 Un proceso cristiano de 12 pasos nos ayuda a superar la adicción aferrándonos al amor fiel del Salvador lo que permite tener relaciones saludables con otras personas Por eso un misionero Richard Lehman analiza el proceso de 12 pasos y con oración aplica la sabiduría de las Escrituras Y al hacerlo también ha descubierto que este proceso es útil para proporcionar ideas sobre cómo trabajar con diferentes personas para llevarlas a Cristo Richard dedica mucho tiempo a capacitar a cientos de otros ministros Y además de ayudar a los adictos este proceso de 12 pasos se ha convertido en un recurso clave para capacitar a los obreros del evangelio que ayudan a los adictos La experiencia ha demostrado que todos luchamos con heridas profundas de algún tipo Hay un profundo agujero vacío en el corazón del alma y debe llenarse de alguna manera La forma en que llenamos ese agujero o nos consolamos en ese espacio vacío determinar a qué pecado nos volvemos adictos Es el pecado el de otra persona o el nuestro el que en última instancia crea un vacío en el corazón del individuo La infidelidad es el pecado de traición Alguien confía su corazón a otra persona y luego esa misma persona le rompe el corazón Les sucede a los hijos en su relación con sus padres parientes u otras personas de confianza Sucede a menudo en muchas relaciones matrimoniales Y sucede en la vida de todos en algún momento por la forma en que su propio pecado traiciona el amor fiel del Salvador And so people go through life hiding the pain of betrayal Instead of seeking for healing through a loving Savior they resort to other things And in doing so they become addicted to some substance some sin or both And they often don't know where to start to find a way out This book seeks to help them not only start down the right path but to also find complete healing through the love of our Lord Jesus Christ So throughout this 12 step process you will see that the book is addressed to two audiences at the same time Those who need help over addictions and those that are trying to help them And there is an important reason for this Because people who need help to overcome addictions need to completely trust those that are working with them And so if you are using this process to help them these people also want transparency and understanding as to what they are being asked to do and why There can be no hidden agendas in helping people Jesus came so that relationships can be healed He also sent the comforter of the Holy Spirit so that every pain that sinful mankind could bring against us could still be comforted and healed in this life If ye love me keep my commandments And I will pray the Father and he shall give you another Comforter that he may abide with you for ever Even the Spirit of truth whom the world cannot receive because it seeth him not neither knoweth him but ye know him for he dwelleth with you and shall be in you I will not leave you comfortless I will come to you John 14 15 18 Marcos Anonimo, 1998-06-08 Una serie de bosquejos y sermones versículo por versículo o pasaje por pasaje con comentarios y pensamientos que aplican las Escrituras a la predicación y enseñanza de acuerdo con las necesidades del oyente **ALPINISTAS DE CORAZÓN** , Alpinistas del corazón está dirigido no sólo a los jóvenes sino a quienes tienen un corazón joven para que vivan intensamente las virtudes teologales la fe en Cristo la esperanza en el Espíritu y la caridad en el Padre Es una invitación a decir NO a tantos caminos que atentan contra la dignidad humana y por tanto contra la vida misma

y a decir S a la fuerza del esp ritu que anima y vence con radicalidad **Spanish - Applied New Testament Commentary** StephenThorson TomHale, Spanish Language Edition The Applied New Testament Commentary is an easy to read down to earth commentary on the text of the New Testament It can be used with any version of the Bible and includes bull bull General Articles on important aspects of the Christian faith bull An Introduction to each book of the New Testament bull Word definitions bull Clear explanations of Bible text bull How to apply the Bible to everyday life Dr Tom Hale is an experienced medical missionary in Nepal and his commentary is essentially a missionary s commentary Although he has done his biblical homework and he thinks theologically he does not write from the ivory tower of academia His concern is rather for the grass roots of newly planted churches He is familiar with the problems they face and the questions they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to read style includes both a simple vocabulary and short sentences Inevitably a one man commentary will not please everybody But he has struggled to rid himself of bias so that there is very much here for all Bible students to learn whatever their cultural or denominational background In fact the Applied New Testament Commentary should help to promote mutual understanding tolerance and respect among Christian people John Stott All Souls Langham Place London **Altazor (Revised Edition).** Vicente Huidobro,2003 Revised edition of a Latin American classic in a tour de force translation *Isashii...
