Volume 5 of 6 of the complete premium print version of journal forum for inter american research fiar which is the official electronic journal of the International Association of Inter American Studies IAS fiar was established by the American Studies Program at Bielefeld University in 2008 We foster a dialogic and interdisciplinary approach to the study of the Americas fiar is a peer reviewed online journal Articles in this journal undergo a double blind review process and are published in English French Portuguese and Spanish *The Rescue* George Romero,2011-03-18 The Rescue is not a science fiction book is a book about ancient and modern events It took a lot of guts to write this book and perhaps you could do with even more courage to read it Probably the intellectual will call it nonsense Since his intellect do match the freethinking of a non academic writer Without a doubt he will place this book on the Index of books never to mention Undoubtedly other readers with open arms will accept it and recognize it as a amazing narrations and when they come across with the opportunity of discovering that our past can be even more mysterious and full of adventures that the search for our future As a Philontologist philosophy and ontology George Romero will attempt to interpret the mysteries that guide our thoughts to externalize some real issues that are affecting our way of existence in our daily lives which he call it The New Law Order The essence and the key point of this theory is in how it happened thousands of years ago when the cosmic gods visited us for the first time this is another Government coverup What top secrets are we talking about It is what the American government is hiding from us They still are denying the existence and the appearance of the UFOs in our sky What is the real Rescue of humanity in the years to come *El código maya* Barbara Hand Clow,2008-06-24 Una profunda exploracion de la manera en que a medida que nos aproximamos al final del calendario maya el tiempo y la conciencia se aceleran y nos proporcionan una nueva comprensi n del universo Desde la descripci n de la editorial **Malinche** Laura Esquivel,2007-04-17 When Malinalli a member of the tribe conquered by the Aztec warriors first meets the conquistador Hern n Cort s and becomes his interpreter she like many believes him to be the reincarnated forefather god of her tribe Naturally she assumes she must welcome him and help him destroy the Aztec empire and free her people The two fall passionately in love but Malinalli soon realizes that Cort s s thirst for conquest is all too human and that he is willing to destroy anyone even his own men even their own love *Cosmos, Values, and Consciousness in Latin American Digital Culture* Angelica J. Huizar,2020-05-19 This book understands digital cultural production of electronic literatures and digital art by looking at electronic and digital works that produce subjective positionality clouded knowledges of quantum theories and metaphysical patterns grounded in a cultural ideology This book underlines a conceptual framework for understanding how digital media impacts reading approaching and

even interpreting social reality The qualitative analyses interpret the current zeitgeist and the works selected speak of the diverse sometimes regionalized and often multi ethnic reality of the Latin American experience The analyses elaborate on how artists reflect both the world they live in and a universal consciousness These artists are not simply digitalizing literature and these works are more than techy creations rather they make us think of other directions and connections
