It Is All About Love Eric E. Redic,2016-07-18 *It Is All About Love* is the result of years of study much prayer and research into God and His word Many differing opinions exist concerning who God is as well as the significance of His covenant The purpose of this book is to provide clear evidence from scripture that the entire covenant from its earliest expressions to its final fulfillment is nothing less than Gods effort to restore and protect His creation Beginning in Genesis the covenant is examined to reveal its true purpose as well as humanities relationship to it Aspects of the covenant that have been misunderstood by some will become clear as by the light of Gods word they reveal the Promised Seed prophesied from the beginning to crush the serpents head and ultimately restore us back to the image of God and Earth back to the garden God created it to be The covenant reveals God as He is the fullness of true love The covenant unmasked in the light of Gods word reveals Jesus as the fullness of the covenant From that tree in the midst of that first garden to the covenants festivals feasts sacrifices and even the tabernacle erected in the wilderness a clear picture develops of Gods love and desire to save and restore us to Himself Every portion of the covenant is a revelation of Jesus Christ and His love *It Is All About love*

Thy Kingdom Come Jerry Huerta,Marsue Huerta,2018-12-28 Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist s house and its perception of recapitulation in the book of Revelation which does not disturb the historicist s view that the papacy is the Antichrist Under this new interpretation John s use of recapitulation was modest as compared with the traditionalist s view The new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society the prophetic era of the Laodicean church the autumnal festivals and the the time of the end in Daniel 8 17 The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant s rise to prominence and their termination of the churches influence in our modern day commerce is incendiary Moreover the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative As is the case of all such correlations that come to light through progressive revelation they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness Revelation 1 3

God's Sacred Occasions John R. Oliver

MD,2023-06-14 The Feasts of the Lord or God's Appointed Times first appear in the Bible during the Exodus There are three aspects to the Feasts of the Lord 1 Agricultural 2 Memorial and 3 Prophetic They are prophetic about both the First Advent and the Second Advent which means that some events prophesied have not happened yet The Jewish calendar was to be determined by the New Moons and the ripening of barley in Israel and consisted of twelve or thirteen months The first of the Appointed Times was Passover and the Feast of Unleavened Bread Unfortunately the Hebrews rarely observed the Feasts of the Lord and this ultimately led to their division and the Babylonian captivity In Babylon they began to rely upon the Babylonians astronomical calculations as well as observations to try to determine when the Feasts of the Lord would occur Finally in the fourth century they began to rely solely on calculations to determine the dates of the Feasts of the Lord The Feasts of the Lord played an important role during Christ's time on earth There were four Passovers during His ministry culminating in His crucifixion at the time of the fourth Passover After His resurrection the Holy Spirit was poured out upon His followers in Jerusalem on the day of Pentecost The early Christian Church continued observance of the Feasts of the Lord Paul observed Passover and the Feast of Unleavened Bread in Philippi He was arrested at the time of Pentecost The first breaks from the Feasts of the Lord began in the second century CE The Feasts of the Lord are still important today because they were part of an oath from God and He never breaks His oaths Furthermore we will be observing Feasts of the Lord in the New Earth

Learning Messiah Edjan Westerman,2018-09-27 Israel's election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God's stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God's way The Holocaust made us realize that our de Jew ized reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God's way anew and to walk in it
