fellowship and ministry **Handbook for Sharing Your Faith Effectively** , **Sharing Jesus, Participant's Guide**

Doug Fields, Brett Eastman, 2006 These six new study guides have six sessions each and enable small groups to explore the power and life application of Jesus teaching on the five biblical purposes of a Christian life by closely examining Christ's model in the Gospels **Raising Up the Remnant** Jonah, 2008-05 For better or worse richer or poorer in sickness and in health I'm married to the notion that a personal relationship with God is essential to my life I can't be alone in this There

must be others with this still small voice running through their heads demanding relationship with God So in an effort to find them provoke them to seek greater depth in their own spirituality and to break through the notion that you have to be a saint to communicate with the Almighty I decided to share this experience using a character out of scripture as a straw man for my thoughts Jonah the Prophet to Nineveh I've spent the last eleven years arguing cajoling praising and bargaining with God as Jonah You don't really talk with God do you you might ask with an eye toward my sanity Oh I talk with God I'd answer In fact I sometimes yell at him and sometimes I cry when His touch becomes too but I'm certainly no saint That's the point You don't have to be a saint to experience this personal relationship with God through Christ and the Holy Spirit In persecution or success in feast or famine in good times or bad in spiritual growth or decadent deterioration in Jonah's time or ours this one on one relationship is our constant And praise is always our worship For those who have this there is no wavering or fear I must warn you that sometimes my Jonah is belligerent ungrateful and unwilling much like me But through it all God loved Jonah Good to know For God loves you uniquely He sent His son to save you personally And the Holy Spirit nudges you as a precious child of God *The Return of Glory* Neville, 2022-03-10 In books radio TV recordings and lectures Neville revealed the law of imagining creating wishes fulfilled by using certain imaginal techniques The year 1959 added a new dimension six

major visions told of the scriptural promises to transform every man into God eventually and the signs it has been completed

Sharing in God's Presence Roy D. Kindelberger, 2018-10-05 Sharing in God's Presence means far more than getting saved and experiencing God's blessing in our lives As believers his presence becomes a very personal part of who we are and what we do God actually shares himself with us The language that we use often fails to capture the depths of God's nature penetrating ours the fullness of his Spirit permeating our hearts and the innermost infusion of his presence in our lives But the truth couldn't be more intimate The person who is joined to the Lord is one spirit with him 1 Corinthians 6:17 This book is an invitation to share in God's presence by allowing God to share himself with you God wants everyone to share in his embrace As we accept our responsibility for prayer ministry and even revival we share in the very precious dynamic of give and response that's involved in an intimate walk with Jesus Christ For a general readership this book is a reworking of material from the second half of the author's academic work *God's Absence and the Charismatic Presence*
