God Is Cartoons Showing The Character Of God And How We Respond To Him:

God Is... Roy Mitchell, 1992-01-01 Cartoons illustrate Biblical concepts such as God is more patient with us than we are God is the wind in our sails God is not a trivial pursuit and God is not on remote control A whimsical cat and his human friends inhabit these 120 one panel cartoons that are perfect for church newsletters **The Complete Church Newsletter** Jeffrey D. Dennis, Jeffery P. Dennis, 1992 *Light Steps* Timothy Bowes, 2007-06 The devotional stories in *Light Steps* take ordinary life and point out the extraordinary work of God in it God always desires that we shed the light of His word on the darkness of everyday life Motivation **Between the Menorah and the Cross** Stephen Beebe, 2008-05-27 In the first century of Christianity the church lived a precarious existence in Palestine Externally it faced the oppression of Rome and the opposition of an orthodox Jewish majority Internally the Gospel writers struggled to consolidate a congregation of Jewish converts with stubbornly ingrained Judaic traditions By reading the Gospels with this historical perspective we can see the day to day trials of the early church and how the church fathers faced up to the challenges of traditions that contradicted the teachings of the new faith In comparison to the Jewish tradition into which Jesus was born one of the most radical Christian teachings was associated with the nature of the human soul and its continuing existence after death The Old Testament is not explicit about an afterlife and a firm belief in an eternal soul did not form a part of traditional Judaism When Jesus spoke of eternal life this was a challenge to His audience and even His own followers had difficulty assimilating this concept Another concept that was perhaps even more challenging for early Jewish Christians was the position of Jesus as One at the right hand of God and a Spirit that existed from the very dawn of creation To the Jews this teaching violated the sacrosanct principle of monotheism a principle that was inherited from Abraham and that was at the very center of Jewish consciousness *Between the Menorah and the Cross* takes a fresh look at the differences between Christianity and Judaism examining the teachings of Jesus that contrasted markedly with the orthodox Jewish view Reflecting on this dimension offers a new perspective on the mission of Christ in the first century While we are familiar with the clashes between Jesus and the scribes and Pharisees it seldom occurs to us that the issues at the center of those conflicts were also issues to be dealt with between the church fathers and their Jewish Christian congregations For while the Jewish Christians had accepted Jesus as Messiah other points of Christian doctrine were slow to be assimilated Thus the church fathers struggled to deepen their congregations in the subtleties of the Message of Jesus But more significant still is the fact that their experience colored the way that they wrote the Gospels the vocabulary that they chose and the nuances that they embedded in the text In other words the way we read the Gospels today is influenced by the experience of Christians in the first century Only by reexamining their experience and their historical context can we really appreciate the message in the Gospels Chapter 1 Jacobs pillow A scientific materialist reconciles with Christianity This chapter describes the authors early sense of discomfort with Jesus and with Christianity in general Rebellious against his traditional family religion he ran the gauntlet from skeptic to

atheist to scientific materialist When finally he became a member of the Bah Faith he still had not reconciled with Christianity much less did he feel at ease with the Jesus that he had known through Christianity The author had to overcome that sense of discomfort by understanding better the milieu in which the Gospels were written which in turn reveals the underlying intentions of the Gospel writers with regard to Jesus Chapter 2 From Abraham to Jesus The building blocks of faith Surveying the broad sweep of Judeo Christian history from Abraham to Jesus we find an evolution of concepts and a maturation of faith Abraham was the source of monotheism and monotheism in turn led to the law and ethics of Moses What did Jesus contribute to this process Until Jesus appeared there was very little said in the Bible about life after death nor about an immortal human soul It was Jesus who introduced a firm concept of the eternal indestructible human soul This represented a milestone in hum

The Heresy of Ham, Revised Edition Joel Edmund Anderson, 2024-11-07 One of the most controversial issues in our society today especially within Evangelicalism is that of the creation evolution debate Over the past few decades Fundamentalist apologists like Ken Ham of the young earth creationist organization Answers in Genesis have made a career convincing people that the age of the Earth and the historicity of Genesis 1:1 are not just bedrock fundamental tenets of the Christian faith but are also crucial fronts in the culture war In The Heresy of Ham Joel Edmund Anderson convincingly shows that not only are the YECist claims of Ken Ham unbiblical and unscientific but they have sowed the seeds of strife and division within countless Christian communities He should know he lost his job as a

biblical worldview teacher at a small Evangelical school over the issue of YECism Anderson's ultimate message is simple regardless of your position regarding evolution or the interpretation of Genesis 1:11 they are not fundamental to the Christian faith and should not be used as battlefronts in the culture war If you have always had questions about the creation evolution debate the claims of YECism and the way Genesis 1:11 should be interpreted *The Heresy of Ham* is a tremendous resource for anyone struggling coming to grips with these issues PUSH Cindy Trimm, 2014-07-01 Your Breakthrough Is Only a PUSH Away Today's world knows little about perseverance This is why so few people become innovators entrepreneurs and world changers Success is bypassed not due to a lack of opportunity but because we don't know how to maximize the opportunities in front of us and PUSH persevere until success happens In her encouraging and dynamic style Dr Cindy Trimm inspires you to go for it It is one thing to read about the lives of great achievers it is another thing to join their ranks Learn how to Carry your dreams visions and goals full term and to complete fulfillment Exercise the power of faith to overcome the impossible and release God's supernatural purposes into your life Resist the temptation to cave under pressure and press on even when you don't feel like it anymore Empower others to fulfill their divine destinies through co laboring with them If you dare to believe that God has something great in store for you to do to accomplish or to achieve you must be prepared to persevere in spite of your hardship setbacks and challenges in order to realize your dreams and accomplish your goals This book is written to give you that extra push Cindy Trimm **Sassy, Single, and Satisfied**

, 1900 *WE SAW THE SUN RISE TWICE* LEONA AMACHER REESE, 2004-11-22 Do you want God's best for your life Do you want to feel special to Him Do you want some answers in some very difficult situations Do you want to hear how others have walked on the water Do you want to touch the hem of His garment Do you want to drink from the well that never shall run dry Are you walking in the sunshine or the dark shadows of life Whatever your circumstances might be this book is for you This book is for your daughter This book is one that you and your husband could read together It is not about the author or her opinion but the universal and not optional principles of God It demonstrates living illustrations of the consequences of their application or the failure to employ them You can laugh you can cry you can sympathize with those that wept and you can learn to forgive Life is on a moving walkway taking you steadily toward a door marked death There are all sorts of

varying circumstances en route God says This is the Way walk ye in it Often in the dark shadows of life or even in the sunlight we ask What is the Way The people in this book asked that question They found the Way Our God answered their cry and they chose to follow His directions even though it sometimes seemed against their common sense You ll find answers that can change your whole perspective on life Those that took the challenge to pray a very simple short prayer Lord change me are living examples of changed lives The results were not dependent upon God changing the circumstances They were willing for God to change them in their circumstances If you re reading this and you have an irregular person in your life let me encourage you That irregular person has hurts and they have walked into your life because God has trusted you to be a big part of their healing Perhaps they have never heard that God loves them just the way they are but He loves them too much to leave them that way You can be a very strong link between them and God You decide Do you want God s best for your life
