the Dewey Decimal Classification system and selected an entire library s worth for you to browse without leaving home Here you ll find Summaries of outstanding titles in every subject Suggestions for locating reading material specific to your needs and interests In this broad survey of all the nonfiction categories you will find titles on everything from the A bomb to Zen Buddhism You might find yourself immersed in whole subject areas that you never thought you d be interested in **Code for Global Ethics** Rodrigue Tremblay, 2010-12 Humanists have long contended that morality is a strictly human concern and should be independent of religious creeds and dogma This principle was clearly articulated in the two Humanist Manifestos issued in the mid twentieth century and in Humanist Manifesto 2000 which appeared at the beginning of the twenty first century Now this code for global ethics further elaborates ten humanist principles designed for a world community that is growing ever closer together In the face of the obvious challenges to international stability from nuclear proliferation environmental degradation economic turmoil and reactionary and sometimes violent religious movements a code based on the natural dignity and inherent worth of all human beings is needed more than ever In separate chapters the author delves into the issues surrounding these ten humanist principles preserving individual dignity and equality respecting life and property tolerance sharing preventing domination of others eliminating superstition conserving the natural environment resolving differences cooperatively without resort to violence or war political and economic democracy and providing for universal education This forward looking optimistic and eminently reasonable discussion of humanist ideals makes an important contribution to laying the foundations for a just and peaceable global community Mind Stephen Larsen, 2014-05-27 We are all fundamentalists whether we acknowledge it or not We were born into a world of myth and metaphor and have come to internalize the stories we were told as children as the literal interpretations of much greater and deeply symbolic lessons When we fall into such patterns according to author and psychotherapist Stephen Larsen we lose all flexibility and freedom of thought We become split by dualistic thinking bad versus good black versus white and are weighted down by definitive concretistic principles and behaviors that alienate us from one another Dr Larsen explains that we can avoid such pitfalls by identifying our inner fundamentalist and becoming more open minded individuals

The Historical Christ and the Theological Jesus Dale C. Allison Jr., Dale C. Allison, 2009-03-09 In this book Dale Allison addresses ongoing historical theological questions concerning Jesus Christ What should one think of the modern quest for the historical Jesus when there is such enduring discord among the experts and when personal agendas play such a large role in the reconstructions How much history is in the Gospels and how much history does Christian theology require that there be How does the quest impinge on conventional Christian beliefs and what might it contribute to contemporary theological reflection From publisher's description The Blackwell Companion to Jesus Delbert Burkett, 2013-11-11 The Blackwell Companion to Jesus features a comprehensive collection of essays that explore the diverse ways in which Jesus has been imagined or portrayed from the beginnings of Christianity to the present day Considers portrayals of Jesus in the New

Testament and beyond Jesus in non Christian religions philosophical and historic perspectives modern manifestations and representations in Christian art novels and film Comprehensive scope of coverage distinguishes this work from similar offerings Examines both Christian and non Christian perspectives on Jesus including those from ethnic and sexual groups as well as from other faiths Offers rich and rewarding insights which will shape our understanding of this influential figure and his enduring legacy The Publishers Weekly ,2005 The Simplest Way Madhukar, H. W. L. Poonja, 2006 A relaxed and short road to peace of mind uncomplicated by the intellect and personal history This renowned German teacher advocates deconstructing the tyrants called feelings and the egocentered programming of many lifetimes **New Spiritual Answers** to Life's Big Questions Marianne Figge Stein, 2006-06-01 Do you want meaningful inspirational answers to important questions about God the universe and the meaning of life Are you an open minded spiritual seeker who is willing to look outside the boundaries of traditional religions Then you ll want to know about new spirituality It s not a new religion or organization it s a new worldview based on love tolerance compassion and freedom It s based on the writings of people such as Neale Donald Walsch author of the Conversations with God books but it also draws on sources ranging from ancient mysticism to contemporary science This book serves as an introduction to new spirituality for people who are ready to embark on a spiritual journey In a question and answer format it discusses important issues in a clear inspirational and practical way that will help you cultivate inner peace and happier relationships in your daily life You ll find out what new spirituality has to say about topics such as love karma suffering and the future of humanity You ll also learn about reincarnation co creation intuition and healing And above all you ll acquire a compassionate and empowering basis for finding your own way to enlightenment New Spiritual Answers to Life's Big Questions Ph. D. Marianne Figge Stein, 2006-06 Do you want meaningful inspirational answers to important questions about God the universe and the meaning of life Are you an open minded spiritual seeker who is willing to look outside the boundaries of traditional religions Then you ll want to know about new spirituality It s not a new religion or organization it s a new worldview based on love tolerance compassion and freedom It's based on the writings of people such as Neale Donald Walsch author of the Conversations with God books but it also draws on sources ranging from ancient mysticism to contemporary science This book serves as an introduction to new spirituality for people who are ready to embark on a spiritual journey In a question and answer format it discusses important issues in a clear inspirational and practical way that will help you cultivate inner peace and happier relationships in your daily life You ll find out what new spirituality has to say about topics such as love karma suffering and the future of humanity You ll also learn about reincarnation co creation intuition and healing And above all you ll acquire a compassionate and empowering basis for finding your own way to enlightenment God Without Religion Sankara Saranam, 2001-09-07 Disillusioned with organized religion some people escape into New Age movements and others retreat from their spiritual moorings altogether A more satisfying and transformative option for some is to embark on a quest to

discover God independently Using time tested tools of spiritual investigation it becomes possible to examine our present beliefs explore the nature of God and sense of self and ultimately expand our identity beyond its borders This book introduces this age old approach to spiritual inquiry for modern day readers Step by step it offers a bridge between organized religion and mystical spirituality for anyone questioning traditional dogma or its legacy of divisiveness It also assists in overcoming limitations and notions of exclusivity promoted by New Age movements Included are 17 universal techniques for developing a new view of what is meant by God and for broadening our view of ourselves others and all of life **Social and Cultural Dynamics** Pitirim Sorokin, 2017-09-29 This classic work is a revised and abridged version in a single volume of the work which more than any other catapulted Pitirim Sorokin into being one of the most famed figures of twentieth century sociology Its original publication occurred before World War II This revised version written some twenty years later reflects a postwar environment Earlier than most Sorokin took the consequences of the breakdown of colonialism into account in discussing the renaissance of the great cultures of African and Asian civilization Other than perhaps F S C Northrop no individual better incorporated the new role of the Indian Chinese Japanese and Arabic peoples in this postwar world Sorokin came to view social and cultural dynamics in terms of three major processes a major shift of mankind s creative center from Europe to the Pacific a progressive disintegration of the sensate culture and finally the first blush of the emergence and growth of a new idealistic sociocultural order This volume is perhaps most famous for revealing Sorokin's remarkable efforts to understand the relationship of war and peace to the process of social and political change Contrary to received wisdom he shows that the magnitude and depth of war grows in periods of social cultural and territorial expansion by the nation In short war is just as often a function of development as it is of social decay This long unavailable volume remains one of the major touchstones by which we can judge efforts to create an international social science There are few areas of social or cultural life that are not covered from painting art and music to the ethos of universalism and particularism These are terms which Sorokin introduced into the literature long before the rise of functional doctrines For all those interested in cultural and historical processes this volume provides the essence of Sorokin's remarkably prescient effort to achieve sociological transcendence by takin
