God Only Knows:

God Only Knows Jeff Sellars, 2015-12-14 The Beach Boys are one of rock's most enduring and enigmatic groups and while the band has been the subject of numerous biographies and other in depth studies there has been no focused evaluation of the religious and spiritual themes in their work Spiritual and theological themes are present in much of their work and when this realization is coupled with Brian Wilson's mission to spread the gospel of love through records and his sense of music as spiritual of thinking pop music is going to be spiritual that's the direction I want to go this is a striking way to explore the band's music In **God Only Knows** the contributors attempt to come to grips with just a small amount of this band's massive output by circling around its theological virtues Each section of the book is a loose investigation of the guiding topics of faith hope and love Each essay is a free exploration of theological and spiritual themes from the contributor's own perspectives
