God Jew Satan In The Works Of Isaac Bashevis Singer:

God, Jew, Satan in the Works of Isaac Bashevis-Singer Israel Ch Biletzky, 1995 The roots and origins of Isaac Bashevis Singer's works are illuminated in this comprehensive survey Biletzky treats his subject from several perspectives describing Singer's life story and its influence on his work while also critiquing Singer's work and focusing on its realistic and nonrealistic dimensions The author also explores the relationship between Singer's work and the work of Shalom Aleichem and I L Peretz an analysis which synthesizes the Jewish and the Yiddish in Singer's thought and writing Contents Roots In the Ways of Creativity The Storyteller Between the Real and the Unreal Devils Satans Imps Evil Spirits Satan in Goraj The Muskat Family The Slave The Miracle Worker of Lublin The Manor The Estate The Dumb Souls of I L Peretz and Gimpel Tam The Painter's Studio and Father's Courtroom **Isaac Bashevis Singer: His Work and his World** Hugh

Denman, 2021-12-28 A quarter of a century after Isaac Bashevis Singer was awarded the Nobel Prize for Literature it is time to take stock of his achievement Penetrating studies of his fictional and autobiographical works by leading scholars in the field reveal that for all the acclaim he has received on the basis of the English versions of his works no adequate evaluation of Bashevis's significance can be made without careful examination of the original Yiddish texts Critical readings assess inter alia his themes and motifs the impact of Kabbalah on his work reflections of society in his original Polish homeland as well as his place within the context of contemporary Jewish American letters and the canon of modern Yiddish and Hebrew writing

Soul Loss and the Shamanic Story Michael Berman,2009-03-26 Stories from various cultures and periods of time can be identified which deal with a concept of soul loss that is essentially shamanic In shamanism soul loss is the term used to describe the way parts of the psyche become detached when we are faced with traumatic situations In shamanic terms these split off parts can be found in non ordinary reality and are only accessible to those familiar with its topography Case studies are presented to show how the way soul loss is dealt with by indigenous shamans differs from the way it is treated by neo shamanic practitioners Stories have traditionally been classified as epics myths sagas legends folk tales fairy tales parables and fables However the definitions of the terms have a tendency to overlap making it difficult to classify and categorize material For this reason a case can be made for the introduction of a new genre termed the shamanic story a story that has either been based on or inspired by a shamanic journey a numinous experience in non ordinary reality or one that contains a number of the elements typical of such a journey Within this new genre it is proposed that there exists a sub genre shamanic stories that deal specifically with soul loss and examples are presented and analysed to support this hypothesis

Divination and the Shamanic Story Michael Berman,2009-03-26 Stories have traditionally been classified as epics myths sagas legends folk tales fairy tales parables or fables However the definitions of the terms have a tendency to overlap making it difficult to classify and categorize material For this reason a case can be made for the introduction of a new genre termed the shamanic story a story that has either been based on or inspired by a shamanic journey a numinous experience in non ordinary reality or one that contains a number of the elements typical of such a journey Other characteristics include the way in which the stories all tend to contain embedded texts often the account of the shamanic journey itself how the number of actors is clearly limited as one would expect in subjective accounts of what can be regarded as inner journeys and how the stories tend to be used for healing purposes Within this new genre it is proposed that there exists a sub genre shamanic stories that deal specifically with divination and examples are presented and analysed to support this hypothesis By means of textual analysis it can be shown they all share certain attributes in

common the identification of which forms the conclusion of the work **Satan** Harold Bloom,2009 Presents a collection of writings exploring the character of Satan in world literature *Guide to the Works of Isaac Bashevis Singer* Maxine A. Hartley,2009 Sage rabbi mystic prophet historian and storyteller Isaac Bashevis Singer fulfills all these roles With great sensitivity and insight *Guide to the Works of Isaac Bashevis Singer* provides a succinct and instructive look at some of the main themes of Singer s writing the relationship between God and mankind the search for identity in a changing environment the relationship of the modern Jew to the old new homeland of Israel and the Jewish question of faith in the modern secular world Maxine A Hartley s analysis provides a deeper understanding and appreciation for a literary figure who wanted only to be known as an honest writer *From Bolshoi to Be'er Sheva, Scientists to Streetsweepers* Allan S. Galper,1995 When over 400 000 Soviets immigrated to Israel between 1989 and 1992 they expected to be received warmly in the Jewish state offered jobs homes and financial support Quite to the contrary they no longer found themselves members of the life that they had once been accustomed to they were no longer in the cultural arena of the Bolshoi Ballet but in a desert trailer camp on the outskirts of Be er Sheva and no longer did they work in an environment of respected scientists in Russia but in the unexpected profession of streetsweepers in Israel This work chronicles the difficult voyage of nearly 200 of these Soviet immigrants from what was once home to a starkly different life in Israel With a stirring journalistic approach Galper presents first hand interviews with emigres on the streets and in the absorption centers of Israel s cities towns and settlements But much more than a documentary or narrative of the immigrants experiences this book is a scholarly analysis that reviews the existing academic literature that has addressed the Soviet immigrant experience in Israel Not stopping there Galper adds a new interpretation by adapting Emile Durkheim s theory of anomie in an attempt to explain the sociological phenomena that the new Israelis are encountering *Studies in American Jewish Literature* ,2001 *The Hidden Isaac Bashevis Singer* Seth L. Wolitz,2013-12-06 Nobel Prize winning author Isaac Bashevis Singer stands virtually alone among prominent writers for being more widely known through translations of his work than through the original texts Yet readers and critics of the Yiddish originals have long pointed out that the English versions are generally shortened often shorn of much description and religious matter and their perspectives and denouements are significantly altered In short they turn the Yiddish author into a Jewish American English writer detached from of his Eastern European Jewish literary and cultural roots By contrast this collection of essays by leading Yiddish scholars seeks to recover the authentic voice and vision of the writer known to his Yiddish readers as Yitskhok Bashevis The essays are grouped around four themes The Yiddish language and the Yiddish cultural experience in Bashevis s writings Thematic approaches to the study of Bashevis s literature Bashevis s interface with other times and cultures Interpretations of Bashevis s autobiographical writings A special feature of this volume is the inclusion of Joseph Sherman s new faithful translation of a chapter from Bashevis s Yiddish underworld novel Yarme and Keyle **God Laughed** Hershey H. Friedman,2017-09-08 Humor has had a profound effect on the way the Jewish people

