God Is From Question To Proof To Embracing The Truth:

God Is Joseph H. Casey, 1998-08-20 *God Is* clears away the psychological attitudes that impede insight into God's existence using nontechnical language that leads readers step by step to an affirmation of the presence of an uncaused entity. The author builds a quasi empirical argument that should reveal where a reader is reluctant or refuses to advance in ascent to God and creates the necessary confrontation with naturalism fundamental to any of God's existence proof. He uses Grisez's quasi empirical argument while taking into account the major works covering this subject to date to devise a rational philosophical approach to knowing God in a deeper clearer more effective manner without depending on a previous knowledge of philosophy. However he moves beyond a cerebral approach to proof to encourage a relationship with the God discovered through this process.

Why Buddhism? the Evil of Religion Joseph T. Arellano, 2004-04 This work supports the proposition that the eradication of religion will make us live as one and there is only one way to remove religion and that is to remove the need for it. Armed only with reason this work will prove that due to ignorance religion is just an invention to fill a need. This work has three segments. The first explores from the point of view of a Christian practicing Pagan the process on how myth became reality. It will prove that God was invented and re-invented perpetually for necessity and convenience. It is that need that gave the bible its religious relevance. Understood with a naked mind the bible is far from being just a religious document but a political one. This work explores why religion and politics cannot and will not separate. Hence unavoidably it dipped its hands into one painful political issue the Israeli Palestinian conflict. The second part elucidates that if the foundation is a myth it only follows that what was founded on it Jesus is a lie. It will give proof to the fact that the New Testament was manipulated to further vested interest. Understood with an unconditioned mind that is without the traditional spirituality attached to it it will prove that Jesus is just selfishly scheming to regain his grandfather David's throne. It will also prove that Jesus is gay. The last part is my way of introducing Buddhism. It could shed light to what Western science is exiting themselves about. It answers why man will never find the Missing Link. It explains how and why advanced civilizations deteriorated to their present state. In our fight against virus causing disease we must explore all avenues to defeat it. Buddhism offers one. Buddhism is not only about science it is also about religion. It delves into the reality of a soul. Buddhism gives us reason on why we must discriminate on account of race or for any other reason.

Bible Answers to World Questions Kris Doulos, 2007-02 An explosion. Two seconds later the report of a gunshot. In a wisp Jake Braddock's entire life drastically changes. One moment he is building a sandcastle with his family on a Miami public beach the next he is holding his wife's body and realizing that his infant son has been abducted. In *Eight Ball Justice* Dade County Homicide Detectives Sherm Walters and Sebastan Xollo initially assume these are simply revenge crimes. The year before Jake then head of security at Miami International Airport played an important role in not only thwarting a bioterror attack on the airport but also capturing Osama bin Laden's eldest son. One group. When Sherm's close friend Dr Roxanne Shockley draws their attention to

Webber,2006-10-01 One of the most popular current views on spirituality is that there are varied paths to God In this new Ancient Future series book Bob Webber evaluates this common misunderstanding of spirituality as separated from God s story extremely self focused and shaped by our surrounding culture This challenging work offers a corrective calling us to an alternative Christian spirituality one that reveals two sides that of God s divine embrace of us and our passionate response The Divine Embrace is a fresh grounded look at true spirituality that will be embraced by pastors thinking Christians and anyone looking for an engaging and thorough treatment of this topic **Questions of the Soul** S. The Jasper Love Trilogy Onyx Cantor, 2020-03-02 This is the story of one man's triumph over Cult Religion As a preacher's son Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion He and four sisters labored to comply with cult demands consistent with their mother's mantra People expect preacher's kids to be perfect The Voice of Truth bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ conflicts with voices of deception from pulpits and pews triggering crippling anxiety depression and suicidal ideation Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity When a Connecticut preacher detects his private struggle the Bible scholar promises If you marry a good Pentecostal girl this thing will just fade away Jasper foolishly accepts the challenge believing that the pastor's counsel is based on Truth A 32 year battle ensues during which a Pentecostal preacher's daughter who aware of his struggle and trained in Exploitation of Advantage manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which simply won't leave me alone Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute Spiritual Warfare ensues during which he is molested by authority figures betrayed by cult dishonesty falls into sin is attacked by demons and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth In the end his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building marriage family home career material wealth and reputation Yet in losing all he is delivered from the Darkness of cult idolatry whereupon he is finally free to immerse himself in genuine Truth Light and Love breaking the tyrannical chains of Cult Religion Released by the Holy Spirit from cult bondage he is at last unleashed to fulfill his destiny To teach the Truth about Jasper Love that boundless unconditional love known only to those who genuinely experience Spiritual Enlightenment to a people deceived by the hateful harlots of idolatry who are nothing more than power crazed authoritarian self aggrandizing despotic antiChrist heretics who worship only one god CONTROL **An Antidote against Quakerisme: wherein these following questions**

are opened, the truth concerning them proved ... Whether the Scriptures or the light in every man be our guide to Heaven? Whether the light in every man be a saving light? ... Whether perfection ... be attainable in this life? Whether Baptism with water be an ordinance of Christ binding us? Whether the Supper be an ordinance of Christ binding us?
