**El elefante y la luciérnaga** Mitos Stampa,1999      **Becoming a Bilingual Family** Stephen Marks,Jeffrey Marks,2013-01-30 Would you like your children to grow up bilingual even if you aren't yet? Then speak to your kids in Spanish as you learn the language along with them. **Becoming a Bilingual Family** gives English speaking parents the tools to start speaking Spanish with their kids in their earliest years when children are most receptive to learning languages. It teaches the vocabulary and idioms for speaking to children in Spanish and offers practical proven ways to create a language learning environment at home. The first part of the book introduces parents to many resources: books, audio books, music, television, computer programs, childcare workers, school and friends that can help you establish a home environment conducive to the acquisition of Spanish. The second part is a Spanish phrasebook that takes you through all the typical activities that parents and children share from getting up in the morning to going to bed at night. Few if any other Spanish study aids provide this much vocabulary and guidance for talking to small children about common daily activities. The authors also include a quick course in Spanish pronunciation and enough grammar to get a parent started. Spanish language resources, kids' names in Spanish and an easy to use index and glossary complete the book. Take the Marks' advice and start talking to your kids in Spanish even if it's not perfect. You'll learn the language together and share the excitement of discovering the peoples and cultures that make up the Spanish speaking world.      **Resource material for bilingual education** Fort Worth Public Schools,1973      **Children's Books in Print** R R Bowker Publishing,Bowker,1999-12      **The Cowslip-Waltz** William Smallwood,1923      **Ingles Diccionario Ilustrado** ,2004-02 Presents 1000 entries for terms in English and Spanish with corresponding illustrations to show usage      **Recommended Readings in Spanish Literature** California. Department of Education,1991 A list of almost 300 titles of Spanish language reading materials represents the recommendations of the California Media and Library Educators Association for use with Spanish speaking limited English proficient students in kindergarten through eighth grade. It is intended as a guide for teachers of Spanish and teachers of English language arts who work with this population. Selections include those originally written in Spanish and tales from the oral Spanish tradition and comprise a variety of genres including biography, drama, folklore and mythology, historical fiction, modern fantasy, nonfiction, picture book, poetry, realistic fiction and science fiction. The materials were selected to appeal to readers with a variety of learning abilities and interests. Citations are divided into three sections including core and extended materials, recreational and motivational materials and dual text materials. Each entry is annotated and includes an entry type in the case of core and extended materials, recommended grade span and an indication whether the entry is a translation from another language and genre. Author and title indexes are also provided.
