V. Barrett,2016-01-23 Although not in every line and perhaps not on every page the message of Christ overshadows the entire Old Testament Finding Christ is the key that both unlocks and locks in the message of the whole Word of God Jesus Christ is God s final perfect incomparable Word Beginning at Moses seeks to follow the example of Christ Himself Who beginning at Moses and all the prophets expounded from all the Scripture the things concerning Himself      Betraying Dignity Orit Kamir,2019-10-31 What do medieval knights suicide bombers and victimhood culture have in common Betraying Dignity argues that in the second decade of the twenty first century individuals political parties and nations around the world are abandoning the dignity based culture we established in the aftermath of two world wars less than a century ago Disappointed or intimidated many turn their backs on the humanitarian universalistic culture that presumes our inherent human dignity and celebrates it as the basis of every individual s equal human rights Instead people and nations are returning to a much older honor based cultural structure Because its ancient logic and mentality take new forms such as social network shaming and certain aspects of victimhood culture we fail to recognize them and overlook the pitfalls of the old honor based structure Narrating the history of honor based societies this book distinguishes their underlying principle from the post WWII notion of dignity that underlies human rights It makes the case that in order to revive and strengthen dignity based culture the concept of human dignity

must be defined narrowly and succinctly and enhanced with the principle of respect Continuing its historical and cultural narrative the book discusses contemporary phenomena such as al Qaeda terrorists shaming via social network FoMO and some features of the emerging victimhood culture The book pays homage to Erich Fromm s classic Escape from Freedom

**The Theology of Dallas Willard** Gary Black,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

**The Blessed and Boundless God** George Swinnock,2014-07-31 From the psalmist s assertion that no one in heaven or earth is like God George Swinnock derives his principal doctrine namely God is incomparable Throughout The Blessed and Boundless God he proves his doctrine by demonstrating God s incomparableness in His being attributes works and words Swinnock is a pastor theologian who views theology as the means by which we grow in acquaintance with God and consequently in godliness Therefore he carefully applies his doctrine by demonstrating how God s incomparableness informs counsels and comforts us Read this book prayerfully thoughtfully and expectantly keeping in mind Swinnock s simple conviction that when we take the incomparable God as our God we are incomparably blessed Table of Contents Part 1 God s Incomparable Being Part 2 God s Incomparable Attributes Part 3 God s Incomparable Works Part 4 God s Incomparable Words Part 5 Application Series Description Interest in the Puritans continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today
