Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand,2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains

Our true identity is found in Jesus Christ alone **Growing in Holiness through the Psalms** David J.

Church Wounds Dr. Michael Gray,2019-05-07 Statistics from George Barna Research Group reveal that twenty five to thirty million adults stay away from the Christian church because of hurtful treatment experienced at the hands of the body of Christ Having gone through several church hurts himself the author has written this book to be a practice guide on how to be restored renewed and healed from church inflicted wounds so that one s relationship to God is joyous and fruitful From his own experience and documented research through surveys to pastor s church members and non church goers the author provides a training manual that churches and church leaders can use to reach and restore church members to a healthy relationship with God and His church We all want the church to be a place where we can go to worship God with freedom and joy We all want to be encouraged to grow in our faith and walk with Christ We all want a place where we find joy in serving others a place of safety and unconditional love No one wants to be part of a church that acts like the world treating people with judgment condemnation lack of ompassion and love Church wounds happen but God is a restorer of the broken hearted God is the great healer of our pain and disappointment The author believes that if one takes the steps outlined in the book there will be renewal and restoration If churches reach out to those who have been wounded in the way outlined in this book many will come back into fellowship with the Lord and His church **I'm Hurting, But I'm Healing** Andrew

Floyd,2017-04-18 It was 4 45 p m on July 15 2015 As my daughters and I held vigil at my wife s bedside we watched her exhale her last breath As she departed this life I not only lost my wife I lost my life She was my world From this moment I would begin the difficult process of transitioning to life without her There would be many tear filled nights countless painful days But each day as I struggle to journey forward I feel God s presence He s carefully restoring my strength Yes I still hurt

deeply But things are getting better slowly By faith I m hurting but I m healing *The Healing Myth* J. Keir Howard,2013-09-09 What is the role of the church in ministering to the sick This book argues that it is not what is now called the healing ministry with its frequent claims of remarkable cures from physical illness Little critical attention seems to have been paid to the validity of these claims which if genuine would be producing clearly observable effects on the levels of morbidity and mortality in society Similarly the important ethical and moral questions the movement raises have also been very largely ignored A huge edifice of muddled theology together with highly questionable practice has been built upon very shaky foundations It is the purpose of this book to examine seriously the dubious claims and teaching of the modern healing movement as well to expose its very real dangers in order to encourage Christian people both ordained and lay to exercise a more critical approach to the healing movement The book concludes by outlining a framework for a return to a more biblical emphasis on proper pastoral care in the church s ministry to the sick *Does God Exist?* Jader J S Pinto,2025-02-06 Have you ever wondered if science can confirm the existence of God The Existence of God Scientific and Philosophical Evidence offers an in depth and insightful analysis of the convergence of faith and science addressing philosophical scientific and theological questions in an accessible and engaging way In this e book you will find Scientific Evidence From the fine tuning of the universe to the complexity of DNA to the origin of the universe and the impressive order of nature we explore how science points to an intelligent and transcendental Creator Philosophical Principles Delve into the principle of causality and discover how the uncaused first cause is fundamental to understanding the existence of God The Christian Vision Connect scientific discoveries with biblical wisdom which reveals divine creation through the order and beauty of the cosmos Deep Reflections Reflections on the meaning of life the purpose of the universe and the interplay between science and faith taking you on a journey of discovery and faith Ideal for those who want to understand how science and faith can walk hand in hand this book is an invitation to explore the wonders of the universe with a deeper and more spiritual perspective Whether you already have a strong faith or are searching for answers this e book will expand your vision and strengthen your understanding of the existence of God Get The Existence of God Scientific and Philosophical Evidence now and discover how science and faith intertwine to reveal a Creator who is simultaneously the cause and purpose of all creation *When God Doesn't Heal Now* Larry Keefauver,1999-12-16 God has healed in the past and wants to heal now But though they pray in faith go to healing meetings and strive to have enough faith many are not healed as they would wish to be When God Doesn t Heal Now examines the myths about healing that are built on partial truths and looks at the profound relationship between prayer healing and the sovereignty of God This guide offers a balanced look at teachings on healing faith healers and ways to bring biblical clarity to beliefs that often foster guilt defeat and despair when believers are not immediately healed When God Doesn t Heal Now is an encouraging book which affirms the biblical truth that God is our healer **NKJV, The Woman's Study Bible, Full-Color** Thomas Nelson,2017-03-28 The Woman s Study Bible poignantly reveals the Word of God to women

Devotions for Couples Patrick M. Morley, 1998. Best-selling author Patrick Morley has compiled a series of thought-provoking, spirit-nourishing devotional readings for couples.

How God Answers Prayer (How to Pray) Elmer Towns, 2011-07-28. What happens when you pray? This book does not tell you how to get answers to your prayers; there are thousands of books like that. This is a radically different book because it approaches prayer from God's perspective. Prayer is relationship with God. When you understand How God Answers Prayer, then you realize prayer is all about trusting your heavenly Father, trusting Him to answer what is best for you, how it's best for you, and when it's best for you. Divided into three inspiring sections and bite-size chapters filled with full servings of biblical goodness, you will learn about the following and much more: God answers when you wait in His presence for the answer; God can give you a vision of how the answer can come; God answers when you yield to His will; Use your faith supernaturally to move God's work forward; God may allow an obstacle to tell you, "No, it will not happen"; When God answers your prayer differently from what you expected, God may say, "No, I have a better plan for your life." Well-known author and respected Liberty University dean and professor Dr. Elmer Towns sheds light on your innermost desire to communicate with your heavenly Father and brings your relationship with Him to an even more intimate level of love.

Mustard Seeds Lynn Coulter, 2008-09-01. C. S. Lewis likened hard times to God's megaphone: a season when the Creator's ways are made clear and proven merciful. Mustard Seeds author Lynn Coulter agrees, writing here across fifteen essays about the natural graces and God signs that emerged during a three-year period of hardship and sustain her faith today. From personal events (her parents' deaths, a job loss) to universal cripples (stress, worry), Coulter's fresh anecdotes unearth the little daily markers of God's love and care while staying rooted in Scripture. Her writings fuse the observational strength of Anne Lamott's nonfiction with the warm delivery of Sue Monk Kidd's devotional books and are sure to be passed around as tools of encouragement and faith strengthening among friends. Chapters include: Used People, Deep Healing, and

Nothing without Joy Endorsements Starred review Coulter a magazine journalist takes the familiar biblical story of faith the size of a mustard seed to illustrate how God can use even the most horrendous lifequakes as faith builders Coulter opens her compilation of life essays with a personal story from her childhood when the concept of mustard seed faith was first planted after a teacher offered the class mustard seed charms as an attendance reward Though Coulter eventually lost the charm she never forgot its message Years later after the death of her parents her husband s job loss financial setbacks and her own shattered shoulder the author s faith was in pieces She wrestled long and hard to regain closeness with God In each of these tender topical chapters Coulter uses everyday happenings from nature parenting work illnesses and church to reaffirm a single lesson God is intimately involved in every aspect of life and he cares with a watchful affection Readers will find strength from Coulter s story and solace in God s promises regarding faith and grace Publishers Weekly Reading Mustard Seeds feels like time spent conversing with a dear old friend over a cup of coffee Lynn s honest story of how she renewed her faith in Jesus will be a blessing and a source of encouragement Mickey McLean Web Managing Editor WORLD Magazine A sensitive thoughtful book filled with new beginnings hope and the wonder and beauty of the search for God Amy Blackmarr author of Going to Ground Simple Life on a Georgia Pond
