Deep Splendor Robert P. Vande Kappelle, 2021-12-02 People concerned with spirituality are seekers instead of possessing truth they seek to be possessed by it Thus a fully spiritual person is forever learning and growing William Blake the seminal mystic poet who worked to bring about change both in the social order and in common ways of thinking taught that all we need to do is cleanse the doors of perception and we shall see things as they are infinite And nothing cleanses and enlarges the doors of perception like great literature Whether it be poetry a short story a novel historical fiction fantasy literature or biographical writing the literary experience is slightly beyond a reader s horizon of understanding When literature enhances spirituality as is true of the dozen or more selections examined in *Deep Splendor* each literary moment confounds in order to keep us forever enthralled forever longing The authors and works examined in this study explore timeless spiritual themes such as coming of age relationships self integration the struggle of good versus evil the nature of change and the corruptive aspects of power When we think about great literature it is easy to focus objectively on the literature itself on what makes literature bad or good However another essential distinction involves the reader replacing the category good book with that of good reader As master teacher C S Lewis wrote a quality of good readers is that they seek an enlargement of their being *Deep Splendor* will teach you how to read great literature and how to be a good reader

Transformative Communication Studies Omar Swartz, 2008-01-01 This interdisciplinary collection of essays charts intersections between communication cultural studies and a variety of emergent emancipatory and liberatory discourses Every essay attempts in one way or another to speak to the following questions What

would a theory of liberation look like that is premised on a communication view of the world How would such a view expand and even redefine our understanding of liberation Finally how would such a view enlarge our understanding of what is collectively communally and organizationally possible In other words the chapters articulate what can be loosely considered a humanist theory of communication and praxis The goal is to move beyond discourses of liberation that are grounded in essentialist assumptions and to move the conversation toward an engaged criticism on cultural and social levels that facilitates and encourages progressive action This edited collection thus has as its goal a theory of human liberation grounded in communication as a resource for social and spiritual transformation The chapters comprise a mix of conceptual and applied studies that interrogate the communicative practices that naturalize our hierarchical world reifying and stultifying our moral and political imaginations As an antidote to this problem the contributors consider the importance of uncertainty and contingency in the development of human potential Rather than fearing uncertainty and contingency and allowing that fear to control us contributors argue that we should find within these conditions the source of our humanity and the strength to question and resist unjust social reifications When we do this we will rediscover the power of communication and regain an agency and control over our lives We then can start the difficult but humanizing process of constructing the world anew Case study exemplars of this construction thus are showcased

Halloween, Hallowed Is Thy Name Rev. Dr. Eddie J. Smith, 2012-11-05 Halloween has been referred to as the Devils holiday but all 365 1 4 days were created by and belong to Jesus If Satan usurps even one day it is our Christian duty and responsibility to reclaim and redeem it in the name of our Lord Are the imaginary ghouls and goblins of Halloween any more wicked than the jolly elf called Santa Claus or the Easter bunny Should the Church stop celebrating these holy days the bookends of our faith as well Instead of battling the spiritual enemy on Halloween the Church is guilty of crossing swords with one another We fight among ourselves not about how to celebrate Halloween but whether it should even be observed Jesus is more the reason for the season on Halloween than He is at Christmas The Church must realize it is forfeiting Halloween as an opportunity to glorify the Prince of Peace the One who has given us the victory over the prince of darkness and his evil minions The Way the Truth and the Life has conquered Death and the grave By dressing up in costumes and portraying frightening creatures who at one time caused us to fear and tremble we are not glorifying Satan Rather we are poking fun at the Serpent whose kingdom has been plundered by our Savior and whose head has been crushed Should we celebrate Halloween The question is How can we not Halloween Hallowed is Thy Name offers a believer confidence and joy in expressing the greeting Happy Halloween

