scholarship Lopez Austin's original work on Quetzalcoatl is a pivotal work in the field of anthropology and this long overdue English translation will be of significance to historians anthropologists linguists and serious readers interested in Mesoamerica

**Historia de Aragón, Cataluña, Valencia e Islas Baleares** Gabriel Hugelmann, 1855 *The Little Devil and the Rose / El diablito y la rosa* Viola Canales, 2014-04-30 In her ode to The Umbrella Viola Canales remembers a family story about her mother who every Saturday as a child popped open her prized child's bright umbrella as did her little sister and followed their mother's adult one from their Paloma barrio home to downtown Main Street McAllen walking like ducks in a row street after street until one Saturday the littlest one disappeared inside the wilderness of Woolworth's Warm hearted recollections of family members are woven through this collection of 54 poems in English and Spanish which uses the images from lotería cards to pay homage to small town Mexican American life along the Texas Mexico border Cultural traditions permeate these verses from the curanderas who cure every affliction to the daily ritual of the afternoon merienda or snack of sweetbreads and hot chocolate The community's Catholic tradition is ever present holy days customs and saints are staples of daily life San Martín de Porres or El Negrito was her grandmother's favorite saint for although she was pale too she'd lived through the vestiges of the Mexican war the loss of land culture language and control and it was El Negrito to whom she turned for hope to bring enemies together Fond childhood memories of climbing mesquite trees and eating raspas are juxtaposed with an awareness of the disdain with which Mexican Americans are regarded Texas museums just like its textbooks feature cowboy boots worn by Texas Rangers but have no clue or sign of the vaqueros the original cowboys or the Tejas the native Indians there And some childhood memories aren't so happy In The Hand she writes In the morning I arrived at my first grade class knowing no English at noon I got smacked by the teacher for speaking Spanish outside in the playground Inspired by the archetypes found in the Mexican bingo game called lotería these poems reflect the history of family culture and war rooted in the Southwest for hundreds of years

*Twin Tollans* Cynthia Kristan-Graham, 2007 This volume had its beginnings in the two day colloquium Rethinking Chich'en Itz' Tula and Tollan that was held at Dumbarton Oaks The selected essays revisit long standing questions regarding the nature of the relationship between Chichen Itza and Tula Rather than approaching these questions through the notions of migrations and conquests these essays place the cities in the context of the emerging social political and economic relationships that took shape during the transition from the Epiclassic period in Central Mexico the Terminal Classic period in the Maya region and the succeeding Early Postclassic period
