Living Your Jesus Reality Erich Fuls, 2012-03-14 Living Your Jesus Reality penned by author Erich Fuls presents that Jesus in Person came to reside in every born again believer Jesus lives here on earth in believers to implement the words and works of Almighty God The author grapples with these questions Why does the world not see Christ fully alive in and active through Christians Have Christians taken Christ out of Christianity The book flags that Christianity is dead apart from Christ living in His people and He Himself transforming the world through them Readers will be challenged to discover meditate and implement the truth that every believer is supposed to live from through and to Jesus alive in them The sharp shooting and compact style of the 60 essays and poems gives much food for reflection in every section without a long reading requirement This book is for everyone who wishes to know why there is such a glaring discrepancy between what Jesus prepared and promised for all and what one sees in Christian circles today Furthermore this book is for all Christians who are hungry to know and show Jesus in their everyday life for real Every Christian who is tired of a fake self based religious and ritualistic Christianity and seeks revival in his own life will get much blessing from this book Christians who want to live from through and to Jesus Christ in Person here within them need to read this book Faithfully following the Biblical teachings of this book will reveal God Jesus in Person in God s children and in action from within them

Workbook Henry Blackaby, 2003-04-08 What if we knew our lives our everyday lives Held a significant place in God s great plans Would not everything take on a different cast Henry Blackaby author of the bestselling Experiencing God book and bible study material believes that no Christian need live without a God given direction To understand that in fact God did know you and choose you from eternity he writes will give you an enormous sense of purpose in life In Created to Be God s Friend Workbook Henry Blackaby and Kerry Skinner turn to the Old Testament patriarch Abraham to show how we can walk

in growing faith and friendship with God The Bible s compelling portraits of Abraham have profound relevance for us through them we see how faith and obedience lead to a lifetime of joyous blessing even when they seem bewildering and difficult This stand alone workbook which can also be read as a companion to the trade book Created to Be God s Friend provides illuminating questions and provocative insights allowing individuals and groups to explore how to Let God take the initiative to make us His friends Follow the Lord s timing when striking out for new territory and taking risks Deal with the consequences of divine commands and opportunities we have ignored Avoid letting success distract us from following God s call Believe that God can bring what He started to a grand conclusion For the God of the universe to have thoughts and purposes for us Blackaby and Skinner remind us also means that He will be at work in us and around us to bring them to pass It was true for Abraham s life It can be true for ours as well This format is designed for either individuals or group leaders Created to Be God s Friend is a remarkable study in our relationship with a personal God who is constantly working in each of our lives Previous editions 0 7852 6758 1 **The Sufferings of Jesus** Thomé de Jesus (Frei),1869