Religions of the Stars Richard Abanes, 2009-07-01 Today s culture is saturated with news about celebrities and their beliefs Oprah Winfrey Tom Cruise and Madonna all promote their own brand of spirituality What do they really believe and does it line up with what the Bible teaches This book answers these questions appealing to those curious about the religions of the rich and famous while holding up their beliefs to the light of the gospel Concerned parents will also gain insight into the religious influences

their kids may be exposed to in the media *Politics in Fantasy Media* Gerold Sedlmayr, Nicole Waller, 2014-10-28 Fantasy is often condemned as escapist unsophisticated and superficial This collection of new essays puts such easy dismissals to the test by examining the ways in which Fantasy narratives present diverse politically relevant discourses gender race religion or consumerism and thereby serve as indicators of their real world contexts Through their depiction of other worlds allegedly disconnected from our own these texts are able to actualize political attitudes Instead of categorizing Fantasy either as conservative or progressive the essays suggest that its generic peculiarity allows the emergence of productive forms of oscillation between these extremes Covered are J R R Tolkien s The Lord of the Rings George R R Martin s A Song of Ice and Fire sequence J K Rowling s Harry Potter novels the vampire TV series True Blood and the dystopian computer game Fallout 3

3 *The Life, Death, and Resurrection of Harry Potter* John Killinger, 2009 Examining all of the Harry Potter novels John Killinger points out the consistent way in which author J K Rowling follows the story of Christ in the Gospels with Harry as a Christ figure **What's a Christian to Do with Harry Potter?** Connie Neal, 2001-05-15 Answers to the Burning Questions Christian Parents Educators and Others Are Asking about Harry Potter In the world of publishing few successes have equaled that of J K Rowling s Harry Potter series magical stories centered on one boy s adventures at Hogwarts a school for witchcraft and wizardry Yet this popular series presents a perplexing even divisive challenge to the Christian community Although the books present a clear picture of the epic battle between good and evil they appear to support the use of magic and have had a controversial impact on our culture As a result many of us are wondering How should I respond to this Harry Potter thing Find out what the Harry Potter books really say about witchcraft and wizardry Hear what Christians on both sides of the debate are saying about Harry Potter and decide what you believe Learn how you can use the series to protect your child from real occult influences In What s a Christian to Do with Harry Potter you ll explore the valid concerns some Christians have about the series sort out the fact and fiction at the center of the debate discover biblical answers that may surprise you and learn how you can tap into this powerful cultural phenomenon to help advance the kingdom of God This book has not been prepared approved or licensed by any person or entity that created published or produced the Harry Potter books or related properties **Deeper Insights Into the Living Reality of Being** Jean C. Fletcher, 2010-06 This is the third in a series of three books which chronicles my life experiences in being brought from duality into oneness in God Beginning chronologically where the second book ends it includes new insights and experiences on my journey from deception as Eve to the birthing of the Son as Mary and from glory to glory on into the fullness of God The cover photo of the two converging train tracks symbolizes my growth from natural to spiritual the two coming together to form one in newness of life God's World of Good and Evil Timothy Wood, 2004-10 Mormonism will soon become one of the major religions of the world The theological history of Mormonism begins after the flood of Noah and during the time the people were building the great tower to reach heaven At this time a colony of the faithful believers in God were brought to North America where

they created a magnificent civilization Later other colonist left the Middle East and traveled to the Americas lead by prophets of God The secret religion of Ancient America was recorded on metal plates and rediscovered in 1822 With other modern revelations and records from the tombs of Egypt along with the Bible they comprise the doctrines and history of Mormonism Within this book are the secrets of the earth and why God would create a world of good and evil How we all came from another planet as spirits to inhabit mortal human bodies Our objective on earth is only part of our continuing journey It is a school to learn about good and evil forces and that only through obedience to all of God s laws can we graduate to glory The Devil is a main character in God s plan to try and tempt us into transgression rebellion and sin This book is a Christian s Battle Manual on how to recognize and overcome evil It is a history of God s world from its birth to its expected death and then on to eternity

Failed God John A. Rush,2019-04-16 On a 2001 trip to the cathedrals of Europe anthropologist John Rush and his wife entered St Mark s Basilica in Venice and encountered a mosaic depicting Jesus surrounded by mushrooms with an Amanita muscaria cap in his hand Examining the space with new eyes they discovered images of mushrooms and mind altering plants all over the Basilica Intrigued Dr Rush spent seven years researching and reflecting on the profound effects hallucinogens had on the founding of all three major Western religions He concluded that Judaism Christianity and Islam are political constructions evolving out of the use of not only Amanita muscaria but a plethora of mind altering substances