see the world and has sustained them through millennia of hardships and suffering God Laughed reviews organizes and categorizes the humor of the ancient Jewish texts the Hebrew Bible the Talmud and Midrash in a clear readable and accessible manner These works have influenced the Jewish people in many ways and all are replete with humor and wit Inevitably this oeuvre of Jewish humor has itself influenced generations of comics as well as genres of humor The authors use examples of Biblical humor from several broad categories including irony sarcasm wordplay humorous names humorous imagery and humorous situations Because their primary purpose is not to entertain but to teach humanity how to live the ideal life much of the humor in the Talmud and the Midrash has a single purpose to demonstrate that evil is wrong and even at times ludicrous This may help explain why approximately 1 500 years after its closing the Talmud is still such a fascinating work The Journal of Jewish Studies ,1996 **Dimensions of Social Life** Paul Hockings,2011-06-01 No detailed description available for Dimensions of Social Life

The Trilingual Literature of Polish Jews from Different Perspectives Alina Molisak,Shoshana Ronen,2017-08-21 Are the literary works of Polish Jews one unified literature in three languages Yiddish Hebrew and Polish or is the literal corpus of each of these languages a separated literary and cultural phenomenon Twenty seven scholars from Europe the United States and Israel explore different aspects of the multilingual literature of Eastern European Jews with a particular focus on the trilingual literature of Polish Jews until World War II The work of the great Yiddish and Hebrew writer Isaac Leib Peretz 1852 1915 represents the center of the book though it does not concentrate solely on Peretz s work but rather discusses the oeuvre of other unique authors in the cultural space of Jews in Central and Eastern Europe generally and in Poland particularly The book looks at this issue from three aspects namely the literal cultural and historical and also examines the dialogue of Polish Jewish literature with other languages and cultures

Jewish American Writing and World Literature Saul Noam Zaritt,2020-10-13 Jewish American Writing and World Literature Maybe to Millions Maybe to Nobody studies Jewish American writers relationships with the idea of world literature Writers such as Sholem Asch Jacob Glatstein Isaac Bashevis Singer Anna Margolin Saul Bellow and Grace Paley all responded to a demand to write beyond local Jewish and American audiences and toward the world as a global market and as a transnational ideal Beyond fame and global circulation world literature holds up the promise of legibility in which a threatened origin becomes the site for redemptive literary creativity But this promise inevitably remains unfulfilled as writers struggle to balance potential universal achievements with untranslatable realities rendering impossible any complete arrival in the US and in the world The work examined in this study was deeply informed by an intimate connection to Yiddish a Jewish vernacular with its own global network and institutional ambitions Jewish American Writing and World Literature tracks the attempts and failures through translation to find a home for Jewish vernacularity in the institution of world literature The exploration of the translational uncertainty of Jewish American writing joins postcolonial critiques of US and world literature and challenges Eurocentric and Anglo American paradigms of literary study In bringing into conversation the

fields of Yiddish studies American Studies and world literature theory Jewish American Writing and World Literature Maybe to Millions Maybe to Nobody proposes a new approach to the study of modern Jewish literatures and their implication within global empires of culture *The Holocaust and Israel Restored* Monty Noam Penkower, 2025-07-29 The chapters in this volume examine facets in the drama of Jewish existence in the tumultuous years of the Twentieth Century and beyond They include Theodor Herzl as Zionism's driven prophet James G McDonald's valiant effort to alert the world to the Nazi menace the darkening shadow of the swastika in the 1930s across the European Continent the Revisionist Zionist campaign for a Jewish Army in World War II a debate on Zionism and Jewish survival after the Shoah the 1947 legal brief for a Jewish State Poland's distortion of the Holocaust and The Jews Were Expendable forty years later Joining extensive archival research and a limpid prose Professor Monty Noam Penkower again displays a definitive mastery of his craft **Narrative Faith** David Stromberg, 2017-10-18 Narrative Faith engages with the dynamics of doubt and faith to consider how literary works with complex structures explore different moral visions The study describes a literary petite histoire that problematizes faith in two ways both in the themes presented in the story and the strategies used to tell that story leading readers to doubt the narrators and their narratives Starting with Dostoevsky's *Demons* 1872 a literary work that has captivated and confounded critics and readers for well over a century the study examines Albert Camus's *The Plague* 1947 and Isaac Bashevis Singer's *The Penitent* 1973 83 works by twentieth century authors who similarly intensify questions of faith through narrators that generate doubt The two postwar novelists share parallel preoccupations with Dostoevsky's art and similar personal philosophies while their works constitute two literary responses to the cataclysm of the Second World War extending questions of faith into the current era The book's last section looks beyond narrative inquiry to consider themes of confession and revision that appear in all three novels and open onto horizons beyond faith and doubt to hope The Company of the Creative David L. Larsen, Great works and authors of the world are introduced and reviewed artistically intellectually and theologically Persons discussed include Plato Milton Dickens Shakespeare Charlotte Bronte Mark Twain and C S Lewis
