Making Sense of God's Love Lorraine Cavanagh,2012-05-04 How can we be restored to God s love Is there a way back Many people are put off Christianity by the idea of God punishing his Son for our sins They find it hard to believe in a loving God who appears to be so angry and vindictive Many also feel that the things Christians teach publicly or privately do not work for them in real life This book therefore addresses some of the difficult questions that these people are asking It is also for those who may be wanting to return to their faith and for those who would like to explore it in greater depth It aims to create an open theological landscape which will take account of the many different ways in which we are saved and restored Making Sense of God s Love will help to guide seekers towards a new understanding of what it really means to live as people who have been forgiven and brought into an honest and deep relationship with God through the atoning and redemptive work of Jesus Christ **The Band of Hope Review and Children's Friend** ,1851 **The Comprehensive Commentary on the Holy Bible: Matt.-John. 1834** William Jenks,1834 Gospel Herald ,1923 The Complete Works of Shakspere, Revised from the Original Editions.