Failed God Fractured Myth in a Fragile World re examines the scriptural stories of Judaism Christianity and Islam as told in the Bible and Qur an and reveals them as concocted mythical charters stemming from drug induced romps with the super natural Rush shows how mind altering substances played an instrumental role in the birth and development of Western religions and explains how they contributed to reports of prophetic experiences including angry and disturbing messages from the divine With chapters on Judaism Christianity and Islam Rush fully addresses the effects of mind altering substances on each tradition convincingly discrediting the idea that they stem from actual human interaction with the divine He also shows how an intoxicated and over zealous Apostle Paul corrupted Jesus s simple message of human decency forming an oppressive religious system based on fear In a thought provoking conclusion Rush asks how we can continue to attribute authority to traditions that were so clearly irrationally founded and incompatible with today s world

Faith in America [3 Volumes] Charles H. Lippy,2006-09-30 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life With an influx of immigrants from Asia Latin America and other regions the diversity of religion has

grown to include Buddhism Hinduism Islam and other faiths Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general Women have entered the clergy in record numbers and the push for allowing women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase In addition gay couples are leading the same sex marriage movement and other social issues such as abortion stem cell research end of life care etc are still being debated Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life So much has changed and faith in America has become more important than ever as part of our culture our way of life and the way we relate to each other and the world around us The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world Bobby Joe Burns, Gigsy and God: Stories from Earth Greg

Karber,2010-04-16 The first anecdote recounted in this book relate to a deranged man Bobby Joe Burns who killed and mutilated his mother in 1958 under the influence of the Book of Revelation terrifying the town including the author and his lifelong best friend That friend Gigsy had his own mental difficulties many years later and came face to face with the aging Burns There are stories of the relationship of various people with their gods often played out in the legal system where individual beliefs were parsed by experts judges and parents some well meaning some simply tyrannical The effects of a biblical story on one man of a whimsical Wiccan and devotees of cults among other stories make for an interesting mixture of how religion effects our daily lives The stories are told in a wry sometimes humorous manner thought provoking in the end

When God Change His Address Dr. David Taylor,2016-05-10 We stand on the precipice of human history as we know it The clock is now ticking and it is minutes before midnight the Bride Groom is near Believers all over the world are living with expectancy that at any moment an Angel is going to sound a trumpet so loud that the dead in Christ shall rise first to meet the Lord in the Air While those that remain or that are alive shall be Raptured snatched away to joined the others standing on the clouds to meet Jesus There they will begin that great precessional to the kingdom of heaven singing and praising God According to the prophetic timeline and the Book of Revelation he that hath an ear let him hear what the Spirit saith unto the Church these are the last of the last days The Church and the guardian of the church the Holy Spirit is near that epic moment in which they will leave this world to take their place along side the Father and the Son Once the redeemed and Gods precious Spirit is out of here this world is in for an upheaval it has never known The Anti Christ will rise to prominence he will dominate this world along with the False Prophet who will release demon spirits into the world and behead Christians Jesus will come a second time this time hes riding on a white horse leading an army of powerful Angels to capture Satan and bound him for a thousand years Jesus will assume King Davids throne in Jerusalem and thus begin the Millennium reign

Following the thousand year reign of Christ Satan will be loosed for a short while only to be ultimately defeated at the cataclysmic Battle of Armageddon where he will be cast in the lake of fire to burn forever Human history as we know it closes with the New Earth and New Heaven coming down out of heaven from God as a bride adorned for her husband It has been prepared before the foundation of the World It is shining brighter than the sun with the glory of God Her walls are made of precious pearls her streets are paved in Gold that is so pure that it is transparent The City has millions of mansions tailored for Gods Jewels the Body of Christ This is the New Jerusalem It has 12 gates that are guarded by an Angel at each gate the walls have 12 foundations and in each foundation are the names of the 12 Apostles of the Lamb And the throne of God and the Lamb shall be in it Make sure that you are in it
