Butler, 2000-05-01 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike      *Parables, Catholic Apologetics Through Sacred Scripture* John Carberry, 2003 The book analyzes several of the Gospel parables as to how they relate to both the Old Testament as well as everyday life Although the book is broken down into chapters on four parables most of the Gospel parables are discussed      *The Christian Advocate*, 1900      NIV, The Woman's

Blaauw, 2021-12-09 Jesus chastised the Scripture readers religious leaders in his day because they misread the Bible You search the Scriptures because you think that in them you have eternal life and it is they that bear witness about me yet you refuse to come to me that you may have life John 5:39-40 How do we come to and meet with Jesus through our Bible reading After his resurrection Jesus met with his followers to open their minds to understand the Scriptures He made clear that everything written about me in the Law of Moses and the Prophets and the Psalms must be fulfilled Luke 24:44-45 emphasis mine Understanding the plotline of Jesus life gives us the instrument whereby we can meet with Jesus through our Bible reading It unifies and

illuminates the beautiful diversity of Scripture writings But not only will this book lead you to meet with Jesus through your Bible reading More importantly it will lead you to life in Christ For the plotline of Jesus life is also the story of a Christian s life from divine birth to new creation in this age and into the next      **Reward, Punishment, and Forgiveness** Joze Krasovec,2014-09-03 This book deals with central and universal issues of reward punishment and forgiveness for the first time in a compact and comprehensive way Until now these themes have received far too little attention in scholarly research both in their own right and in their interrelationship The scope of this study is to present them in relation to the foundations of our culture These and related issues are treated primarily within the Hebrew Bible using the methods of literary analysis The centrality of these themes in all religions and all cultures has resulted however in a comparative investigation drawing attention to the problem of terminology the importance of Greek culture for the European tradition and the fusion of Greek and Jewish Christian cultures in our modern philosophical and theological systems This broad perspective shows that the biblical personalist understanding of divine authority and of human righteousness or guilt provides the personalist key to the search for reconciliation in a divided world      *Israel and the Covenants in New Testament Times* Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that      Herald and Presbyter ,1916
